We took off to get after Vademon to send them off to Hell.

We were flying in the air, and we found Vademon.

Lincoln: Alright, let's get this battle started. (To Vademon) HEY, YOU RAT! (CRACKS HIS KNUCKLES JONNY THE PEST STYLE)

Vademon: (SCREECHES) THAT NOISE!

Mascots and Ed: WHAT A PEST!

Edd: That's disgusting...!

Mascots and Ed: MAKE HIM STOP!

Wilford Wolf went after Vademon, and he fired extremely powerful blasts of deep blue and light blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, moonlight, blue wolf fire, wolves, werewolves, phoenixes, and angels at Vademon, and they exploded with incredible power as they hit him. Then, he slashed at him with his massive greatsword, gold-armored wolf claws and wolf claws, and he really trashed him with his really excessive and immense godly superhuman strength.

Me: Still awesome as ever.

Then, Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell approached Vademon.

Caleb Maxwell: If you think we're gonna let you run wild and do whatever the Hell you want on this planet, then you've got nothing but oatmeal for a brain!

Tyler Maxwell: We're taking you down and we're gonna make sure you get sent to Hell for good!

Vademon: You fools can never destroy me!

Alexander Maxwell: Oh yeah?! Well, tell that to your buddies, DemiDevimon, Vegiemon, and Digitamamon whom we'd killed in the past three days! They crossed us and pissed us off, so yeah, we killed them!

Allie Maxwell: And you're next, you putrid sack of lard! And we know you're also among the Digimon villains who's taking part of the resurrection of Caleb Maxwell from Super Brother's world and you're out to kill us before we could stop the resurrection!

Caleb Maxwell: And now, we're gonna make sure we get rid of you for good. (Grabs Vademon by the throat) And by coming here after us, you just sealed your fate. Now, you can either surrender quickly, or so help me, (Demonic Voice) I will pull your stupid hair through your eyes and use them as reigns to ride your digital butt back to the darkest pits of The Underworld from whence you came!

Vademon freaked out big time, but he was shocked when he found out we killed DemiDevimon, Vegiemon, and Digitamamon, and that pissed him off. Then, in a desperate bid to get free before Caleb choked him to death, he elbowed Caleb hard in the face, and that caused his nostrils to spurt out blood, and that really pissed him off.

Tyler Maxwell: Caleb! THAT DOES IT, VADEMON, YOU FREAK!

Alexander Maxwell: NO ONE HURTS OUR ELDER BROTHER AND GETS AWAY WITH IT!

Allie Maxwell: Hurting my brother like that in the same way he'd gotten so many injuries from the shitheads of LaGuardia High School back in the 1980s in our world and you think you can get away with it! We're gonna fuck you up!

Vademon: I will tear you four weaklings apart limb from limb, and then, I'm gonna kill every last member of your family and friends, and then, I'm gonna rip your hearts out and eat them and spit on your remains!

THAT SERIOUSLY PISSED CALEB, TYLER, ALEXANDER, AND ALLIE MAXWELL OFF, THEY TRIED TO KEEP THEIR RISING INSANITY DOWN WHILE THEY'RE JITTERING AND SEETHING WITH RAGE, BUT WE KNEW IT WOULD BE TOO LATE!

Me: UH OH! THEY'RE GONNA BLOW!

FINALLY...!

Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell: (LETS OUT A MASSIVE SCREAM OF PURE ANGER AND RAGE AND THEY FINALLY WENT INSANE)

THOSE FOUR LET OUT A MASSIVE SCREAM OF PURE ANGER AND RAGE AND THEY FINALLY WENT INSANE, AND THEY

WENT AT VADEMON AND CALEB MAXWELL AND TYLER MAXWELL KICKED HIM REAL HARD IN THE LEGS AND THIGHS, AND ALEXANDER MAXWELL BIT HIM ON THE ARM AND TORE OFF SOME FLESH AND STARTED EATING IT! THEN, ALLIE MAXWELL GOT OUT HER GUNS AND SHE SHOT AT HIM! THEN, SHE KICKED HIM HARD IN THE GROIN!

KRACKOW! WRESTLING BELL DING!

THEY UPROOTED FOUR TREES WITH THEIR BARE HANDS AND BASHED VADEMON ALL OVER THE PLACE AND WE LOOKED ON WITH PURE HORROR AND TERROR! THEN, THE SIBLINGS ROSE UP INTO THE AIR, AND THEY SMASH THE TREES DOWN ON VADEMON, AND IT DIDN'T END THERE, THEY CONTINUED UPROOTING AND SMASHING TREES DOWN ON VADEMON AS MORE TREES SPROUT OUT! WE EVEN DUCKED OUR HEADS DOWN WHEN WE SAW A TENTACLE FLYING OVER OUR HEADS!

Me: OH MY GOD! THIS IS GETTING REAL NASTY!

Lori: THIS IS LITERALLY EVEN WORSE THAN LOLA'S TEMPER TANTRUMS!

Lynn: OR MY RAGE ATTACKS! THOSE GUYS ARE REAL ANIMALS WHEN THEY GET ANGRY!

Lola: If they keep this up, they're gonna kill him and take the fun out of it!

CALEB, TYLER, ALEXANDER, AND ALLIE MAXWELL CONTINUED SMASHING VADEMON ALL OVER THE PLACE IN A MASSIVE FIGHT CLOUD AND THEY WERE STILL SCREECHING AND SHRIEKING LIKE DEMONS FROM HELL!

Then, when it was all over, Vademon was an absolute mess: Caleb Maxwell slashed off his tentacles, Tyler Maxwell and Alexander Maxwell broke his arms with bones protruding, and Allie Maxwell also gouged out his eyes and even did a lot of damage to his brain!

WE WERE ABSOLUTELY SHOCKED AT THE SHEER CRUELTY

AND BRUTALITY OF THOSE FOUR SIBLINGS!

Me: OH MY! (BARFS)

WE WERE ALL BARFING AT THE SIGHT OF VADEMON!

Eli: He's about to use the fire elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 夏の炎と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へと送り届けよ！ 祝福された者たちの魂よ、蘇り、強大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！ 我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へと送り届けよ！ (Translation: I call upon the flames of Summer and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send him to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Then, I held out my left hand and fired 999 massive balls of fire at Vademon, and they collided and exploded as they hit him, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated dragon claws and greatswords, and Lincoln, Super Brother and his harem and his siblings and team, Alexander Avalon, Andre Lupescu, Abaddon Aeternus, Red Savarin, Robin Hood, Rayman, Juniper Lee, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our extremely massive godly superhuman strength, and it was making Vademon even more pissed off than ever.

Suddenly, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath his enormous white angel wings spread out and four halos of rainbow energy formed with intricate designs behind him and a halo of gold energy with intricate designs formed above his head with intricate designs.

And my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large rainbow angel wings underneath my enormous rainbow angel wings spread out and four halos of rainbow energy formed with intricate designs inside it behind me and a halo of gold energy with intricate designs formed above my head with intricate designs.

And Nico's enormous golden yellow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large golden yellow angel wings underneath his enormous golden yellow angel wings spread out and four halos of rainbow energy formed with intricate designs behind him and a halo of gold energy with intricate designs formed above his head with intricate designs, and they formed into a purifying field that hits Vademon, and we found ourselves not only in Heaven, but also, in space.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Vademon and a cluster of rainbow, white and blue heavenly flames exploded out behind his back, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 38,000'11" massive, wide, double-edged gold blade of his massive greatsword, I formed a very massive glowing rainbow energy blade surrounding the 3,800'11" massive, wide, double-edged gold blade of my massive greatsword, and Nico formed a very massive glowing rainbow energy blade surrounding the 38,000'11" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, DIE AND ROT IN HELL FOREVER, YOU ASSHOLE!

Lincoln, Nico, and I did one final powerful energy slash that hit Vademon hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Vademon was on his last legs and he was really really mangled.

Vademon: That's it! That's the last straw!

Suddenly, just as we were about to end him, Vademon got out a powerful Rhydonium bomb!

Eli: (GASPS) That's a Rhydonium Bomb, and a very powerful one!

Vademon: You have humiliated me for the last time! Once I trigger the bomb, it will blow me up and destroy the planet and take you all with me to Hell! (LAUGHING MANIACALLY)

But, as Vademon initiated the countdown, Lincoln flew into the molten core of Liliraunearaiya, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself along with the castle into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Liliraunearaiya's massive twin suns of passion and love and he sucked them in and absorbed them into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

We hightailed it back to Earth Omega and Gotham Royal York, and just in time as well, and when the timer reached zero...!

Vademon: NO! DAMN YOU, TEAM LOUD PHOENIX STORM!

MEGA SUPER POWERFUL EXPLOSION!

THE BOMB EXPLODED WITH THE POWER OF 10,000 TERATONS OF TNT, AND INSTEAD OF DESTROYING THE PLANET AND TAKING HIM AND US WITH HIM TO HELL, VADEMON WAS THE ONLY ONE SENT TO HELL, AND BECAUSE HE CHOSE TO COMMIT SUICIDE, HE WAS SENT TO THE SUICIDE FOREST WHERE HE WOULD SPEND ETERNITY BEING TORMENTED BY THE SCREAMS AND WAILS OF THE DAMNED!

We saw it all happen, and we cheered as we holstered our weapons and powered down!

Nico: That damn coward, I can't believe he pulled something like that!

Lincoln: Too bad for him I absorbed the planet and its core and its massive twin suns into my body and we got our butts out of there.

Then, we went to the gym at Lynn's Table.

Lincoln: But, that was still so incredible! (Flexes his massive arms and his massive biceps bulged even more with the visible veins bulging out even more and were throbbing with raw power and white hot liquid fire coursing through his body)(GROWLS) RRGH!

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

We laughed!

Luna: I can't even keep count of the many times that's happened to Lincoln! He also came home with his nose gushing out blood like a fountain along with getting covered in kisses and his tails wagging.

Nico: That's happened before? That must've been some intense make-out sessions Lincoln's had.

May: Just like ours, and it always ends with him engaging in one intense session of lovemaking and sex!

WHOOSH! CLANG!

Lynn almost whacked her in the head with a baseball bat.

Lynn: I thought I warned you not to say that!

May: YIPE!

Nico: Maybe you shouldn't say that out loud especially in front of Lynn who's the most physically aggressive of Lincoln's sisters.

Lincoln: Lynn, put the bat down, otherwise, you're gonna have problems with Caleb again.

Lynn did so.

But then...!

All of us: (SENSES A MASSIVE AND INTENSELY POWERFUL ENERGY SIGNAL)

Me: WHOA! Holy smokes! Feel that intensely massive energy!?

Poromon: Where did it come from?!

Nico: No idea!

Piccolo: It's just like yesterday!

Qin: That could mean...!

Lincoln: Guys, look!

We saw a figure coming and it looked like a girl with fire angel wings!

Lincoln: (GASP) I don't believe it! It's Callidora Sorrentia.

She came and landed in front of us. She was a tall 990'11" girl with fire red hair, red eyes, cosmic nebula bikini, fire angel wings, and had a phoenix fire tail and a fire greatsword on her back.

Callidora Sorrentia: Hello, Lincoln!

She and Lincoln hugged.

Lincoln: I'm so happy to see you.

Me: So, that's...?

Callistia Sorrentia: Yes, this is Callidora Sorrentia, Cosmic Phoenix Angel of Houvarak, she's Lincoln's Guardian Angel from Houvarak and she's my twin sister. Callidora Sorrentia is a cosmic being that has existed ever since the beginning of time. She has immense power that's stronger than 600,000 Anti-Monitors combined and she's as strong as all of Team Loud Phoenix Storm combined times 760,000, and she was born with enormous angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, the flames of The Immortal Eternal Phoenix, immense omnipotent powers of all of the elements and all the elemental forces of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and all of the immense omnipotent powers of the Immortal Eternal Phoenix, rebirth, resurrection, reincarnation, and life nourishment, and she's someone that no one would dare to mess with. Callidora Sorrentia created The Elemental Magic Rings of Houvarak and The Almighty Greatsword of Houvarak, and these powerful weapons are part of a very powerful legend that was spoken of among The Houvarakans. The legend goes that ever since the beginning of time, there were two immensely powerful treasures that were created by Callidora Sorrentia, but they were meant as a wedding gift to a young man whom countless eons later would become known as The Reincarnation of The Sun Goddess Amaterasu, Descendant of The Mighty King Arthur of Camelot, Descendant of Lachlan McLoud, Seventeenth Century Duke of Loch Loud of Scotland, Descendant of White Magic Wiccan Lorelai Newton, Emissary and Champion of Hinon, Iroquois God of Lightning and Descendant of The Iroquois Tribe of Michigan, Emissary and Champion of The Heavens, The Cosmos, The Universe, and The Multiverse and Beyond, Defender of All Life and whom she's destined to be betrothed to. That person was none other than Lincoln Loud. Lincoln met her long ago and he saved her not from an attack that was being carried out, but it wasn't by Crocker, but the attackers were none other than Dark Chase Young's forces who tried to attack Houvarak and destroy the weapons Callidora created, but Dark Chase Young was too late as he found out the weapons were put into a safe and those weapons were meant only for Lincoln, and that pissed him off to no end. Callidora Sorrentia descended to Earth and Royal Woods, and she vowed to protect Lincoln from all enemies and trained him in The Way of the Houvarakan Cosmic Phoenix Angel, and under her guidance, Lincoln gained omnipotent superhuman strength, omnipotent power, Omnipotence, Omniscience, and the power of the Houvarakans times infinity along with all the omnipotent powers of all the elements, and all of the immense omnipotent powers of the Immortal Eternal Phoenix, rebirth, resurrection, reincarnation, and life nourishment, and his already immortal and invincible body was enhanced beyond comprehension, and she knew deep down that Lincoln's a True Alpha Male Werewolfairan-Vampirairan-Cyborg Hybrid, a powerful handsome godly warrior who drew out her primal instincts like no one else ever had, and more than once, she kissed him deeply and passionately, covering him in kisses and causing him to come home glowing with intense power, breathless, and wagging his tails like crazy, and her love for him only intensified. She helped him build even more godly muscle, honed his instincts, and sharpened his skills with sacred training from her people's War Priests. She gave him the ability to grow stronger with every hit he took, and she gifted him the divine will of The Phoenix King her people worshipped, a force of virility and strength that made Lincoln the embodiment of the future of the Houvakarans. Lincoln forged for a powerful fire greatsword with the powers of her people, and to thank him, she kissed Lincoln with overwhelming passion and their hearts pounded like war drums, and Lincoln returned the kiss with equal fire, and promised that when he comes of age, he will marry her and the rest of his cosmic harem, and she hates Lincoln's enemies with a fury as hot as the flames of Houvarak, and she swore to burn all of them to ashes and see to it they are never reborn in the next life or ever!

Me: So, Callistia wasn't the only Houvarakan who had to deal with a dangerous threat.

Lincoln: Nope, and we had to keep The Elemental Magic Rings of Houvarak and The Almighty Greatsword of Houvarak, her wedding gifts to me, from being destroyed by Dark Chase Young.

Callidora Sorrentia: I knew he was finally dealt with, and you've been forever purified from that dark monster's essence that

Alexander's father infected you with. And I saw what happened after you'd received my wedding gifts to you, you've transformed as well just like J.D., truly amazing.

Nico: Because of him getting your wedding gifts, Lincoln's harem went even more wilder seeing him transform yesterday.

Wilford Wolf: Every last one of your fellow Guardian Angels helped him transform into the True Alpha Male Werewolfairan-Vampirairan-Cyborg Hybrid that he is today, and he's also a father to many children as well.

Callidora Sorrentia: I also saw it for myself and with what he did to help you yesterday. (To Lincoln) And it's so good to see you again, Lincoln, it's been eight years since we last met, but you've really grown that much.

Suddenly, Callidora Sorrentia had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Callidora Sorrentia was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Callidora Sorrentia: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Callidora Sorrentia's waist and hugged her, and Callidora Sorrentia was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Callidora Sorrentia: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 10,000'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on

your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,
massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, dark beard stubble on your jawline, thick brown goatee, and dark chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Suddenly, Lincoln pinned Callidora Sorrentia to the floor with his massive muscular arms still wrapped around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,

sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Callidora Sorrentia with crimson red gems on the gold lightning bolts and fiery red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

He then helped her up and he kept her close to his body as she took the time to rub his massive muscles and massive hairy pecs.

Suddenly, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: We saw the power of your sister yesterday, and I remembered how strong you were against Dark Chase Young's forces, that's why he tried to destroy you and your people, but he failed to do so, and even Sebastian failed to do so. (Sensed The Anothers) Ah, and the Anothers are coming.

Eli: (Sensed them) Lincoln's right, the Anothers are coming, and one of them is Another Gali.

Gali: Another Me? That means who I'm facing is none other than...!

Lincoln: Von Talon. Too bad for him, he's in the 21st Century, and we're gonna show him how much we've not only changed, but we'll take him down 21st Century style.

Me: You got that right.

Nico: If that Nazi bird wants a war, he'd better be ready to lose against us, this'll be the last time we ever have to deal with him.

Victor Bristow: (German Accent) I still have bad memories of World

War II, I was once one of the officers in the Nazis, but when I saw what they did to a little boy shooting him in cold blood and he died right there on the streets, that made me sick. I wanted to die, but that meant I would risk going to Hell for it, it was either that or letting Michael turn me. But, the day he'd brought up everything I went through, I decided that enough was enough, and I made the choice. Michael turned me into a vampire. I didn't care if it meant living with my sins for eternity, I did a lot of things I wasn't proud of when I was once a Nazi officer, and I killed a lot of people back then when I was alive and after I was turned. The world isn't in black and white, you all saw it for yourself.

Then, he turned to Caleb as he placed his hands on his shoulders.

Victor Bristow: (German Accent) And you saw the world wasn't in black and white as you once thought of when you were a child, Caleb, but you saw that cruelty and darkness can come from anywhere, even from within your own family.

Allie Maxwell: That also haunted me even when I was a child, I saw the cruelty and darkness that Caleb had to endure, and it's where you go from there that matters. I swore I wouldn't allow the cruelty and darkness Caleb had to endure to break me, I would continue onwards on my own path.

Caleb Maxwell: But, as for me, the cruelty and darkness I had to endure destroyed my entire life, my future, and everything I held dear: my concept of law and order, my sense of integrity, and my sense of human decency, and it led to my murder at Drake's hands in 1985 in my world. But, the difference between me and my counterpart from Super Brother's world is that I had the love of my family on my Mom's side, friends who saw I didn't deserve that cruelty back in high school, and meeting Cage Blunt and Travis Tackett in 1984, and finally, meeting Cage's dad in 1993 after I came back and went with him to West Virginia to recover my memories, all of that kept me from going down into eternal darkness, and if I didn't have that difference, I would've turned out to be just like him, and I'd be no different than Drake. He'd paraded his depravity to the public and terrorized New York, and you've seen what I've done to any bastard who crossed me.

Jack Howard: That was back when you were alive, or rather, at the beginning of the end of your life and right after you returned to New York in 1996 after spending three years with Cage's dad in West Virginia after your return from the dead.

Tyler Maxwell: Not helping, Jack!

Manaphy: Speaking of help...!

We turned towards Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell.

Caleb Maxwell: Guys, why are you looking at us like that?

Lincoln: Need we remind you of your little freakout beatdown on Vademon on Liliraunearaiya?

Poromon: Your little freakout beatdown on Vademon caused us to lose our breakfast!

Poliwag: That was a huge mistake Nico made in letting you four off your leash! (Smirks) And now, it's gonna cost you four psychos big time.

WE CRACKED OUR KNUCKLES!

Caleb Maxwell: (Suddenly realizing it) Oh...! Shit, we really messed up big time, didn't we?

Tyler Maxwell: We did.

Alexander Maxwell: Big time.

Allie Maxwell: What do we do, Caleb?

Suddenly, we flared up our rainbow, white, golden yellow, and blue energy auras and charged at them, and then...!

Caleb Maxwell: (FREAKS OUT LIKE SANDY) RUN FOR YOUR LIVES!

THEY RAN AWAY, AND WE ROARED LIKE WILD BEASTS AND

CHARGED AT THEM!

Tyler Maxwell: What the plan, Caleb?!

Caleb Maxwell: Get to the car! We'll lose them!

Allie Maxwell: Cage's car? He'll hogtie us if we so much as touch his car!

Caleb Maxwell: Not Cage's car, Allie!

Caleb Maxwell got out a black briefcase that suddenly transformed into a massive slick black car with permanent glossy finish.

Alexander Maxwell: Your shapeshifting car!

They got in, and they drove away!

Nico: Where did he get that shapeshifting car?!

Eli: My guess is he had it made.

Cage Blunt: Yep, usually we see him flying in the air, but for hi-speed chases, he had a shapeshifting car created: it takes on the form of a black briefcase, and when a hi-speed chase is called, he gets it out and it transforms into that: a hi-tech futuristic black car outfitted with machine guns, laser blasters, a hi-tech computer, radar, GPS, communicator, air-conditioning, and targeting system for any time someone wants to fight back.

Travis Tackett: We won't be able to catch them in your car, Cage.

Me: (Smirks) Leave that to us.

We hit our car alarms and our specially made hi-tech futuristic shapeshifting cars in our favorite colors outfitted with machine guns, laser blasters, a hi-tech computer, radar, GPS, communicator, air-conditioning, and targeting system for any time someone wants to fight back with permanent outside glossy finish came out.

Jack Howard: Whoa!

Lincoln: I had a feeling Caleb and his siblings were going to peel out in case we got mad, so we had our own specially made shapeshifting cars made. Instead of our racing cars, we can use these to chase down criminals. Now, let's get going to catch Caleb and his siblings!

We got in.

All of us: Time to put the pedal to the metal! Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell, we're a-coming for you, suckers! IGNITION!

WE TURNED OUR CARS ON AND WE PUT THE PEDAL TO THE METAL AND WE CHASED AFTER THE FOUR OF THEM!

Suddenly, inside the shapeshifting car of Caleb Maxwell, the alarm rang, and Tyler Maxwell saw it on the monitor!

Tyler Maxwell: OH CRAP! THEY'VE GOT THEIR OWN SPECIALLY MADE SHAPESHIFTING CARS TOO?!

Caleb Maxwell: WHAT?!

Allie Maxwell: We got to lose them! Where's the oil slick?

Caleb Maxwell pressed a button, and...!

Caleb Maxwell: Eat oil slick!

Then, a stream of oil came spilling out, but we pressed a button and hydro water cannons came out and they fired powerful streams of water mixed with a specially made soap at the oil stream that washed the oil stream away!

Allie Maxwell: SHIT!

Caleb Maxwell: They added in extra gadgets and gizmos to their cars too?! What the Hell?! We got to lose them, but this is Gotham Royal York! (GASPS) I know, time to take it to New York!

Caleb Maxwell made a portal appear and he went in and we followed, and we were in New York.

Nico: Now, they've taken it to New York?!

Then, Caleb's face appeared on our monitors.

Caleb Maxwell: Hah! You may know the routes of Gotham Royal York, but I know New York like the back of my hand, and the routes, twists, and turns here are crazy, and so are the drivers! Try and get us now! (LAUGHING MANIACALLY)

Caleb's face disappeared.

Me: Why, that little...! Guys, let's show Caleb he can't hide from us especially here in The City That Never Sleeps!

We drove after him.

Alexander Maxwell: Let's lose them in The Holland Tunnel! There's no way all of them can follow us through there!

They headed for The Holland Tunnel.

Allie Maxwell: Yes! It should be smooth sailing from here!

But, then...!

Caleb Maxwell: Oh crap!

They saw Cage Blunt's Red Viper Camaro there along with Cage Blunt and Travis Tackett and they're at the end of The Holland Tunnel.

Cage Blunt: (Smirks) Hi there, guys!

Allie Maxwell: Shit! Cage! Travis! Get out of our way!

James Blunt: (Smirks) Cage and Travis have blocked their way out. You're good to go.

Tyler Maxwell: Caleb, what are we going to do?! They're gonna catch us!

Caleb Maxwell: No, they're not! Hang on!

CALEB MAXWELL SLAMMED HIS FOOT HARD ONTO THE GAS, AND HE SPED UP, AND...!

WHOOSH!

THEY WENT UP OVER CAGE BLUNT'S CAR AND INTO THE AIR!

Cage Blunt: Whoa...!

THEN, THEY CAME DOWN!

Caleb Maxwell: Nice try, Cage!

Travis Tackett: (Smirks) You think you're home free, I think not. (WHISTLES) OH BOYS!

Suddenly, The NYPD Nightshift and The GRYPD also arrived and made a massive blockade!

Carter Kenrick: (Smirks) Let's see you try to get out of this!

Then, they saw ghosts that looked like Lincoln, me, and Nico heading right for Caleb Maxwell's car!

Caleb Maxwell: Oh crap! EVERYONE, OUT!

They got out, and the car changed back into a briefcase, and Caleb grabbed it and ducked down to avoid the ghosts. But, then, he saw one of the ghosts made a scary face at him!

POW!

HE PUNCHED ONE IN THE FACE! BAD MOVE!

KRABOOM!

THE GHOST EXPLODED AND CALEB GOT COVERED IN SOOT!

Caleb Maxwell: What the Hell was that?!

Goten: (To Lincoln, me, and Nico) Did you guys just use a Super Ghost Kamikaze Attack on them?

Lincoln, me, and Nico: Maybe...!

Trunks: They did. But, your trick worked, now they don't have their wheels!

Then, we got out of our cars which transformed into briefcases, and we surrounded Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell, and we had menacing smirks on our faces!

Tyler Maxwell: Oh man! This is it! We're doomed!

Caleb Maxwell: We're not going down without a fight!

Alexander Maxwell: Caleb, let's just give up! We need to take our punishments like men and women!

Caleb Maxwell: No way!

Lincoln, Nico, and I threw two straight punches, and then, we made the "Come On" gesture at them, and that pissed Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell, and they made a yell and came charging at us, but then...!

More ghosts of Lincoln, me, and Nico made due to the Super Ghost Kamikaze Attack appeared, and they charged in at them, and...!

KRABOOM!

THEY EXPLODED AS THEY MADE DIRECT CONTACT AT THE SIBLINGS!

Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell: (To Lincoln, me, and Nico) You're despicable!

FWOOP! BONG!

They fell down to the floor and were knocked out, and then, we carried them back to Gotham Royal York so we can face the Anothers.

He was created after Bolhofner from Super Brother's world was slain by Super Brother himself after he was caught trying to kill a classroom full of kids, and Bolhofner from Super Brother's world after his death was resurrected by Lord Demonblood. He's also among the least trusted of the undead evil Akumas because he's an absolute asshole who hates being told what to do! Well, we're gonna kill that filthy hairy pig and send him to The Black Abyss forever!

We had all of TLPS and The M.O.E. with us.

Lincoln: Ah, we're here in The Gotham Royal York Arena, and I know what we're going to do here, not only am I going to rescue the twelve girls here, but we're going after the next undead evil Akuma.

Super Brother: And I know who it is, his name is Lord B.O., the evil undead Akuma of Bolhofner from Super Brother's world, he's just like Bolhofner from your world and universe, he doesn't shave, doesn't shower, doesn't brush his teeth, and doesn't do his laundry, and he also smells like he hadn't bathed in forever and he has a nasty B.O. aura of stink and sewage. He's also among the least trusted of the undead evil Akumas because he's an absolute asshole who hates being told what to do! Well, we're gonna kill that filthy hairy pig and send him to The Black Abyss forever!

Super Brother got out his sketchbook and we saw what he looked like: he looked like Bolhofner, but with red eyes and he doesn't shave, doesn't shower, doesn't brush his teeth, and doesn't do his laundry, and he also smells like he hadn't bathed in forever and he has a nasty B.O. aura of stink and sewage.

Me: In any universe, Bolhofner's a dirty, smelly, unshaved pig!

Super Brother: And here's the worst part: he's also among the least trusted of the undead evil Akumas because he's an absolute asshole who hates being told what to do!

Nico: Yeesh. So, it looks like we're killing him.

Lodestar: And sending him to The Black Abyss forever.

Lincoln: Yep.

Then, we saw everyone running out, they were green in the face and were throwing up, we knew he was here. Then, we got inside, and we saw him: Lord B.O., the undead evil Akuma of Bolhofner from Super Brother's world.

Super Brother: Bolhofner! We're here to end you for good!

Lord B.O. roared in anger when he saw us!

Without warning, darkness fell on Gotham Royal York and the full moon was also out, even though it wasn't even nighttime yet.

Dave Green: That's our cue, guys, it's showtime!

The Rockers got out their instruments, and as they started playing, we heard the music in the air: it's showtime!

You've caused enough abuse to Lincoln, his friends, and J.D. for the last time. Now, it's time to put an end to this, this is where it finally ends for you, Bolhofner!

Suddenly, Wilford Wolf's deep blue and light blue, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, moonlight, blue wolf fire, wolves, werewolves, phoenixes, and angels and immense rainbow protective aura with all of the elements swirling around him and immense holy white aura flared up extremely, as he grew even stronger and and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous blue angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,

massive and long silver wolf tails and light blue sun and moon tattoo on his bare chest glowed.

The Rockers continued to play as Wilford Wolf went after Lord B.O., and he fired extremely powerful blasts of deep blue and light blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, moonlight, blue wolf fire, wolves, werewolves, phoenixes, and angels and they exploded with incredible power as they hit him. Then, he slashed at him with his massive greatsword, gold-armored wolf claws and wolf claws, and clobbered him with whips from his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9
massive and long silver wolf tails. He was really trashing him with his really excessive and immense godly superhuman strength!

Then, Wilford kicked that pig outside into an abandoned area outside of the arena.

Lincoln: You're nothing but filth, Bolhofner, in any universe, and I'm getting sick of seeing your face. I'm gonna burn you to ashes!

Lincoln formed a massive swirl of fire and stars and his enormous white angel wings and numerous large white angel wings underneath formed intense flames!

Then, he formed a massively huge ball of stellar fire.

Lincoln: STELLAR SUPERNOVA DEATHBALL!

Lincoln fired the ball and it slammed into Lord B.O. and exploded with incredibly unbelievable power!

EXTREMELY MASSIVE AND INCREDIBLY POWERFUL FIERY EXPLOSION OF INTENSELY MASSIVE AND ULTRA POWERFUL BIG BANG PROPORTIONS!

THE EXPLOSION WAS SO MASSIVE, SO POWERFUL AND SO INTENSELY DEVASTATING THAT IT SHOOK THE VERY FOUNDATION OF THE ENTIRE UNIVERSE TO THE CORE! When the smoke cleared, Lord B.O. was in a flaming crater and he was burning!

Lincoln, Wilford Wolf, Super Brother and his harem and sisters and team, Robin Hood, Alexander Avalon, Ricky, Rufus, Margie, Sherlock Hound, Skippy the Bush Kangaroo, Red Savarin, Rayman, Juniper Lee, Von Lycaon, and Sly Cooper went after Lord B.O., and they fired extremely powerful blasts of rainbow, green, royal blue, royal red, royal green, black and blood red, red and yellow, purple and red, magenta and pink, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, nature, leaves, darkness, dark magic, black magic, Satanic Magic, fire, flames, lightning, snow, ice, snowflakes, ice crystals, kangaroos, wolves, witches, ogres, raccoons, devil hounds, demons, devils, owls, foxes, phoenixes, and angels, and they exploded with incredible power as they hit him. Then, Von Lycaon and Skippy the Bush Kangaroo punched him hard with their gauntlets and kicked him with their greaves and he got hit hard, and Red Savarin slashed at them with his massive greatsword and shot him with bullets and stun blasts and Sly Cooper whacked him hard with his new cane, same with Alexander Avalon, Ricky, Rufus, and Margie when they hit him on the head with a swing of their staffs.

Then, Skippy balanced himself on his tail and delivered a hard kick to Lord B.O., and he screamed in agonizing pain.

Lincoln continued smashing Lord B.O. hard with his extremely massive excessive godly superhuman strength, and he's no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering her and he even attacked him using the immense power and abilities of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of The Ancient Gods and Goddesses, and we did the same as well.

Varie: UNREAL! Our speed and reflexes are still even faster than ever!

May: We can't keep track of our own movements and we're even more stronger than ever! Look at how we're continuing to smash Lord B.O. all over the place!

Qin: That undead evil Akuma doesn't stand a chance due to Lincoln's rapid evolving and extremely incredible godly superhuman speed and reflexes overpowering him, now he's at the mercy of The True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid Angel of Gotham Royal York.

Luna: Along with J.D., Nico, Ymir, Camie, and Eli and all of us.

Then, Lincoln fired blasts of elements and energy at Lord B.O. and he got beaten up real good and they were mangled!

Wilford Wolf went after Lord B.O. and he got out a Dagger of St. Michael, and he drove it right into Lord B.O.'s chest and the blade pierced his heart, and Lord B.O. screamed in agonizing pain and beams of heavenly light shot out of him, and he burst into white flames and he turned to ashes and he was sent to The Black Abyss. We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Super Brother: That's another undead evil Akuma destroyed forever, and now, I'm finally rid of that hairy smelly pig.

Lincoln: This means your world's Chandler is finally getting desperate, he knows we've been on to the plot he and the other surviving undead evil Akumas have created.

Me: Which means he's gonna try and speed things up.

Nico: And cause us even more trouble.

Eli: With more dirty no good stunts as well.

Anna Anyanova: We'll have to leave this to Lincoln's Good Akuma and his team.

Wind Golfer: That's a good idea.

Super Brother: I agree, Lori. We'll hunt down Chandler and stop him before he resurrects Caleb Maxwell from our world.

Rocker Mermaid: It won't be easy, dude, what if that moron sends the other undead evil Akumas after him?

Super Genius: That will be an impossibility. Despite being among the undead evil Akumas, Chandler like Bolhofner is one whom Caleb never ever trusted.

Laney: Because all he ever cared about was himself.

Lana: Just like Dark Chandler, he only cared about himself and tried to find ways to save his smelly butt, but it never works and he always faces the consequences.

Lola: All of Dark Chandler's schemes had backfired in the past because he was too dumb, too full of himself, and too stupid.

Lincoln: And he was never smart at hiding his evil plans, he always ran his big fat mouth off and blurted out his plans to the public.

Laney: His arrogant attitude always led to his downfall, and if his counterpart thinks his dark lord will reward him, he's wrong.

Lori: Literally. There's no doubt Caleb from Super Brother's world will no doubt kill him in cold blood.

?: Either way, that sewage rat won't get away with this. Tomorrow, we'll hunt him down and end him before their plan succeeds.

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long marine blue hair with marine blue flower in her hair, blue eyes, massive blue angel wings, she has The Ice Barrier Frost Masters of Loyalty symbol on her right arm and the pendant on her necklace, The Ice Barrier Crest on her forehead, and Hexa Spirit of The Ice Barrier on her marine blue skirt, marine blue short-sleeved blouse, ice blue sleeveless midriff top with Hexa Spirit of the Ice Barrier on it, marine blue bridal gloves, marine blue stockings, marine blue knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels on the coattails, and on the back is Hexa Spirit of The Ice Barrier, and she has an ice greatsword and with her are the nine girls.

Lincoln: (Gasps) Alba Frostine, Avatar and Gene-Slammer of Hexa Spirit of the Ice Barrier.

Alba Frostine: That's right, and I got the girls away from that pig! I thought we were done with him!

Super Brother: He's actually from my world and whom I'd killed long ago, but my world's Caleb Maxwell who came back as Lord Demonblood, the evil undead Akuma and leader of the other evil undead Akumas, brought them back and turned them into undead evil Akumas whom my team and I have fought against.

Me: But, so far, we are on the right track.

Caleb Maxwell: But, now we got another problem: Lord Sewage Breath, the undead evil Akuma of Chandler from Super Brother's world is planning on resurrecting my counterpart from that world, and we're gonna be in for one final battle with him.

Lincoln: That is unless we stop the resurrection. (To Alba Frostine) And it's so good to see you again, Alba.

Alba Frostine: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Alba Frostine had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Alba Frostine was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Alba Frostine: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Alba Frostine's waist and hugged her, and Alba Frostine was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999, sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head,

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Alba Frostine: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 10,000'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and

really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same true immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Alba Frostine, Avatar and Gene-Slammer of Hexa Spirit of the Ice Barrier, she's Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Hexa Spirit of the Ice Barrier. She's The Ice Spirit Master of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Alba Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Hexa Spirit of the Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Hexa Spirit of the Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and Alba Frostine hated one girl who tried to ruin her life, that girl was Melanie Rodriguez, she was a heartless, soulless, remorseless, brainless bully who did whatever she wanted and bullied anyone who got in her way. Alba used her powers of ice to make Melanie look like an idiot and that exposed Melanie Rodriguez's true colors as the heartless, soulless, remorseless, brainless bully who did whatever she wanted and bullied anyone who got in her way. As a result, she got expelled, and she swore revenge on Alba, but before Melanie Rodriguez could try to get revenge, she was found the next day murdered on the streets, and the person responsible for it was the bloodthirsty Caleb Maxwell.

Caleb Maxwell: Melanie Rodriguez was a heartless, soulless, remorseless, brainless bully and a bitch to the core. She would've tried to take revenge, but her plans were destroyed when I killed her and left her to die on the streets.

Allie Maxwell: Yes, but there's a chance she'll come back from the dead, and try to get revenge on Alba and you for killing her.

Me: So, not even Hell will keep her down.

Eli: Nope.

Nico: Okay, now I really hate to ask how many of your Guardian Angels' old enemies from the New York of the NYPD Nightshift's world had been murdered by Caleb Maxwell, Lincoln.

Lincoln: Even I couldn't keep track, and that world wasn't even mentioned to me for three years until we found out about it last year when Hunter found the shell casing from Caleb's guns.

Hunter: (German Accent) Und even then, I swore to keep that world a secret, but when I found the shell casing from Caleb's guns last year, I knew right then and there, it was time.

Lincoln: The fated reunion between you and your old friend who had died in 1985 in his world and would be resurrected eight years later by my technique, and would turn into the very master of the darkness he was born into, and now that you're here, Alba.

Lincoln with his massive muscular arms still wrapped around Tundra Frostine's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999, sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Alba Frostine: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Alba Frostine with marine blue gems on the gold lightning bolts and marine blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Alba Frostine: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Alba Frostine.

Alba Frostine had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Alba Frostine's waist, and he leaned down to her face and kissed her on the lips, and with Alba Frostine's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Alba Frostine had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Alba Frostine: (In Heaven) My God. Oh, Lincoln, tell the guys to run to their rooms, the twelve girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

Alba Frostine: HOLD...! (Saw us gone) It!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the twelve girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the twelve girls are Miharu Hoshino, Nana Mikami, Riko Ishibashi, Nagisa Aoyama, Riko Okamoto, Mako Sagami, Masami Fuji, Kumiko Okabe, Ayako Sagami, Kaori Asahina, Naomi Tamaru, and Eiko Yoshioka from Yarasete! Teacher Change.

Lincoln: Oh whoa, it's Miharu Hoshino, Nana Mikami, Riko Ishibashi, Nagisa Aoyama, Riko Okamoto, Mako Sagami, Masami Fuji, Kumiko Okabe, Ayako Sagami, Kaori Asahina, Naomi Tamaru, and Eiko Yoshioka from Yarasete! Teacher Change.

Nicole: Uh oh, I think Red and Travis were right to say that, the girls are voluptuous and sexy.

Lincoln: And that makes them easy targets for perverts and serial killers, and that will not happen on my watch. Are you girls okay?

Miharu Hoshino: Yes, we're okay, thanks to you.

Then, when Miharu Hoshino and the other eleven girls saw who it was that saved them from Lord B.O., their faces turned atomic red and their noses gushed out blood upon seeing the 10,000'11" tall, handsome heartthrob hulking wolfman with abnormally massive and powerful upper and lower body muscles covered in warm brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy Miharu Hoshino: Oh my God, you're...Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as

they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9

massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Miharu Hoshino: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Miharu Hoshino, Nana Mikami, Riko Ishibashi, Nagisa Aoyama, Riko Okamoto, Mako Sagami, Masami

Fuji, Kumiko Okabe, Ayako Sagami, Kaori Asahina, Naomi Tamaru, and Eiko Yoshioka with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: And that's another undead evil Akuma down for good.

May: And sent to The Black Abyss.

Super Brother: I'm finally rid of Bolhofner forever.

Me: At first, I thought one Bolhofner was bad enough, now we had to face a counterpart of him?! How disgusting!

Lincoln: Same here. Yuck!

Nico: I swear, my eyes almost popped out of my head seeing a counterpart of that pig! Gross!

Stella Zhau: After everything he'd done, I thought we were done with him on my big day.

Clyde: But, we knew it wouldn't be that easy.

Liam: Nope.

Rusty: But, I am so glad we are finally rid of that monster.

Zack: That's for sure. But, the next bad teacher who shows up to do the same thing Bolhofner has done, sparks are gonna fly!

Me: Damn right.

Nico: Yep. Next bad teacher who shows up to continue where Bolhofner, Killjoy Huggins, and Mr. Shu left off, they are dead.

Here's the second scene

After Lincoln and all of us got rid of Lord B.O., we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Vigintillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Alba Frostine saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Vigintillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Alba Frostine: My God, I was right that Lincoln's really grown into a 10,000'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Alba, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Alba Frostine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Alba Frostine: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Vigintillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large rainbow angel wings underneath my enormous rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

And when Super Brother's harem saw Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

And when Nico's harem saw Nico doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous golden yellow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large yellow angel wings underneath his enormous golden yellow angel wings and he was sweating up a storm, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Suddenly, Sheila and Tom came in.

Sheila: Hey, guys, I just got news from the precinct, The Mayor of Townsville's at it again!

WE GASPED!

Lincoln: Again? Oh no, there's only one person who did that!

Anna Anyanova: The Nighttime Cleaning Staff. Didn't you give her The Black Gates after another Mayor of Townsville incident?

Nico: We did. But, apparently, when Anti-Monitor broke the seals and spells of The Black Gates at the beginning of this year, she also escaped.

Lincoln: I'm also beginning to suspect she also made a deal with Lord Sewage Breath to cause havoc as well.

Super Brother: I couldn't think of anyone else she would ally with.

Sheila: And here's more bad news: we spotted eight girls in the vicinity, we got to save them or that bitch will kill them!

Wilford Wolf: Lanaia and I will go find the girls and end that Nighttime Cleaning Staff, Lincoln, you, your Guardian Angels, and harem go restrain The Mayor.

Lincoln: Got it.

Nebula Lanaia: (Thinking) Since when on Earth is Wilford able to take charge? I get when he changes into his werewolf form, he also becomes filled with self-confidence, but what Lincoln did to him yesterday, I think he's now become a lot bolder as well.

Ed Cowart: I'll go too. I just got word from my informants that Lord Sewage Breath himself is also there too!

Lincoln, his Guardian Angels, and his harem headed out to restrain The Mayor, and Wilford Wolf and Nebula Lanaia Loud headed out to permanently deal with The Nighttime Cleaning Staff and Lord Sewage Breath's minions.

Anna Anyanova: I cannot believe that old hag came back and made The Mayor go nuts again! I hope Lanaia and Wilford kill her and send her butt to The Black Abyss!

Lincoln: Knowing Lanaia, she'll electrocute her until her heart stops. But, what of Wilford, he made quite the impressive display of power and strength when he clobbered Crackhouse Goofy yesterday. Now, we'll see how he does against Lord Sewage Breath and The Nighttime Cleaning Staff.

Then, Lincoln, his Guardian Angels, and harem spotted The Mayor and he was going nuts and he was beating up the citizens of Townsville again!

Mayor of Townsville: (CRAZY BABBLING)

Sabrina Lorelai: This is worse than the other times he went nuts!

Eman Reynolds: That hag's gonna get it along with that sewage breath brat!

Lincoln: We'll let Wilford and Lanaia handle them, we've got to worry about restraining The Mayor.

They landed, and when The Mayor saw them, he tried to punch them, but the water masters fired streams of water and soaked The Mayor, and then, Lincoln and the light masters fired streams of light that hit The Mayor. Suddenly, a black dark mist escaped from him, and it had the face of Lord Sewage Breath, and it was destroyed!

Nicholette Torrington: So, that's how The Mayor went nuts! Lord Sewage Breath did this to him!

Lincoln: Ed Cowart's got something planned for that pile of sewage.

Back in Town Hall, Lord Sewage Breath was laughing malevolently at the chaos The Mayor was unleashing along with The Nighttime Cleaning Staff! But, then...!

DOOR SLAMS!

Wilford Wolf and Nebula Lanaia kicked the doors in, and they and Ed Cowart entered inside!

Ed Cowart: Time to die, assholes! You've instigated chaos in Townsville for the last time!

Lord Sewage Breath: What?! (GROWLS) I was hoping to lure Larry out and...!

Ed Cowart: (SCREAMING AT THE TOP OF HIS LUNGS) IT'S LINCOLN LOUD! GET IT RIGHT, YOU SEWAGE BRAINED BUTT-SUCKING SACK OF SHIT!

We heard his scream from in The World Tree Estate!

Nico: Wow...!

Super Brother: That's telling him.

Wilford Wolf: It's obvious to say that you haven't changed at all, you bitter old woman, you're still causing trouble and made The Mayor go nuts, and you, Lord Sewage Breath, you were reveling in the chaos you've wrought, that is truly unforgiveable.

Without warning, darkness fell on Townsville and the full moon was also out, even though it wasn't even nighttime yet.

Dave Green: That's our cue, guys, it's showtime!

The Rockers got out their instruments, and as they started playing, we heard the music in the air: it's showtime!

BLEACH: REBIRTH OF SOULS OST - THE FINAL GETSUGHA TENSHO PLAYS

The Rockers continued to play as Wilford Wolf went after The Nighttime Cleaning Staff and Lord Sewage Breath, and he fired extremely powerful blasts of deep blue and light blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, moonlight, blue wolf fire, wolves, werewolves, phoenixes, and angels and they exploded with incredible power as they hit them. Then, he slashed at them with his massive greatsword, gold-armored wolf claws and wolf claws, and he was really trashing them with his really excessive and immense godly superhuman strength.

Ed Cowart: Okay, that's it! Now, you're getting the extreme beatdown from me, and by that, I mean this!

Ed Cowart pounced on The Nighttime Cleaning Staff and he started beating the shit out of her, as he started breaking her arms, legs, nose and teeth, then he fired Inferno Hot Sauce and Inferno Nacho

Cheese which is 10 times hotter than the hyper ones and he gave her the wedgie treatment!

Ed Cowart: WEDGIE!

Then, Lanaia and Wilford Wolf fired massive blasts of blue wolf fire and lightning that hit the hag and she was burned to ashes and she was sent to The Black Abyss.

Ed Cowart: Gotcha! (To Lord Sewage Breath) And now for you, Lord Sewage Breath, or should I say, UglyStankbreath McSewagedumbass!

Ed Cowart then turned and gave Lord Sewage Breath A.K.A. UglyStankbreath McSewagedumbass The Supreme Inferno Treatment, and by Supreme Inferno, I mean Ed Cowart fired Supreme Inferno Nacho Cheese and Supreme Inferno Hot Sauce which is 1000 times worse than the Hyper versions, and then, he proceeded to give Lord Sewage Breath The Extreme Beatdown, and lastly, Ed Cowart gave Lord Sewage Breath The Supreme Cleanliness Treatment which was said to be so strong that even the strongest stink would be gone.

Ed Cowart fired massive jets of supremely hot water mixed with supreme rose-scented soap which hits Lord Sewage Breath and it began washing off his horrific body odor, and the water turned black with sludge! Then, Ed Cowart used Supreme Rose-Scented toothpaste, and he proceeded to brush Lord Sewage Breath's rotten teeth and he even got rid of Lord Sewage Breath's rotten breath and it left his mouth smelling clean, and the only scent he'll ever have is roses.

Lord Sewage Breath: (SCREAMS) MY BEAUTIFUL FILTH! IT'S GONE! I'M CLEAN! GROSS!

Ed Cowart: Hah! If you ask me, at least, now you don't smell like a Vigintillion unwashed butts! Now, for something real painful!

Ed Cowart forced Lord Sewage Breath's mouth to stay open, and then, he got out a cocktail drink and forced it down Lord Sewage Breath's throat, and then, he closed his mouth.

Nebula Lanaia: What did you force him to drink?

Ed Cowart: You'll soon see.

Suddenly, Lord Sewage Breath started coughing violently and he started having convulsions galore, and he also started belching out tons of blood!

Lord Sewage Breath: (COUGHING VIOLENTLY) What on Earth was that drink?!

Ed Cowart: Oh, it's nothing much. (Smirks Sadistically) It's just a lethal cocktail of snake venom from The Inland Taipan also known as the Fierce Snake, The Tiger Snake, The Coastal Taipan, and The Eastern Brown Snake from Australia, The Black Mamba and Boomslang of Africa, The Mozambique Spitting Cobra, The King Cobra in Malaysia, and The Saw-Scaled Viper.

Lincoln, his Guardian Angels, and his harem gasped as soon as they came in with The Mayor and saw what was now happening! Then, Lord Sewage Breath opened up a portal that led to Manhattan, New York.

Lord Sewage Breath: (Still Suffering) This isn't over! I'll make you all pay for what you did to me, just as soon as Lord Demonblood is back!

Lord Sewage Breath fled as the portal closed.

Nebula Lanaia: Yeah, well, tell your lord that the second we see him, he's dead!

Lincoln: The rest of the team's gonna want to hear about what you did to Lord Sewage Breath, Ed.

They headed out, and they went to a nearby grotto.

Nebula Lanaia: You guys go on ahead, we've got to see about the girls.

Lincoln, his Guardian Angels, and his harem along with Ed Cowart went back inside The World Tree Estate, leaving Wilford Wolf and

Allie Reynolds: W-who are you?

Wilford Wolf: I'm the guy who saved you from those monsters. It's okay, you can open your eyes now, you're safe.

Then, when The Elemental Angels of Royal Woods' Justice opened their eyes and saw who it was that saved them from Lord Sewage Breath and The Nighttime Cleaning Staff, their faces turned atomic red and their noses gushed out blood upon seeing the 10,000'11" tall, handsome heartthrob hulking werewolf hunk with abnormally massive and powerful upper and lower body muscles covered in blue fur, blue fur covering his massive pecs, hands, and twelve-pack abs, sturdy light blue muzzle with dark pink wolf nose and dark beard stubble on his jawline and thick silver goatee on his chin, long flowing silver hair going down to the upper part of his back with deep blue highlights in the bangs with deep blue phoenix fire ombre streaks on the back, large blue wolf ears on top of his head and large gold halo with embedded deep blue moon-shaped gems and a ring of hands made of gold around it with deep blue gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun with four gold wolf heads: two on the left and right and two on top and the bottom in the center behind his head and second smaller halo with intricate designs and The Sun and The Moon in it and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with a wolf howling at The Sun and Moon surrounded by images of gods and beasts from Chinese and Japanese myth on the reflective side and on the back of the large mirror is The Black Tortoise of The North, The Vermillion Bird of The South, The Azure Dragon of The East, and The White Tiger of The West accompanied by The Qilin, The

Allie Reynolds: Wilford, Thank God you saved us. That monster tried to kill us, and...!

Suddenly, Wilford Wolf placed his hands on her shoulders and calmed her.

Wilford Wolf: We saw it, but we drove him out. And Lanaia told me about you all, and it's a pleasure to meet you.

Wilford Wolf went up to Allie Reynolds, Rochelle Adams, Laura Andrews, Alara Daniels, Danielle Stevens, Nadine Kendrick, Lucia Hikari, and Ravenna Ondrushko and he hugged each of them in his abnormally massive and powerful muscular arms, and he leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they placed their hands on his massive pecs, and he leaned down to their right trapezius and he slowly bit them and he fed on their blood, and his deep blue and light blue, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, moonlight, blue wolf fire, wolves, werewolves, phoenixes, and angels flared up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous blue angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large blue angel wings underneath his enormous blue angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold flame ring-shaped frame around it with embedded deep blue gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold flame ring-shaped frames around them with embedded deep blue gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the light blue flame patterns and rings on his obliques and sides and the light blue flame patterns on his forearms, the light blue tips and light blue markings and light blue flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long silver wolf tails and light blue sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them.

Allie Reynolds: (Seductive Voice and rubs Wilford Wolf's massive pecs) You too, big, tall, muscular, and handsome.

And with a confident smirk, Wilford Wolf proceeded to do the bodybuilding poses Lincoln used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose. That made their noses literally gush out blood like a fountain, and they swarmed around him and they felt every last hard muscle in his body, and Wilford Wolf let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Allie Reynolds, Rochelle Adams, Laura Andrews, Alara Daniels, Danielle Stevens, Nadine Kendrick, Lucia Hikari, and Ravenna Ondrushko: (Swooning) So manly...! And so nice and hard.

Then, Wilford Wolf flexed even harder as his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and they felt them for themselves and the atomic red blush on their faces became even more hotter and more intense.

Rochelle Adams: And they're also throbbing with such raw power, it feels like I'm touching white hot liquid fire and raw power, so hot and so manly.

They couldn't help themselves as they continued rubbing his body.

Wilford Wolf: (GROWLS) RRGH! (WOLF ROAR)(Seductive Beastly

Gruff Manlier Voice)(Smirks) Like what you see, ladies?

Allie Reynolds, Rochelle Adams, Laura Andrews, Alara Daniels, Danielle Stevens, Nadine Kendrick, Lucia Hikari, and Ravenna Ondrushko could only nod.

Alara Daniels: (Thinking) And he also lets out such a manly wolf roar too? Wilford was a hunk in his werewolf form in Animaniacs, but now...! Now, he's even more of a manlier hunk, he's now a God.

Nebula Lanaia: Figures you eight would go nuts. Alright, I think it's time we head back.

But, then, Lanaia Loud was suddenly stopped by Wilford Wolf who appeared right in front of her.

Wilford Wolf: Not quite yet. There is something I want to talk about with you personally, Lanaia.

This caught Nebula Lanaia off guard as Allie Reynolds, Rochelle Adams, Laura Andrews, Alara Daniels, Danielle Stevens, Nadine Kendrick, Lucia Hikari, and Ravenna Ondrushko head on up to The World Tree Estate.

Nebula Lanaia: Uh..., what is it that you want to...?

Wilford Wolf: The truth is I've had feelings for you, do you remember the day you came to Burbank and helped us out when Sebastian went on the attack?

Nebula Lanaia suddenly gasped, and the memory flashed through her head.

Nebula Lanaia: That was nine years ago back then when he was that monstrous psychopath, and I'd saved you from that psycho when he tried to kill you, that was when you were in your werewolf form on the night of a full moon and I drove that psycho out, and that was when I found out about your true geeky wolf form, and that...!

Suddenly, Wilford Wolf slowly wrapped his right arm around Nebula Lanaia with his right hand on her right shoulder, and he also slowly wrapped his left arm around her until she was in an embrace with her head close to his massive hairy pecs and she heard his pounding heart, and that alone caused her to blush profusely.

Nebula Lanaia: (Thinking) Oh my God, he not only still remembers that day we met, but because of it, he developed feelings for me? And I also developed feelings for him too! Oh man, and I wanted to help him become a permanent hunky werewolf, but I was so busy not only with college, but also in defending Lincoln from that immortal draconic nightmare, his enemies, and my own sisters who were turned into heartless bitches because of that immortal draconic nightmare!

Finally, Wilford Wolf leaned his head down slowly to Nebula Lanaia's face, and he slowly kissed her on the lips with smoldering passion, and this caused Nebula Lanaia's eyes to go wide open and her hair to rise up and fall down from the shock of it. But, then, she slowly closed her eyes and she then returned the kiss with smoldering passion as she placed her hands on Wilford Wolf's massive pecs, and without any warning, he pinned her to the floor with him on top of her and still holding her as he continued kissing her with smoldering passion, and then, he leaned his head down to her right trapezius, and he slowly bit her and he fed on her blood, and his deep blue and light blue, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, moonlight, blue wolf fire, wolves, werewolves, phoenixes, and angels flared up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous blue angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999, sets of large blue angel wings underneath his enormous blue angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold flame ring-shaped frame around it with embedded deep blue gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold flame ring-shaped frames around them with embedded deep blue gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the light blue flame patterns and rings on his obliques and sides and the light blue flame patterns on his forearms, the light blue tips and light blue markings and light blue flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long silver wolf tails and light blue sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from her right trapezius as it healed and the puncture marks sealed up, and he also kissed where he bit her.

Nebula Lanaia: (In Heaven) Guess this...seals the deal.

Wilford Wolf: (Confident Smirk) Yes. Now, you are my future wife, Lanaia Loud.

Then, he picked her up bridal style and came back inside, but we saw the whole thing and The Loud Siblings' jaws dropped to the floor same with the rest of the family!

CLANG!

LINCOLN CLOSED THEIR JAWS AND HIS OWN!

Lori: I literally didn't even expect that to occur!

Lola: Lanaia's action in saving Wilford from Sebastian, the dark psychopath from nine years ago had led to the blossoming of love, and Lincoln's act of turning Wilford had caused him to act on that and confess his feelings for her.

Luna: Guess this means we'll be related to three characters from Animaniacs.

Me: Looks like it.

Nico: But, still, I hadn't expected that confession to lead to a smoldering makeout between Wilford Wolf and Lanaia.

Lynn Sr.:

Kopaka, Articuno, Arisia, Rachel Stavenport, Oceanus Shenron, Nuova Shenron, Universe 666 Eis Shenron, Twilight Sparkle, Comet Stardust, Daylight Savings, Stellar Sparkle, Harmony Sparkle, Twilight Sparkle (G5), Cosmic Nebula Sparkle, Starshine Sparkle, Magic Skylanders, Cut Man and Junk Man VS Moonstone, Opposite Senshi, Insect Queen, Soupy Man, Jack the Zipper, Minions of Set, Asteroid Monster and Meteor - Nico's rescue was Jeri's Baby Shower and rescuing Young Izzy and battling Vademon on the planet Liliraunearaiya

---

Moonstone was first.

Moonstone: (to Kopaka) Nico's rescue was Jeri's Baby Shower and rescuing Young Izzy. He battled Vademon on the planet Liliraunearaiya

Kopaka: He sure did and you should have seen the party. Jeri was the happiest we ever have seen her.

Moonstone: WOW! After everything she went through, she earned it big time despite her age.

Kopaka: Yep. We had a lot of fun on that. After that was the rescue and you should have seen what happened. We found Izzy doing all kinds of stupid things because of Vademon. He was contorting himself into all the letters of the Alphabet and doing all kinds of stupid stuff.

Moonstone: YIKES! That couldn't have felt good for him.

Kopaka: It wasn't.

Articuno: Yeah that was crazy! Also Vademon put up a REALLY INTENSE fight that was out of this world! We had to use techniques based on other planets to beat him.

Arisia: It was really cool!

Twilight Sparkle: We all thought it was amazing to see.

Comet Stardust: It sure was. But in the end Vademon took the cowards way out!

Daylight Savings: He detonated a MASSIVE Rhydonium bomb that packed enough power to destroy the entire planet 10 times!

THEY GASPED IN SHOCK!

Moonstone: THAT'S INSANE! Wait? What's rhydonium?

Daylight Savings: It's a very highly unstable Starship Fuel that is INTENSELY volatile and highly explosive. Anakin said it's used to power the starships in the planets that Anakin and the Jedi know.

Stellar Sparkle: It packs as much explosive power as over 500 million tons of Nitroglycerin.

Moonstone: HOLY CRUD! That is dangerous stuff! And he blew himself up and tried to take you guys and the entire planet with him!? What a coward!

Harmony Sparkle: I know! That was intense! We had to hightail it out of there after Lincoln absorbed the souls and history of the planet.

Twilight Sparkle (G5): I agree there and it was a close call.

Cosmic Nebula Sparkle: Yeah no kidding! We got out of there just in time.

Starshine Sparkle: That was intense.

Spyro: Yeah it sure was!

Moonstone: Wow! You guys really had an intense rescue! Lets do this!

Kopaka summoned his Keyblade called The Ice of Mata Nui. They fired waves of ice and magic and smashed them down.

Morpheus, Corviknight, Giganta, Melissa Edinborough, Rilliona, the Magistus of Verre, Chaos Emperor Dragon - Envoy of the End, Noelle Silva, Sunset Shimmer, Firestorm Shimmer, Sunset Shimmer (G5), Pipsqueak, Chalcanthite Aurora, Fire Skylanders,Harley Quinn VS Kalin, Superfriends Giganta, Sid the Squid, Jellyfishnoid, Gillmarda, Vexxa, Bulldozer Org and Constructicon Devastator - The Anothers were the gene-slammers of Spirit of Flames and Megarock Dragon

Kalin was next.

Kalin: (to Morpheus) The Anothers were the gene-slammers of Spirit of Flames and Megarock Dragon. Nico, Lodestar's team, Magnetron's team, and the others did good battling them.

Morpheus: They sure did. It was really cool.

Corviknight: Also we met the gene-slammers of Alcremie. They were 10 types of them. Their names were Selene, Olivia, Lenni, Lime, Brenda, Vella, Greta, Ruby, Rhonda and Hayley and they are masters of great desserts and sweets. Laney was drooling uncontrollably at the mention of their desserts.

Giganta: She sure was and it was awesome. Also we met Winona W. Williams A.K.A. Waveburner of the Tidal Fangs.

Sunset Shimmer: She is half Blue Shark and she is amazing too. She has fire and ice powers.

Firestorm Shimmer: I agree there.

Sunset Shimmer (G5): That was so awesome too.

Pipsqueak: (British Accent) I agree there on that and it was cool!

Chalcanthite Aurora: (British Accent) No kidding.

Sunburn: Yeah that was so cool.

Kalin: It sure was. Lets do this!

Morpheus used his Keyblade called The Blue Flames of the Crow. They fired waves of energy and fire and blue fire and smashed them down.

Emerald Sustrai, Diancie, Flashwing, Dew Gayl, Spy Rise, Chuck, Bomb, Rainbow Dash, Storm Hawk, Comet Thunder, Sprite Thunder, Nimbus Comet, Rainbow Dash (G5), Thunder Rainbow Zoom, Scootaloo, Air Skylanders, Barbossa and Long John Silver (Treasure Planet) VS Private H.I.V.E, Knighty Knight, Penguin, Universe 666 Dave/Dr. Octavius Brine, Kaitouki, Chourikiki, Monster Army Warrior 4 and Ghost of Colonel Beauregard (Scooby Doo) - Lincoln's rescue at Gotham Royal York Arena

---

Private HIVE was next.

Private HIVE: (to Emerald) I heard Lincoln's rescue was at Gotham Royal York Arena. How was it?

Emerald: You wouldn't believe what it was for. We went there to battle Lord B.O., the evil undead Akuma of Bolhofner from Super Brother's world, he's just like Bolhofner from our world and universe, he doesn't shave, doesn't shower, doesn't brush his teeth, and doesn't do his laundry, and he also smells like he hadn't bathed in forever and he has a nasty B.O. aura of stink and sewage. He was created after Bolhofner from Super Brother's world was slain by Super Brother himself after he was caught trying to kill a classroom full of kids, and Bolhofner from Super Brother's world after his death was resurrected by Lord Demonblood. He's also among the least trusted of the undead evil Akumas because he's an absolute asshole who hates being told what to do!

Private HIVE: SWEET UNCLE SAM! Man that jerk deserves to be court martialed!

Diancie: And then some!

Flashwing: Yeah that jerk had it coming! Especially for everything he did to Lincoln and J.D.

Rainbow Dash: I agree there on that! What a monster!

Storm Hawk: No kidding there! And his breath smelled like he came out of a toxic waste dump!

Comet Thunder: That jerk had it coming!

Sprite Thunder: I agree there on that!

Rainbow Dash (G5): No kidding! But that rescue with Lincoln was awesome!

Thunder Rainbow Zoom: I agree there on that.

Scootaloo: Yeah!

Whirlwind: Bolhofner is dead now.

Private HIVE: Good. Permission to start the battle!

Emerald: Granted!

Emerald used her Keyblade called The Illusion of Remnant. They fired waves of energy, lightning, wind, rainbows, storms, tornadoes, rain and weather and smashed them down.

The Case of The Haunted Fire Engine

Jabberjaw and The Mascots and The Case of the Haunted Fire Engine

WORK IN PROGRESS

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a moonlit, frozen necropolis where the ancient undead walk in stillness and silence beneath blood-red skies, and protected by a race of powerful omnipotent Jiangshi angels, noble and powerful vampire-zombies who are the descendants of the Jiangshi of Chinese myth known for their immense strength and martial perfection, channel and control chi, death, and divine spirit, manipulate chi energy, absorb life force, leap mountains in a single bound, phase through matter, control cold winds, and paralyze enemies with a single gaze, the males who'd spent their lives fighting proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters born for strength and war, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of chi channel and control, death, and divine spirit, manipulate chi energy, absorb life force, leap mountains in a single bound, phase through matter, control cold winds, and paralyze enemies with a single gaze, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Jiangshiaira, a moonlit, frozen necropolis where the ancient undead walk in stillness and silence beneath blood-red skies, and protected by a race of powerful omnipotent Jiangshi angels called The Jiangshiairans, noble and powerful vampire-zombies who are the descendants of the Jiangshi of Chinese myth known for their immense strength and martial perfection, channel and control chi, death, and divine spirit, manipulate chi energy, absorb life force, leap mountains in a single bound, phase through matter, control cold winds, and paralyze enemies with a single gaze, the males who'd spent their lives fighting proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters born for strength and war, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of chi channel and control, death, and divine spirit, chi energy, life force absorption, leap mountains in a single bound, phase through matter, control cold winds, and paralyze enemies with a single gaze, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

Lincoln: I haven't been back to Jiangshiaira in eight years, and that place was really intense.

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Jiangshiaira.

Lincoln landed on Planet Jiangshiaira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: I'm back on Planet Jiangshiaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as intense as ever.

?: (Strong Manly Voice) (Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw an extremely strong-looking male Jiangshi who's really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a crimson red sun and moon on his chest, long black hair going down to his shoulders, crimson red eyes, massive black angel wings, and he has on a crimson red loincloth, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Jianhong Jiangshiaira, King of The Jiangshiairans of Planet Jiangshiaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?

Lincoln: I do, he's the father of my Guardian Angel, Xuefang Jiangshiaira, Queen of the Jiangshairans of Planet Jiangshiaira, and I know she's right...here!

Suddenly, Lincoln turned around and saw a beautiful female Jiangshi who was tall at 690'11" in height, she has the body of a goddess and large breasts, long black hair, glowing talismans, ghostly crimson red robes, and crimson nails of power, ghostly blue eyes, and enormous midnight black angel wings.

Lincoln: (Smirks) I knew that was you, Xuefang Jiangshiaira, Queen of the Jiangshairans of Planet Jiangshiaira.

Xuefang Jiangshiaira: Why, I wonder what gave me away?

Then, all of the other Googol of Vigintillions of male Jiangshiairans came to Lincoln.

Jianhong Jiangshiaira: That's correct, and this was something Xuefang wanted to do. (Smiles) And just as we saw, you've indeed grown that much stronger and much taller, you're now taller than me, and you're also even more buffer and muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln: Yes, that's indeed correct, sir, and there's something I need to tell you.

Jianhong Jiangshiaira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Jianhong Jiangshiaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Jianhong Jiangshiaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Jianhong Jiangshiaira and the other Googol of Vigintillions of male Jiangshiairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of chi channel and control, death, and divine spirit, chi energy, life force absorption, leap mountains in a single bound, phase through matter, control cold winds, and paralyze enemies with a single gaze, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and

sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller

halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH! (WOLF ROAR)

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura and blue cosmic energy aura was raging like a really massive wildfire and he has a crimson red aura with spirits and darkness surrounding him and overflowing with such infinite primal power and ferocity as he pounded his chest like a gorilla.

Lincoln: Whoa...! (GROWLS) This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Jianhong Jiangshiaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many

occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Xuefang Jiangshiaira: But, before he absorbs our planet, the temple cities of Jiangshiaira, its cold-burning core, and its crimson death sun into his body, it's been two years since we last had an intimate moment.

Suddenly, Xuefang Jiangshiaira went up to Lincoln and she placed her hands on his massive hairy pecs and he sat on the ground and they kissed with a smoldering intensity and he wrapped his arms around her waist and he deepened the kiss even more as she coiled her serpentine lower body around his waist: they were engaging in a smoldering intense make-out session as they kissed deeply and passionately, and Xuefang Jiangshiaira also kissed Lincoln on the right trapezius, neck, twelve-pack abs, and massive pecs, and when she slowly removed her lips and licked the love marks, they glowed with smoldering heat and fire and Lincoln was also glowing as his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails were wagging.

Lincoln: (GROWLS)(Smirks) It's been a while since you last left your lipstick marks and bite marks on me. Now, it's my turn.

Suddenly, Lincoln wrapped his massive muscular arms around Xuefang Jiangshiaira's waist and pinned her to the ground with her legs around his waist and he leaned his head down to her face and kissed her again on the lips with intense passion which she returned as she still had her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Xuefang Jiangshiaira with crimson red gems on the gold lightning bolts and crimson red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

He then helped her up and he kept her close to his body as she took the time to rub his massive muscles and massive hairy pecs.

Suddenly, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura and holy white aura and blue cosmic energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body

muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9

massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Suddenly, Lincoln's deep sapphire eyes turned neon glowing deep sapphire blue along with the visible veins on his upper and lower body, and then...!

Lincoln: (GROWLS)(WOLF ROAR)

RIPS!

The sudden surge of power caused Lincoln's white shorts and loincloth to tear to shreds leaving him in the nude, but it led to Xuefang Jiangshiaira looking at Lincoln whose neon glowing deep sapphire eyes were now full of a smoldering desire and lust to have sex with her as it led to an intense smoldering lovemaking fest which ended many hours later with Lincoln letting out a loud roar of dominance, and Xuefang Jiangshiaira sleeping and feeling pleasured.

Xuefang Jiangshiaira: (In Heaven) What...a...primal...virile, and manly beast you've become.

Lincoln's white and gold trimmed shorts reappeared and his orange loincloth reappeared around his waist and he beamed Xuefang Jiangshiaira to his room and he flew deeper and deeper into the planet, and he found the cold-burning core of Jiangshiaira, the inner and outer core of the planet consisted primarily of iron and nickel and are extremely infernally hot with a temperature at more than 1,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Jiangshiaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself along with the temple cities of Jiangshiaira into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH! (WOLF ROAR)

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Jiangshiaira's massive crimson death sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more, and Xuefang felt it: Lincoln's become The Reincarnation of The Sacred Flame in a world of frozen silence.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming) (GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks) (Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last

muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln, his harem, and his kids got up, brushed their teeth and showered, and got dressed.

I snuck in with the mascots and got up to Nico in his bed.

I stuck my butt in his face.

Me: (Whispers) Fire in the hole.

MASSIVELY LOUD FART!

Nico woke up and coughed and gagged as I had farted in his face!

Nico: (COUGHS) VERY FUNNY!

Me: Morning Nico! Time to wake up.

Nico: Some alarm clock!

Me: Lets get breakfast going.

Nico: Sure thing. But J.D. would you send for Jabberjaw please?

Me: Certainly.

I went to get him.

Later, Jabberjaw came into Nico's room

Nico: Ah, Jabberjaw. Welcome

Jabberjaw: You wanted to see me Nico. Nyuck nyuck nyuck nyuck nyuck.

Nico: Since today is our day off, I got a job for you later

Jabberjaw: Which is?

Nico: I need you to babysit the mascots later

Jabberjaw: What for?

Nico: (sighs) The first reason is because Lincoln, Laney, Luna, Luan, Lily, and Lisa suggested it.

Jabberjaw: Woo woo woo woo! You can count on me Nico! I'll be the best Babysitting shark you ever saw! Nyuck nyuck nyuck nyuck.

Nico: Love that attitude!

Jabberjaw: But what's the second reason?

Nico: Also because they wanted you to hang out with them because you are essentially a mascot yourself. If Mevya can be a mascot as a fish, you can too.

Jabberjaw: Woo woo woo! That is a good reason.

Nico: Yep.

Nico went and got ready.

We had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: I'm afraid this was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Jiangshiaira, a moonlit, frozen necropolis where the ancient undead walk in stillness and silence beneath blood-red skies, and protected by a race of powerful omnipotent Jiangshi angels called The Jiangshiairans, noble and powerful vampire-zombies who are the descendants of the Jiangshi of Chinese myth known for their immense strength and martial perfection, channel and control chi, death, and divine spirit, manipulate chi energy, absorb life force, leap mountains in a single bound, phase through matter, control cold winds, and paralyze enemies with a single gaze, the males who'd spent their lives fighting proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters born for strength and war, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of chi channel and control, death, and divine spirit, chi energy, life force absorption, leap mountains in a single bound, phase through matter, control cold winds, and paralyze enemies with a single gaze, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

He finished and returned the book to Lincoln's room.

Me: Whoa! A planet based on The Hopping Vampires of Chinese

Folklore?! That's awesome!

Nico: You said it. I heard many legends about Jiangshiaira, and no Saiyan warrior would ever head there, and I heard about the prophecy the Jiangshiairans spoke about: a boy born with unshakable spirit who would preserve Jiangshiaira's frozen soul forever by absorbing the Googol of Vigintillions of the male Jiangshiairans, the temple cities of Jiangshiaira, its cold-burning core, and its crimson death sun into his body preserving their legacy forever, and transforming into the one foretold in the prophecy: The Reincarnation of The Sacred Flame in a world of frozen silence. (Realizes it) Wait just a second, the boy matching the one mentioned in the prophecy...!

Lincoln: Is me. Yes, I am that very boy the Jiangshiairans mentioned in their ancient prophecy, and I did just that last night.

Nico: Incredible.

Then, we saw Xuefang Jiangshiaira enter and she sat with Lincoln.

Me: Whoa, and who's the female Jiangshi?

Anna Anyanova: This is Xuefang Jiangshiaira, Queen of the Jiangshairans of Planet Jiangshiaira, she's Lincoln's Guardian Angel from Planet Jiangshiaira, a moonlit, frozen necropolis where the ancient undead walk in stillness and silence beneath blood-red skies. She's The Queen of The Jiangshairans, a race of noble and powerful vampire-zombies who channel chi, death, and divine spirit into martial perfection. With her glowing talismans, ghostly robes, and crimson nails of power, Xuefang moved with a chilling grace: her steps bound by ritual, her soul driven by will. She could manipulate chi energy, absorb life force, leap mountains in a single bound, phase through matter, control cold winds, and paralyze enemies with a single gaze. Her forehead bore the sacred talisman of the Ancients, and her wings vast, feathered and edged with icy jade shimmered with frozen divine power, along with having immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of her people multiplied infinitely. When the Infernairans came to conquer her world, they were met with a wall of silence and cold. She alone held the gates of the Spirit Vault, fighting for a thousand years without rest, until their corruption was sealed. But her duty had only begun as she found out from an ancient prophecy that foretold of a light from another world: a boy born with unshakable spirit who would preserve the frozen soul of Jiangshiaira forever, and that light was Lincoln Loud. Arriving in Royal Woods, Xuefang Jiangshiaira revealed herself to Lincoln beneath the lantern-lit night. With solemn honor, she swore an oath of eternal protection, pledging her ghostly strength to his cause. She taught Lincoln the Sacred Arts of the Jiangshairans, the ritual steps of Spirit Leaping, the chi seals of body and mind, how to control deathly wind and spiritual pressure, and the power to absorb life energy and reflect it as divine force. Lincoln's immortality and invincibility resonated with hers, amplifying his mastery over spirit energy, divine motion, and cold deathly silence. He became a Silent Dragon, moving without sound, striking with unstoppable force. She also recognized him as the True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid, and found herself silently enchanted by his noble soul and radiant strength. Her usually icy expression softened whenever she saw his wagging tails and returned affection. Together, they forged a blessed talisman-staff of jade and obsidian infused with ancient scripture and her spiritual essence. Lincoln absorbed the Googol of Vigintillions of her fellow male Jiangshiairans, the temple cities of Jiangshiaira, its cold-burning core, and its crimson death sun, preserving their legacy forever, and he became the one foretold in the prophecy: The Reincarnation of The Sacred Flame in a world of frozen silence. In return, she kissed him softly under the falling spirit-lanterns, marking his chest with her chi seal and promised to one day become his bride alongside the other Queens, when he came of age. As for Lincoln's enemies… she sees them as an affront to spiritual balance and she vowed to seal their essence in an eternal freezing talisman, trapping them forever in a jade coffin, drifting alone in the Spirit Vaults of Jiangshiaira, where not even echoes reach.

WE GASPED!

Me: Oh man!

Nico: I heard about the legends of Xuefang Jiangshiaira, and she's one deadly martial artist and she has the Sacred Arts of her people.

(To Lincoln) About the chi seal she marked you with on your chest, can we see it?

Suddenly, the chi seal appeared on the rainbow sun and moon on Lincoln's chest: a crimson red and black Chinese Zodiac circle with the Yin-Yang symbol in the center and the Zi Rat, Chou Ox, Yin Tiger, Mao Rabbit, Chen Dragon, Si Snake, Wu Horse, Wei Sheep, Shen Monkey, You Rooster, Xu Dog and Hai Pig around the circle.

Me: Wow, so that's the...!

Lincoln: The chi seal she marked my chest with, and where she promised to one day become my bride along with the other Queens and my harem when I came of age.

Xuefang Jiangshiaira: That is correct, and all that hard training I'd put you through really sharpened you into the very warrior you've become and even going to my planet also helped greatly, Lincoln, and we also had known Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever, and last night, after he fed on my blood and marked me, he gained Jiangshiaira's Blessing of Dark Frozen Ice Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 10,000'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel

wings and
999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9

massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Xuefang Jiangshiaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well, not to mention you were quite the wild untamed beast last night.

Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell: Get a room, you two!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and
999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9
sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made

out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was ShogunGekomon, he's woken up and he's on a rampage!

Nico: What the?! (GROWLS) ShogunGekomon!

Me: Looks like he's woken up and he's on the rampage. Where's he at?

Lincoln: He's on the planet of Sirentaira, a hauntingly beautiful oceanic world where the waters shimmer like glass, the skies echo with forgotten melodies, and the seas are ruled by song, sorrow, and seduction.

Maria: A planet based on the legends of The Sirens in Greek Myth, and the very beings Luna got her powers from.

Luna: That's so awesome. Uh oh, but that means we'll be meeting her again.

Me and Nico: Who is...?

But, then, Wilford Wolf covered our mouths with his hands.

Wilford Wolf: I think it's best we'd find out for ourselves, right?

Lincoln: (Smirks) Right.

Then, Wilford Wolf uncovered our mouths, but we had embarrassed red blushes and nervous smiles on our faces.

Me: We almost wound up asking about her, but we hadn't arrived on the planet yet.

Nico: We did. That was embarrassing.

Lincoln: That's okay. Now, then, let's finish breakfast and head for Sirentaira.

Me: And take down ShogunGekomon.

Nico: This is gonna be one awesome ocean battle.

Caleb Maxwell: Not for me, Allie, Tyler, and Alexander, we can't even fight underwater!

Cage Blunt: Not to mention, you're not a good swimmer.

Travis Tackett: You almost drowned in the lake in Central Park when you ran from us in August 1985, we got you out of the lake, but you were coughing and throwing up water like crazy. Cage had to perform Cardiopulmonary Resuscitation on you, but you were still unwell, so you had to go to the hospital. It was there they also found you had a bullet in your right arm.

Allie Maxwell: No wonder you had to stay in the hospital for three weeks! Figures Drake shot you in the right arm, and after you were released from the hospital, you swore up and down all over the place spewing hatred and threats of death at Drake.

Caleb Maxwell: Thank God Mom covered your ears so you wouldn't hear me when I get like that. Either way, ShogunGekomon's finished, I'm gonna tear him apart.

Braeden Carnes: ShogunGekomon will feel my WRATH!

Braeden Carnes was pissed: ShogunGekomon's in huge trouble.

We finished breakfast and we headed to Sirentaira to help Henry Wong unlock his Rainbow Power and take down ShogunGekomon.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14281.3: The U.S.S. Valorous Phoenix is en route to the planet Sirentaira and our mission is to rescue Young Mimi there and battle ShogunGekomon.

Lillymon: I hope I can get through to Mimi. When she was like this she was a snob and I did not like that.

Camie: Oh boy.

Lola: Worse than me?

Lillymon: Worse than you.

Lola: Oh boy.

Me: Uh oh.

Nico: Peppino, I want to thank you, Lord Pizzazure, and your teams for coming

Peppino: (Italian Accent) Not a problem-a Nico. This-a will be so fun.

Me: It sure ill.

Lola: Yeah!

Derpy Hooves: We're really excited for this!

Lincoln was holding Derpy's hand to make sure she doesn't crash into stuff.

Ymir: How come Derpy is always crashing into stuff?

Me: She can't help it. She has an eye condition that affects her coordination. She always is crashing into stuff.

Derpy Hooves: It's part of me. But Linky is always helping me.

Me: Yep.

Catherine Rossi: I'm ready for anything that comes our way.

Me: Me too.

Nico: Catherine, are you eager to kill your sister?

Catherine Rossi: You bet I am! That monster has been an absolute stain of evil on my family Now I'm ready to avenge my family's honor and kill Lila Rossi or Cerise Blanca. Whatever her name is! She is an absolute monster that needs to be destroyed forever.

Marinette: Me and the Cutie Mark Crusaders will be ready for her.

Nico: But she might have an army of Akuma villains

Me: But we'll be ready for them. Now that we are purified and rid of Dark Orbs, there's nothing holding us back

Nico: Yep.

Catherine Rossi: That is for sure.

Lola: Even all of Paris is going to go into war against her.

Camie: They sure are. You saw how fully loaded Marinette's mother was when we saw her a while back.

Lola: Yeah she is REALLY armed and ready for war.

Nico: Although, two of them might attack us ahead of schedule

Me: Well nothing we can't handle.

Qin: Yep.

Lola: Yeah.

Me: Wow! Yesterday was intense!

Lana: I'll say!

Varie: No kidding! Von Talon is dead.

Lewa: Kitty must've upgraded that power.

Qin: Yeah. Her kiss was instantaneous.

Sam Manson: Normally if the boys are gone for 12 hours they are erased from existence forever. But this was instantaneous.

Camie: Nice!

Lola: Good riddance.

Lana: Yeah!

Danny: I forgot Kitty could do that

Me: That was cool though.

Lola: It sure was.

Sam Manson: Me, Mrs. Fenton and Jazz didn't forget when we fought her the last time like that. Long story.

Nico: Wow!

Me: That was intense

Nico: I guess in this case, that's the same as the Black Abyss

Me: Yep,.

Qii: Cool.

Varie: Yep.

Poromon: Too bad we couldn't eat him.

Me: We wouldn't want to anyway because of how rotten to the core he was

Nico: Yeah.

Poromon: Good point.

Me: That was still fun.

Qin: Yep. And Lewa's Akuma was a living thunderstorm!

Camie: No kidding! That was amazing.

Lewa: Deadly too.

Horsea: It was shocking!

Me: Literally.

Qin: No kidding.

Me: That makes number 4 of the Toa who had their missions.

Qin: Yep.

Nico: I hope tomorrow is number 5.

Qin: Me too.

Lola: Yeah.

Lisa Loud: We have arrived at our destination!

Nico: On screen.

We saw that we were at a green planet.

Me: So that's planet Sirentaira.

We arrived on Sirentaira, and it was everything Lincoln said and his rainbow energy aura exploded as he grew stronger, same with all of us.

Me: Wow, so this is Sirentaira, it's so beautiful.

Nico: The planet of the Sirentairans, descendants of the Sirens, I remembered the legends of this place.

Lincoln: This place hasn't changed one bit, it's still as awesome as ever.

Lincoln 2: (Through the Rainbow Thunderbird and animals on

Lincoln's forehead) I've heard of the stories of Sirentaira, and The Infernairans made the mistake invading the planet.

Lincoln: And because of it, they were killed.

Me: Yeah.

Horsea looked around.

Horsea: It's beautiful.

Maria: I bet Mimi is in that castle there.

Me: Lets get a move on.

Horsea hopped into Maria's arms.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking male who was really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with an aqua blue sun and moon on his chest, he has long aqua blue hair going down to his shoulders, blue eyes, massive aqua blue angel wings, he has on an aqua blue loincloth, and no sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Leander Sirentaira, King of The Sirentairans of Planet Sirentaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Lyrielle Sirentaira, Queen of the Sirentairans of Planet Sirentaira, I've also been to Sirentaira eight years ago as well.

Then, all of the other Googol of Vigintillions of male Sirentairans came to Lincoln.

Leander Sirentaira: (Strong Manly Voice) That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're now taller than me, and you're also even more buffer and muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man they and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Leander Sirentaira chuckled.

?: (Female Voice) Oh wow, Linky, you're here!

Suddenly, we saw a girl who was tall at 690'11" in height, she has the body of a goddess and large breasts, tanned skin, long aqua blue hair with light blue streaks, an aqua blue flower in her hair, aqua blue eyes, she was each dressed in an aqua blue two-piece bikini, massive aqua blue angel wings, and she has a water greatsword in her right hand.

Lincoln: (GASPS) Lyrielle Sirentaira, Queen of the Sirentairans of Planet Sirentaira.

Me: You know her, Lincoln?

Lincoln: Indeed I do, J.D.

Anna Anyanova: And so do we, this is Lyrielle Sirentaira, Queen of the Sirentairans of Planet Sirentaira, she's Lincoln's Guardian Angel from Planet Sirentaira, a hauntingly beautiful oceanic world in the Forbidden Zone, where the waters shimmer like glass, the skies echo with forgotten melodies, and the seas are ruled by song, sorrow, and seduction. She's The Queen of the Sirentairans, a race of celestial sirens whose voices can bend the will of gods, command the tides, and shatter even the firmament of reality. Lyrielle Sirentaira was born with a voice so powerful it was said to have silenced a star. With flowing aquamarine hair, glowing pearl-like eyes, and wings made of translucent sapphire feathers, she embodied divine grace and breathtaking beauty. Her powers included complete control over sound, music, emotion, water, and illusion. Her voice could heal, destroy, summon storms, open portals, and even pull memories from the souls of others, along with omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people multiplied infinitely. When the Infernairans tried to enslave the sirens of Sirentaira, Lyrielle Sirentaira sang a Lament of Collapse, a melody so mournful and devastating that it drowned their armies in sorrow and waves, and like many of the Forbidden Queens, she received a vision: of a powerful being born on a distant world, who would echo her voice and carry her people's legacy beyond the stars, and that being was Lincoln Loud. Lyrielle Sirentaira found him in Royal Woods, humming a forgotten tune only the sirens knew, and she knew fate had brought them together. As his Guardian Angel, she taught him the Siren's Voice: how to weaponize sound, bend emotions with song, summon water from nothing, and control the rhythm of life and death. She awakened in him a deeper musical and mystical potential, enhancing his already godly gifts, and unlocking his divine resonance, a force that made his voice capable of moving planets. Lyrielle Sirentaira also knew Lincoln's a True Alpha Male Werewolfairan-Vampirairan-Cyborg Hybrid, and like the others, she found herself deeply drawn to him, and Lincoln's inner harmony resonated perfectly with her, and more than once, they shared passionate kisses, harmonizing heartbeats and soul frequencies. His tails wagged wildly in her presence, and her melodies grew gentler, more loving filled with longing and joy. To honor their bond, Lincoln forged her a harpblade, an elegant fusion of sword and harp, which sings with every swing. In return, she gifted him with The Echo Pearl, containing the voice of her people and the soul of her planet. He absorbed the Googol of Vigintillions of her fellow male Sirentairans, the oceans of Sirentaira, its crystalline core, the Songspire of Queens, and the Heart Moon of Melody ensuring their legacy would live on in his divine being. Lyrielle Sirentaira kissed him once more under the Moon of Harmony, her angel wings surrounding them like a lullaby, and swore that when Lincoln came of age, she would become his bride and forever songmate. As for Lincoln's enemies…, she sees them as noise without meaning, and she promised to drown them in a Sea of Silence, cursed never to hear or be heard again, trapped in eternal dissonance.

Lincoln: And there's something I need to tell you.

Leander Sirentaira: I know. You had the vision, it's time.

Lincoln: Yes, it is.

Suddenly, Leander Sirentaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Leander Sirentaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Leander Sirentaira and the other Googol of Vigintillions of male Sirentairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of sound, music, emotion, water, and illusion, and the immense omnipotent powers of the fairies times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and

the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura and blue cosmic energy aura was raging like a really massive wildfire and he has an aqua blue aura with water surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed and volcanoes erupting on his massive biceps and the image of cannons firing and volcanoes erupting formed on his massive pecs.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Landon Liliraunearaiya: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels.

Nico: That's for certain, and the girls in his harem wind up getting driven wild and wind up getting aroused even more from every single act of manliness Lincoln displays.

Me: And all that's left is for him to absorb your planet and its core along with its Sun into his body, and wait, you also included immense virility and fertility as well? That means...!

Lyrielle Sirentaira: We knew Lincoln's the infinite-times virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with the doctor, he did show us all of what you just told us.

Nico: Wow...!

Lyrielle Sirentaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything Laiaya told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last we saw you.

Suddenly, Lincoln pinned Lyrielle Sirentaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense smoldering passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from their right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Lyrielle Sirentaira with aqua blue gems on the gold lightning bolts and aqua blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

He then helped her up and he kept her close to his body as she took the time to rub his massive muscles and massive hairy pecs.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura, immense rainbow protective aura with all the elements, immense holy white aura, and blue cosmic energy aura with starlight and constellations exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails and rainbow sun and moon tattoo

on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more.

Lyrielle Sirentaira: That's my special gift to him: Sirentaira's Blessing of Divine Melodious Siren Water Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 10,000'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolfman with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and he brought her closer to his body even more and she really felt how much stronger he really is.

Lyrielle Sirentaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Sirentairans both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

Lincoln: That'll be for much later.

Poromon: You think Mimi is mad with power by now?

Me: We'll find out.

We were off to the castle.

We flew and went in.

Me: Hello?

Nico: Anyone home?

Gekomon and Otamamon came.

Gekomon: Nico, everyone! Are we glad to see you!

Otamamon: You look awesome!

Nico: Good to see you guys again.

Poromon: Is Mimi here?

Me: We're on a mission to find her.

Lillymon: Yeah.

?: Someone call?

We saw Mimi and she was dressed in an amazing royal outfit.

Me: Mimi?

Rarity: Oh my goodness! You look positively radiant in that outfit darling.

Young Mimi: Oh why thank you very much.

Young T.K.: Mimi! Thank goodness we found you.

Young Tai: We were really worried.

Nico: You okay?

Young Mimi: I sure am and great now that you all are here.

Me: Mimi in all honesty I don't think you would be cut out for a princess and we have someone that can help you.

Lillymon: Mimi this isn't you. You are my partner and we have gotten through a lot together. Please come back to us.

Poliwag got on Lillymon's head and he did the puppy eyes.

Poliwag: Pwetty pwease?

Poromon, Manaphy, and Horsea did puppy eyes too

Young Mimi then felt something touch her nerves and then she started tearing up. Then she bursted into tears and was crying hard.

Young Mimi: (CRYING) OH GUYS! I'm so sorry! I was going to show you that being a princess is not that bad! But it's worse than you think!

Me: Mimi it's okay. With great power comes great responsibility.

Xenia: Yeah.

Lillymon pat her back.

Lillymon: You're back to us now Mimi. That's all that matters.

She hugged the mascots!

Young Mimi: Oh thank you guys so much for helping me!

Poromon: It was our pleasure.

Gekomon: Mimi went through a lot didn't she?

Me: She and her friends were separated long ago. Tai and Agumon came back a while ago.

Young Kari: It's true. Long story on that.

Young Mimi: Oh wow Tai is that your sister?

Young Tai: That's right.

Young Kari: Good to see you again Mimi.

Young Mimi: You too.

Gatomon got out a plate in front of Mevya and did puppy eyes to him

KRABLANG!

Mevya bashed her on the head with a mallet!

Gatomon was flat as a pancake.

Mevya: Nice try stinky!

Gatomon: WHY YOU LITTLE!

Gatomon chased after him.

Gatomon: But I did the puppy eyes!

Mevya: Doesn't work on me!

LOUD FART!

He farted in Gatomon's face and she coughed and gagged!

Gatomon: Get in my tummy!

Young Mimi was laughing hysterically!

Gatomon got out a frying pan and bashed at him!

She missed every time!

But Then...

BLANG BLANG BLANG!

She bashed me on the butt, back and on the head!

Me: OW! HEY! Watch it!

Gatomon: Sorry!

Mevya blew a raspberry at her

Gatomon chased after Mevya.

BONK BONK BONK BONK BONK BONK BONK BONK BONK BONK!

I got bashed by NUMEROUS COCONUTS BY GATOMON! She was firing a coconut gun!

BONK BONK BONK BONK BONK BONK BONK BONK BONK BONK BONK BONK BONK!

I got bashed big time!

Patrick: DAHAHAHA! THAT GUY GOT HIT BY A LOT OF COCONUTS!

BIRDS CHIRPING

Me: (Dazed and stupid) Mommy look at all the pretty birds.

Kari and Kevin grabbed Gatomon and Mevya.

I got back to my senses.

Me: OW! PATRICK! That guy was me!

Patrick: Sorry.

Mevya blew another raspberry.

Me: Okay guys that's enough.

Nico: Feel better Mimi?

Young Mimi: I sure am.

?: That's good.

A red shark girl came and she had red pants and shoes.

Reggie Columbus: The Name's Reggie Columbus A.K.A. Riptide Rex. I'm the berserker warrior of the Tidal Fangs.

Me: WHOA! You're half Megalodon!

Reggie Columbus: That's right. I use my rampages to smash our enemies into dust.

Jillian Scott: She does a REALLY GOOD JOB of smashing them like that too.

Me: Wow!

Reggie Columbus: I have the strength of a million men in me.

Me: WOW! You are strong.

Poromon: She sure is.

Reggie Columbus: You might think of me as a female version of Juggernaut who is also one of my heroes that lead me to become a member of the Tidal Fangs.

Me: That is cool you look up to Cain Marko A.K.A. Juggernaut.

Reggie Columbus: That's right.

Nico: What were you doing when you got slammed?

Reggie Columbus: I was smashing through many of Paradigm's men.

She was plowing through numerous piranha soldiers. They fired bullets at her but they couldn't even pierce her armored skin!

She smashed them all down with ease! She then injected herself with Megalodon DNA and turned into RIPTIDE REX!

She smashed into more of them and they fired lasers but the lasers couldn't blast her down.

FLASHBACK ENDS

Me: WHOA! You are REALLY STRONG!

Reggie Columbus: Go ahead punch me in my stomach.

I did so!

KRABLANG!

I punched her hard and then my bones in my hand and arm got smashed all over and some bones stuck out of my skin!

Me: OW! HOLY SHIT! You are tough!

Nico: Good thing you can heal!

Me: Yep.

BONES CRUNCHING!

I healed my arm and my bones popped back into place.

Me: Ahh. Would you like to change back? You can change at will?

Reggie Columbus: I would like that.

Me: Okay.

I put on my blind man glasses.

Lincoln: EYES TO YOURSELVES PERVERTS!

Nicole: Aw Lincoln I was gonna say that!

Lincoln: Sorry Nicole! (LAUGHS)

Me: Here we go.

I snapped my fingers and she doubled over in pain and reverted back. She had red and black hair, red eyes, and had a Megalodon Shark on her forehead and had a charging bull on her arm with the Tidal Fangs symbol on it.

We wrapped her in a blanket and her pants and shoes fell off.

Reggie Columbus: (Groans) That hurt,

Camie: But your clothes fell off.

She tried pulling them back up. But her clothes fell off.

XYLOPHONE FALL DOWN.

Me: They are not going to fit.

Young Mimi: Um what is the Tidal Fangs?

Jillian Scott: Oh we are a resistance group that I made to combat against the mad scientist Dr. Luther Paradigm. We are shark gene-slammers that slammed ourselves on purpose to face him.

Young Mimi: Oh I see.

Nico: Yep.

Rarity: Reggie lets get you some new clothes darling.

The Fashion Brigade gave her new red and black clothes and a deadly warhammer.

Reggie Columbus: Wow I look great! (SCREAMS)

We saw red and black wings sprout from her.

Reggie Columbus: Why does my back feel so heavy?

Me: Your wings came in.

She saw that she had black and red wings!

Reggie Columbus: Wow! I have my own wings!

Me: Yep. Now we got a job to do here.

Lincoln: Okay, guys, we're in for one intense battle, we're here on the planet of Sirentaira to help Henry Wong unlock his Rainbow Power and take down ShogunGekomon.

Suddenly, Wilford Wolf's deep blue and light blue, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, moonlight, blue wolf fire, wolves, werewolves, phoenixes, and angels and immense rainbow protective aura with all of the elements swirling around him and immense holy white aura and blue cosmic energy aura with starlight and constellations flared up extremely, as he grew even stronger. Nico: That noisy toad's gonna regret showing his face here.

Lincoln: And I'll use a song to really give that toad a taste of his own medicine, and I sing better than someone like ShogunGekomon.

Yusei heard a Pokemon cry.

So did Wednesday Addams.

Yusei: Hey look guys.

Wednesday Addam: I see something too.

We saw 3 Murkrow!

3 Murkrow: (IN ACAPELLA) MURKROW! MURKROW! MURKROW!

All: MURKROW!

Me: Wow 3 Murkrow!

Ash: Hey it's the 3 Murkrow we met on our way to Olivine City!

Me: That was cool they sang in Acapella.

Murkrow 1: Yep we like doing that. Good to see you again Ash. And you too Misty and Brock.

Misty: Same here.

Murkrow 2: And it's not just us

We saw a Piplup too.

Me: A Piplup too!

Dawn: Looks like my Piplup is gonna have a playmate.

Me: Ash that is cool that you met this group of Murkrow before.

Ash: It sure is. They were mischief makers when we met them.

Poromon: As long as you don't give me expired lottery tickets, we'll be fine.

3 Murkrow: (Confused) Huh?

Me: Poromon has a bad history with a Murkrow that gave him a bad lotto ticket that expired and he got into a Peter Griffin VS Ernie the Giant Chicken style fight that caused a lot of damage.

Murkrow 2: Oh man! That's bad.

Yusei: It was.

Piplup 2: That is bad.

Wednesday Addams: It was.

They gave the Pokemon apples and they ate them.

Murkrow 3: Ahh thank you.

Wednesday Addams: Would you 3 like to come with me?

Yusei: And would you like to come with me?

They nodded in agreement.

Yusei: Awesome!

Wednesday Addams: Cool.

Piplup 2: You won't regret it.

Me: Awesome.

But then...

THUNDERCLAP!

In came a mini tornado!

Followed by a mini hurricane!

Then a rumble was felt and out came a MINI VOLCANO!

Then a swirl of hearts appeared.

Out of them came the 4 Forces of Nature, Tornadus, Thundurus, Landorus, and Enamorus!

WE GASPED!

Me: WHOA! Tornadus, Thundurus, Landorus, and Enamorus!

Nico: WHOA! What an entrance!

Me: Yeah!

Nico: Where did they come from?

Me: Must be Dark Gale's work!

Sheena: It is! These are the Calamity sisters!

WE GASPED!

Me: OH WOW! I remember them! 20 years ago I witnessed an EXTREMELY Rare event happen when I was over in Hawaii many years ago. It was back when I was three. They were born on a very rare weather event. They were born on a VERY RARE AND UNUSUAL Trifecta of natural disasters that happened all on the same day in Hawaii. A tornado spawned, a Hurricane formed, a volcano erupted and light of Aphrodite's love came and shined down on them.

EVERYONE GASPED!

Me: Yep. The Tornadus is Tornado Jane Calamity, The Thundurus is Hurricane Hayley Calamity, the Landorus is Volcano Varya Calamity and the Enamorus is Aphrodite Aylene Calamity.

Nico: WHOA! That is cool!

Me: It is. An event like that happens once every 500 years.

May: That is incredible!

Qin: WOW!

Nico: Good to know.

Poromon: WOW! I've never seen an event like that.

Lola: Me neither!

Kanai Humuhumunukunukuapuaa: Oh wow! I've read about that event! It is a powerful story and an ancient prophecy that my ancestors told me all about. Centuries ago when they first came to the Hawaiian Islands. It's the coming of a powerful prophecy of good luck. Once every 500 years, the Gods of Hawaii will send a mighty Storm that will bring a Devastating Tornado from the god Tāwhirimātea, A Ravaging Hurricane from the god Lono, A Fiery Volcanic Eruption from the goddess Pelee and they will vanish with the light of the Sun from Kāne. 4 beautiful girls born on that day will be bestowed upon the powers of the mighty gods of those weather powers themselves and save the lands of the world from doom.

Me: That is amazing!

Nico: I didn't know about that Kanai!

Poromon: Me neither!

Poliwag: Yeah!

Me: That is incredible! Lets go help them out then.

Kanai Humuhumunukunukuapuaa: Lets do it.

We went over to them.

Me: It's okay girls.

Kanai Humuhumunukunukuapuaa: The spirits of Hawaii sent you to help the islands. Remember?

Tornadus fired a mini tornado at Horsea but she put her clone in front of her

The clone spun around and got super dizzy!

Thundurus fired a super powerful blast of lightning and it hit Nico and REALLY ELECTROCUTED HIM!

Nico:...ow.

Me: GEEZ!

Landorus fired a massive blast of lava and I absorbed it and got a massive supercharge!

Me: WHOA! Lava packs as much power as fire!

Enamorus fired love blasts and we absorbed it and got a supercharge from that too!

Me: WHOA HOLY CRAP!

Qin: Amazing!

Lily: Let me help. (PLAYS UKELELE)

Lily was singing Somewhere Over The Rainbow by Israel "IZ" Kamakawiwo'ole.

Lily: (SINGING DIVINELY AS HAWAIIAN WATER AND RAINBOWS SWIRLED AROUND HER)

Somewhere over the rainbow

Way up high

And the dreams that you dream of

Once in a lullaby, oh

Somewhere over the rainbow

Bluebirds fly

And the dreams that you dream of

Dreams really do come true-ooh-ooh

Someday I'll wish upon a star

Wake up where the clouds are far behind me

Where trouble melts like lemon drops

High above the chimney tops that's where

You'll find me, oh

Somewhere over the rainbow

Bluebirds fly

And the dream that you dare to

Oh why, oh why can't I? I

Someday I'll wish upon a star

Wake up where the clouds are far behind me

Where trouble melts like lemon drops

High above the chimney top that's where you'll find me

Oh, somewhere over the rainbow way up high

And the dream that you dare to

Why, oh why can't I? I

Ooh-ah-ah-eh-ah

Lilo, Kanai and Hunter's friend Kanaloa hula danced as she sang. They calmed down and I snapped my fingers and they reverted back.

Tornado Jane Calamity was a girl with green hair and green eyes and had green angel wings and had Tornadus on her forehead and had a Tornado with Hawaii on her arm as a cutie mark.

Hurricane Hayley Calamity was a girl with blue hair and blue eyes, blue angel wings and had Thundurus on her forehead and had a hurricane with Hawaii on her arm as a cutie mark.

Volcano Varya Calamity had red hair, red eyes, fire angel wings and had Landorus on her forehead and had a volcano and Hawaii on her arm as a cutie mark.

Aphrodite Aylene Calamity had pink hair and pink eyes and pink angel wings and had Enamorus on her forehead and had a sun with a heart and Hawaii on her arm as a cutie mark.

They also all were very voluptuous and had large breasts.

We wrapped them in blankets and brought them all over to a sofa.

Me: WOW! Nice job Lily!

Lily: Thank you.

They woke up to see Horsea's smiling face

Tornado Jane Calamity: (Groans) What? What happened?

Hurricane Hayley Calamity: A Horsea? You are cute.

Horsea: You girls attacked my clone!

Maria picked her up.

Volcano Varya Calamity: Sorry about that. But wait was it our imaginations or did we hear someone sing Somewhere Over the Rainbow by IZ?

Aphrodite Aylene Calamity: Yeah.

Lily: That was me. I sang it. It's one of my favorites.

Ymir: IZ?

Me: It was sung by Israel "IZ" Kamakawiwo'ole. He was a treasure over in Hawaii and he made a popular version of it.

Ymir: Oh wow!

Me: Yep. And it's great to see you girls again.

Aphrodite Aylene Calamity: Same to you J.D. Wow! You grew into an amazing young man.

Me: I know. Lots of things have happened to me and all of us. Also you 4 were turned into the legendary Forces of Nature, Tornadus, Thundurus, Landorus and Enamorus by Dark Gale.

Volcano Varya Calamity: Oh man! We were over in the Seychelles bringing new fortune and life to the lands.

Hurricane Hayley Calamity: I'm glad you helped us.

Me: No kidding. I met the Calamity sisters in my school years ago. They moved to Colorado and we became great friends.

Nico: That is cool!

Tornado Jane Calamity: It sure is cool. We went out to see the world after you moved to Michigan J.D.

Me: I know. But we're back together.

Nico: Don't forget that I'm leader.

Hurricane Hayley Calamity: I heard about that.

Rarity: Lets get you some new clothes darlings.

The fashion brigade gave them new matching clothes.

Tornado Jane's were green, Hurricane Hayley's were aqua blue, Volcano Varya's were orange and Aphrodite Aylene's were pink and they got weapons of the elements.

Volcano Varya: We look amazing.

Hurricane Hayley: We sure do.

Me: Yep.

Rei Miyamoto: You girls all have big breasts!? THAT'S NOT FAIR!

Aphrodite Aylene: We are just that beautiful.

We took off to get after ShogunGekomon to send him off to Hell.

We were flying in the air, and we found ShogunGekomon.

Lincoln: Alright, let's get this battle started.

Suddenly, The Heart Moon of Harmony started glowing even more with intense silver light, and the symbol of The Wolf Moon appeared in the sky, and Lincoln was surrounded by a blue wolf moon aura with wolves, werewolves, sirens, silver moonlight, water, and music notes.

Lincoln: (Singing Divinely) A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light

Sings at the coming dawn

Birds in flight are calling there

Where the heart moves the stones

It's there that my heart is calling

All for, for the love of you

A painting hangs on an ivy wall

Nestled in the emerald moss

The eyes declare a truce of trust

And then it draws me far away

Where deep in the desert twilight

Sand melts in pools of the sky

When darkness lays her crimson cloak

Your lamps will call me home

And so it's there my homage's due

Clutched by the still of the night

And now I feel you move

And every breath, breath is full

So it's there my homage's due

Clutched by the still of the night

Even the distance feels so near

All for, for the love of you

A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light

Sings at the coming dawn

Birds in flight are calling there

Where the heart moves the stones

It's there that my heart is longing for

All for, for the love of you

Lincoln, Wilford Wolf, me, Zarya, Nico, and all the wolves, and werewolves of TLPS and The MOE let out wolf howls and the mermaids and sirens of both teams sang divinely and we fired barrages of blue wolf fire, water, and music notes at ShogunGekomon, and they exploded as they hit him and he got hit hard!

Wilford Wolf went after ShogunGekomon, and he fired extremely powerful blasts of deep blue and light blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, moonlight, blue wolf fire, wolves, werewolves, phoenixes, and angels and they exploded with incredible power as they hit him. Then, he slashed at him with his massive greatsword, gold-armored wolf claws and wolf claws, and he really trashed him with his really excessive and immense godly superhuman strength.

Me: Still awesome as ever.

Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell approached ShogunGekomon.

Caleb Maxwell: If you think we're gonna let you run wild and do whatever the Hell you want on this planet, then you've got nothing but oatmeal for a brain!

Tyler Maxwell: We're taking you down and we're gonna make sure you get sent to Hell for good!

Alexander Maxwell: Your fellow buddies, DemiDevimon, Vademon, Vegiemon, and Digitamamon, already paid the price for crossing us and pissing us off, so yeah, we killed them!

Allie Maxwell: And you're next, you putrid sack of lard! And we know you're also among the Digimon villains who's taking part of the resurrection of Caleb Maxwell from Super Brother's world and you're out to kill us before we could stop the resurrection!

Caleb Maxwell: And now, we're gonna make sure we get rid of you for good. (Grabs ShogunGekomon by the throat) And by coming here after us, you just sealed your fate. Now, you can either surrender quickly, or so help me, (Demonic Voice) I will pull your stupid hair through your eyes and use them as reigns to ride your digital butt back to the darkest pits of The Underworld from whence you came!

ShogunGekomon freaked out big time because of Caleb's demonic anger, but he was shocked when he found out we killed DemiDevimon, Vegiemon, Vademon, and Digitamamon, and that pissed him off. Then, in a desperate bid to get free before Caleb choked him to death, he elbowed Caleb hard in the face, and that caused his nostrils to spurt out blood, and that really pissed him off.

Tyler Maxwell: Caleb! THAT DOES IT, YOU FREAK!

Alexander Maxwell: NO ONE HURTS OUR ELDER BROTHER AND GETS AWAY WITH IT!

Allie Maxwell: Hurting my brother like that in the same way he'd gotten so many injuries from the shitheads of LaGuardia High School back in the 1980s in our world and you think you can get away with it! We're gonna fuck you up!

ShogunGekomon: I will tear you four weaklings apart limb from limb, and then, I'm gonna kill every last member of your family and friends, and then, I'm gonna rip your hearts out and eat them and spit on your remains!

WE GASPED IN HORROR, AND THAT REALLY PISSED CALEB, TYLER, ALEXANDER, AND ALLIE MAXWELL OFF!

Me and Nico: OH GOD! NOW, YOU'VE DONE IT!

Lincoln: You seriously pissed those four off big time, and they have the worst kinds of tempers that are so destructive and so horrific, they wind up getting completely out of control and they lose their minds and go completely psycho.

Me: UH OH! NOT AGAIN! THEY'RE GONNA BLOW!

FINALLY...!

Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell: (LETS OUT A MASSIVE SCREAM OF PURE ANGER AND RAGE AND THEY FINALLY WENT INSANE)

THOSE FOUR LET OUT A MASSIVE SCREAM OF PURE ANGER AND RAGE AND THEY FINALLY WENT INSANE, AND THEY WENT AT SHOGUNGEKOMON AND CALEB MAXWELL AND TYLER MAXWELL KICKED HIM REAL HARD IN THE LEGS AND THIGHS, AND ALEXANDER MAXWELL BIT HIM ON THE ARM AND TORE OFF SOME FLESH AND STARTED EATING IT! ALLIE MAXWELL GOT OUT HER GUNS AND SHE SHOT AT HIM! THEN, SHE KICKED HIM HARD IN THE GROIN!

KRACKOW! WRESTLING BELL DING!

THEY WERE SCREAMING AND SHREKING LIKE DEMONS WITH PURE RAGE AS THEY BEGAN TO SLASH AT HIM WITH THEIR GREATSWORDS, MASSIVE SPEAR, AND KNIVES AND THEY BASHED SHOGUNGEKOMON ALL OVER THE PLACE AND WE LOOKED ON WITH PURE HORROR AND TERROR! THEN, THE SIBLINGS ROSE UP INTO THE AIR, AND THEY THEN SMASHED THE STONE COLUMNS DOWN ON SHOGUNGEKOMON, AND IT DIDN'T END THERE, THEY CONTINUED UPROOTING AND SMASHING STONE COLUMNS DOWN ON SHOGUNGEKOMON AS MORE STONE COLUMS APPEAR! WE EVEN DUCKED OUR HEADS DOWN WHEN WE SAW BLOOD FLYING OVER OUR HEADS!

Me: OH MY GOD! THIS IS GETTING REAL NASTY!

Lynn: OR MY RAGE ATTACKS! THOSE GUYS ARE REAL ANIMALS WHEN THEY GET ANGRY!

Lola: If they keep this up, they're gonna kill him and take the fun out of it!

CALEB, TYLER, ALEXANDER, AND ALLIE MAXWELL CONTINUED SMASHING SHOGUNGEKOMON ALL OVER THE PLACE IN A MASSIVE FIGHT CLOUD AND THEY WERE STILL SCREECHING AND SHRIEKING LIKE DEMONS FROM HELL!

Then, when it was all over, ShogunGekomon was an absolute mess: Caleb Maxwell slashed off his tentacles, Tyler Maxwell and Alexander Maxwell broke his arms with bones protruding, and Allie Maxwell also gouged out his eyes and even ripped out his tongue!

WE WERE ABSOLUTELY SHOCKED AT THE SHEER CRUELTY AND BRUTALITY OF THOSE FOUR SIBLINGS!

Lincoln: Sheesh, any more of that, and I'll have to tie you four up with a straitjacket. Now, to tear this jerk apart.

Poromon: (To Caleb Maxwell, Allie Maxwell, Tyler Maxwell, and Alexander Maxwell) There's no point in talking sense to the four of you violent blockheaded nutcases anymore. You four deserve every bit of our insane antics when this is over, you're gonna regret ever making us sick with your violence and darkness!

Marlene Maxwell: Was that a threat?! How dare you threaten my kids with using your insane antics to make them pay! (CRACKS KNUCKLES)

Allie Maxwell: Oh God...! Mom's pissed now!

Marlene Maxwell: Throwing up because of how violent my kids can be is one thing, but threatening them with using your insane antics to make them pay and saying you'd make them regret ever making you sick with their violence and darkness, that's going too fucking far! I'm going to show you little shrimps and pipsqueaks absolute Hell on Earth for what you said! I wasn't able to save Caleb's heart and soul back in the 1980s, but I won't fail him a second time!

Caleb Maxwell: Mom, you can deal with them later. Right now, let's kill that toad!

Eli: What on Earth was that?!

Captain Whitten: That, Eli, was the sound of The Gates of Hell reopening. We already told you that Marlene Maxwell was the toughest and strongest girl in Manhattan, and she doesn't take crap from any dumbasses who think they can do whatever they want to innocent people, and the same is said if she ever finds out anyone tries to hurt her own kids.

Jack Howard: As the years passed since she got married, we thought she mellowed out and she'd become a devoted housewife devoted to her kids and husband. That part was true, but when this whole Syndicate nightmare began in 1979 when Caleb was twelve, the part of her that made her the toughest and strongest girl in Manhattan was starting to awaken once more. But, Caleb found a way to keep it from coming out by trying to cover up those times he got hurt because of Drake, but to no avail.

Roxy Drake: As soon as she saw blood, that side of hers got out once again, and Caleb knew he'd just unleashed the beast, and when Caleb was murdered in 1985, that beast went on a rampage! Marlene fell into a depression and she beat up and clobbered many members of Dad's gang, and she even cracked the skulls of some of her ex-husband's and ex-younger son's men as well, and she made Allie cry, and she was still ten. Marlene suddenly saw it, and she broke down and cried as she held Allie and she not only apologized to her, but she also apologized to Caleb realizing she was dishonoring his memory.

Casey Antonio: After that, she continued being there for Allie, she wasn't able to save Caleb from the darkness that cost him everything: his life, his future, his friends, and his morals of justice, but she had to still be there for Allie and help her grow into the young woman that she is today.

Lincoln: While Allie Maxwell, the younger sister rose to greatness to become the person that she is in her world's New York, her elder brother, Caleb Maxwell, once a shining star would fall into darkness because of the evil of Marcus Maxwell's relatives and would be killed by Drake Maxwell only to rise from the dead eight years later forever scarred by the darkness of the past and out for revenge.

James Blunt: As you said, nothing good comes from revenge, but to Caleb, he didn't care, and I saw it for myself. I didn't blame him for it, his life and his future was ruined, everything he once loved was snatched away from him by his ex-younger brother and those who made his life Hell, and he was left with that very desire to kill those responsible for his pain and suffering.

Suddenly, Lincoln let out a growl as his deep sapphire blue eyes glowed and his pupils turned into slits and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Suddenly, Lincoln was surrounded by an immense orange and yellow aura with flames surrounding her and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use the fire elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 夏の炎と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へと送り届けよ！ 祝福された者たちの魂よ、蘇り、強大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！ 我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へと送り届けよ！ (Translation: I call upon the flames of Summer and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send him to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and flames formed behind Lincoln and formed into red wolves with glowing yellow and orange markings on their paws that look like flames and they ran at ShogunGekomon and attacked him with fierce fury.

Then, I held out my left hand and fired 999 massive balls of fire at ShogunGekomon, and they collided and exploded as they hit him, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, I formed a massive blue fireball in my left hand and I threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

When we are all different

But one and the same

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

Then, he formed a massively huge ball of stellar fire.

Lincoln: STELLAR SUPERNOVA DEATHBALL!

Lincoln fired the ball and it slammed into ShogunGekomon and exploded with incredibly unbelievable power!

Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Sirentaira's massive Heart Moon of Melody in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9

RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

We came back home to Gotham Royal York, and then, we went to the gym at Lynn's Table.

Lincoln: That was so incredible! (Flexes his massive arms and his massive biceps bulged even more with the visible veins bulging out even more and were throbbing with raw power and white hot liquid fire coursing through his body)(GROWLS) RRGH!

The noses of Lincoln's harem literally gushed out blood like a

fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

We laughed!

Luna: I can't even keep count of the many times that's happened to Lincoln! He also came home with his nose gushing out blood like a fountain along with getting covered in kisses and his tails wagging.

Nico: That's happened before? That must've been some intense make-out sessions Lincoln's had.

May: Just like ours, and it always ends with him engaging in one intense session of lovemaking and sex!

WHOOSH! CLANG!

Lynn almost whacked her in the head with a baseball bat.

Lynn: I thought I warned you not to say that!

May: YIPE!

Nico: Maybe you shouldn't say that out loud especially in front of Lynn who's the most physically aggressive of Lincoln's sisters.

Lincoln: Lynn, put the bat down, otherwise, you're gonna have problems with Caleb again.

Lynn did so.

Poromon: Speaking of which...!

We turned towards Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell.

Caleb Maxwell: Guys, why are you looking at us like that?

Lincoln: Need we remind you of your little freakout beatdown on ShogunGekomon on Sirentaira?

Poromon: Your little freakout beatdown on ShogunGekomon caused us to lose our breakfast! We thought you'd earn your lesson, but clearly not! Now, you're gonna pay!

Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell tried to run, but got cornered!

Poliwag: Aha! We got you now!

THE MASCOTS CRACKED THEIR KNUCKLES! Then, they started after Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell, but then, Caleb spotted some sliced onions.

Caleb Maxwell: Careful, pipsqueaks! (Holds the onion slices) I got a weapon! HYAH!

Caleb Maxwell threw the onion slices like shurikens at The Mascots and they hit them in the eyes!

Mascots: AGH! (REMOVES THE ONION SLICES FROM THEIR EYES) RAW ONIONS!

THE MASCOTS CRIED JETS OF TEARS AND THREW THE ONION SLICES!

Poromon: That does it, you psychos! (Grabs a hamburger patty) See this?

Caleb Maxwell: A hamburger patty from Uncle Christiano's restaurant? What are you gonna do, eat it?

Poromon: Oh! We're not going to eat it!

Suddenly, The Mascots morphed into their human form and stretched the patty out and they put it on their right foot!

Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell: No! Not patty socks!

Then, they stretched out another patty and put it on their left foot.

Poromon: (Smug smirk) That's right, suckers! Your uncle's precious patties on my stinky feet!

Caleb Maxwell: You better stop that!

Poliwag: (LAUGHS) What are you whining about, bitch? If you got a problem with that, why don't you do something about it?

They hopped up and down with the patty socks, and that was really pissing off Caleb Maxwell!

Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell: (GROWLS AND GETTING ANGRY) YOU STOP THAT RIGHT NOW!

SPONGEBOB SQUAREPANTS MUSIC: TENSION BITS 97B PLAYS

Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell started turning red, and then...!

Mascots: Hopping...!

SPONGEBOB SQUAREPANTS MUSIC: SPONGEMONGER PLAYS

KABOOM!

Mascots: CLAMS!

Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell exploded and sent the Mascots flying out of Lynn's Table and right into a dumpster! FOGHORN SOUNDS!

They got out, but we're covered in muck and scum!

Manaphy: OH! GROSS! WE'RE COVERED IN MUCK AND SCUM!

Caleb Maxwell: Here! Why don't we clean you up!

Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell got their guns and loaded them with soap bars and scalding hot water!

Mevya: (Terrified) No! Not soap! You wouldn't dare!

Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell: Try us!

Then, Poromon lifted up the dumpster!

Poromon: Stay back! I'll do it!

Allie Maxwell: Too late, dirty bird!

Then, Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell fired blasts of bubbles and hot water at The Mascots, and Poromon threw the dumpster at them, but the streams of hot water and bubbles hit The Mascots, as Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell laughed at them, only for the dumpster to fall on them!

The Mascots were squeaky clean!

Poromon: The muck and scum, it's gone, we're squeaky clean!

Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell came out, but were covered in muck and scum!

Caleb Maxwell: AGH! LOOK WHAT YOU DID! We're covered in muck and scum!

Tyler Maxwell: Damn it! And we just took a shower this morning!

Alexander Maxwell: I can't believe this, and look, our clothes are also covered in muck and scum!

Allie Maxwell: Damn you, you little pipsqueaks! You're gonna pay for this! We're telling Uncle Christiano and the rest of our relatives about this!

Manaphy: Ah, go ahead, we ain't afraid of them nor are we afraid of you, you boneheaded, blood-crazed, wild, out-of-control filthy animals!

TRAIN WHISTLE BLOWS!

That pissed off Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell who were about to attack, but Maria entombed them in hot water and soap, and it went through a spin cycle and tossed them out as they were soaking wet, and the dirty water was thrown at the jerks. Then, we went back into the gym at Lynn's Table.

Lincoln: That was even worse than when Lola and Lana engaged in that clean vs. dirty war years ago, but at least, we stopped it. (Sensed The Anothers) Ah, and the Anothers are coming.

Eli: (Sensed them) Lincoln's right, the Anothers are coming.

We had all of TLPS and The M.O.E. with us.

Lincoln: Ah, we're here in Manhattan, New York, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're also going to kill La Squadra Esecuzione from JoJo's Bizarre Adventures.

Me: An assassin organization, eh? Wait, I got a feeling they've been sent by someone.

Super Brother: You're right about what you said, according to the other members of my team, I've found out they were hired by Lord Sewage Breath to kill us as revenge on us for humiliating him after freeing The Mayor of Townsville after Lincoln, his Guardian Angels, and his harem restrained him yesterday.

Nico: What a shithead!

Lincoln: Well, we're gonna piss him off even more by killing them and sending him their severed heads.

Peppino: But, where are they at?

Cage Blunt: They're at a seedy bar in the eastern part of Manhattan. The rest of the NYPD are at the location.

Lincoln: Oh no. Come on!

We hightailed it to the bar Cage Blunt told us about, and when we got there, we fired energy blasts at Risotto Nero, the leader and founder of La Squadra Esecuzione and members Formaggio, Illuso, Prosciutto, Pesci, Melone, Ghiaccio, Sorbet, and Gelato and the cops got out of there!

Risotto Nero: So, you have arrived, Team Loud Phoenix Storm. Now, we shall kill you all for what you did to Diavolo.

Lincoln: That was two years ago, and your boss was a piece of shit. We know an undead evil Akuma hired you to kill us and get revenge for his humiliation, and stop us from stopping the resurrection of the leader and creator of the other undead evil Akumas.

Risotto Nero: All we care about is avenging our dead boss, Diavolo, we do not care about that sewage breath brat! Now, prepare to die!

BANG!

Caleb Maxwell shot him in the arm!

Caleb Maxwell: Shut up, you filthy animals. I've heard enough, time to put an end to this.

No, never again, this is where you all meet your end here and now.

Suddenly, Wilford Wolf's deep blue and light blue, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, moonlight, blue wolf fire, wolves, werewolves, phoenixes, and angels and immense rainbow protective aura with all of the elements swirling around him and immense holy white aura flared up extremely, as he grew even stronger and and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous blue angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999, sets of large blue angel wings underneath his enormous blue angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold flame ring-shaped frame around it with embedded deep blue gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold flame ring-shaped frames around them with embedded deep blue gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the light blue flame patterns and rings on his obliques and sides and the light blue flame patterns on his forearms, the light blue tips and light blue markings and light blue flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999, massive and long silver wolf tails and light blue sun and moon tattoo on his bare chest glowed.

The Rockers continued to play as Wilford Wolf went after La Squadra Esecuzione, and he fired extremely powerful blasts of deep

blue and light blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, moonlight, blue wolf fire, wolves, werewolves, phoenixes, and angels and they exploded with incredible power as they hit them. Then, he slashed at them with his massive greatsword, gold-armored wolf claws and wolf claws, and he clobbered them with whips from his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9
massive and long silver wolf tails, and Wilford Wolf was really trashing them with his really excessive and immense godly superhuman strength!

Then, Wilford Wolf kicked those assassins out of the bar and into 5th Avenue. Then, Caleb threw a knife at Risotto Nero and cut him in the cheek.

Caleb Maxwell: And another thing, you should've picked a better bar to hide out at. The shitheads who frequent that bar are still pissed off at me for killing a lot of their comrades, and I did not want to head there again!

Gohan: Okay, we'd better finish this off before it winds up becoming a repeat of what happened this morning.

Nico: That's already trending on Alya's blog. Our Mascots really made quite a mess of Caleb and his siblings and pissed them off the deep end, and what happened on my rescue will be nothing compared to what they'll do to La Squadra Esecuzione.

Lincoln, Wilford Wolf, Super Brother and his harem and sisters and team, Robin Hood, Alexander Avalon, Ricky, Rufus, Margie, Sherlock Hound, Skippy the Bush Kangaroo, Red Savarin, Rayman, Juniper Lee, Von Lycaon, and Sly Cooper went after La Squadra Esecuzione, and they fired extremely powerful blasts of rainbow, green, royal blue, royal red, royal green, black and blood red, red and yellow, purple and red, magenta and pink, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, nature, leaves, darkness, dark magic, black magic, Satanic Magic, fire, flames, lightning, snow, ice, snowflakes, ice crystals, kangaroos, wolves, witches, ogres, raccoons, devil hounds, demons, devils, owls, foxes, phoenixes, and angels, and they exploded with incredible power as they hit them. Then, Von Lycaon and Skippy the Bush Kangaroo punched them hard with their gauntlets and kicked them with their greaves and they got hit hard, and Red Savarin slashed at them with his massive greatsword and shot him with bullets and stun blasts and Sly Cooper whacked them hard with his new cane, same with Alexander Avalon, Ricky, Rufus, and Margie when they hit them on the head with a swing of their staffs.

Then, Skippy balanced himself on his tail and delivered a hard kick to La Squadra Esecuzione, and they screamed in agonizing pain.

Lincoln continued smashing La Squadra Esecuzione hard with his extremely massive excessive godly superhuman strength, and they're no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering them and he even attacked them using the immense power and abilities of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of The Ancient Gods and Goddesses, and we did the same as well.

Varie: UNREAL! Our speed and reflexes are still even faster than ever!

May: We can't keep track of our own movements and we're even more stronger than ever! Look at how we're continuing to smash La Squadra Esecuzione all over the place!

Qin: Those assassins don't stand a chance due to Lincoln's rapid evolving and extremely incredible godly superhuman speed and reflexes overpowering them, now they're at the mercy of The True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid Angel of Gotham Royal York.

Luna: Along with J.D., Nico, Ymir, Camie, and Eli and all of us.

Then, Lincoln fired blasts of elements and energy at La Squadra Esecuzione and they got beaten up real good and they were mangled!

Then, Andre Lupescu shot at La Squadra Esecuzione, then Andre Lupescu slashed at them with his massive greatsword, same with Abaddon Aeternus doing the same thing to them.

WORK IN PROGRESS

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a planet of eternal twilight covered in towering silk palaces, jeweled spider temples, and colossal webs suspended in air like living cities, it was a twisted, glittering nightmare of beauty and dread, and protected by a race of powerful omnipotent Jorogumo angels, noble and powerful spider people who are the descendants of the Jorogumo of Japanese myth known for their immense strength and whose charm, intellect, and venom shaped a civilization of power, elegance, and unmatched fear, and have the powers of webbing, venom, illusion magic, and manipulation, as well as supreme mastery of shadow silk that could cut through the Gods, the males who'd spent their lives fighting proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters born for strength and war, but they also have vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of webbing, venom, illusion magic, and manipulation, as well as supreme mastery of shadow silk that could cut through the Gods, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Jorogumaira, a planet of eternal twilight covered in towering silk palaces, jeweled spider temples, and colossal webs suspended in air like living cities, it was a twisted, glittering nightmare of beauty and dread, and protected by a race of powerful omnipotent Jorogumo angels known as the Jorogumairans, noble and powerful spider people who are the descendants of the Jorogumo of Japanese myth known for their immense strength and whose charm, intellect, and venom shaped a civilization of power, elegance, and unmatched fear, and have the powers of webbing, venom, illusion magic, and manipulation, as well as supreme mastery of shadow silk that could cut through the Gods, the males who'd spent their lives fighting proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters born for strength and war, but they also have vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of webbing, venom, illusion magic, and manipulation, as well as supreme mastery of shadow silk that could cut through the Gods, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

Lincoln: I haven't been back to Jorogumaira in eight years, and that place was really intense.

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Jorogumaira.

Lincoln landed on Planet Jorogumaira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: I'm back on Planet Jorogumaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as intense as ever.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw an extremely strong-looking male Jorogumo who's really tall at 9,999'11" with the upper body of a 20 year old male with abnormally massive and powerful upper body muscles and twelve-pack abs, he was shirtless with a crimson red sun and moon on his chest, long black hair going down to his shoulders, crimson red eyes with extra red eyes, massive black angel wings, and he has on a crimson red loincloth and the lower body of a large black spider, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Arachne Jorogumaira, King of The Jorogumairans of Planet Jorogumaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?

Lincoln: I do, he's the father of my Guardian Angel, Arachneva Jorogumaira, Queen of the Jorogumairans of Planet Jorogumaira, and I know she's right...here!

Suddenly, Lincoln turned around and saw a beautiful female Jorogumo who was tall at 690'11" in height, she has the upper body of a flawless noblewoman and large breasts and the lower half of a majestic, eight-legged arachnid queen, long silken black hair that shimmered with strands of moonlight, crimson red eyes and extra crimson red eyes that glowed with hypnotic beauty, and enormous midnight black angel wings.

Lincoln: (Smirks) I knew that was you, Arachneva Jorogumaira, Queen of the Jorogumairans of Planet Jorogumaira, there was no mistaking the scent of your Sakura Blossom-scented perfume from anywhere.

Arachneva Jorogumaira: That nose of yours was always so sharp and focused just like the rest of your body thanks to all that training and hard work you underwent under us.

Then, all of the other Googol of Vigintillions of male Jorogumairans came to Lincoln.

Arachne Jorogumaira: That's correct, and this was something Arachneva wanted to do. (Smiles) And just as we saw, you've indeed grown that much stronger and much taller, you're now taller than me, and you're also even more buffer and muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln: Yes, that's indeed correct, sir, and there's something I need to tell you.

Arachne Jorogumaira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Arachne Jorogumaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Arachne Jorogumaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Arachne Jorogumaira and the other Googol of Vigintillions of male Jorogumairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of webbing, venom, illusion magic, and manipulation, as well as supreme mastery of shadow silk that could cut through the Gods, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,

sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH! (WOLF ROAR)

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura and blue cosmic energy aura was raging like a really massive wildfire and he has a crimson red aura with spirits and darkness surrounding him and overflowing with such infinite primal power and ferocity as he pounded his chest like a gorilla.

Lincoln: Whoa...! (GROWLS) This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Arachne Jorogumaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Arachneva Jorogumaira: But, before he absorbs our planet, my throne-web, the planet's core, and Jorogumaira's glowing silk-moon into his body, it's been two years since we last had an...intimate moment.

Suddenly, Arachneva Jorogumaira went up to Lincoln and she placed her hands on his massive hairy pecs and he sat on the ground and they kissed with a smoldering intensity and he wrapped his arms around her waist and he deepened the kiss even more as she wrapped her arms around his neck: they were engaging in a smoldering intense make-out session as they kissed deeply and passionately, and Arachneva Jorogumaira also kissed and bit Lincoln on the right trapezius, neck, twelve-pack abs, and massive pecs, and when she slowly removed her lips and licked the love marks, they glowed with smoldering heat and fire and Lincoln was also glowing as his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails were wagging.

Lincoln: (GROWLS) (Smirks) It's been a while since you last left your lipstick marks and bite marks on me. Now, it's my turn.

Suddenly, Lincoln wrapped his massive muscular arms around Arachneva Jorogumaira's waist and pinned her to the ground with her legs around his waist and he leaned his head down to her face and kissed her again on the lips with intense passion which she returned as she still had her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Arachneva Jorogumaira with crimson red gems on the gold lightning bolts and crimson red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

They stayed in that position with Lincoln on top of her as she then took the time to rub his massive muscles and massive hairy pecs.

Suddenly, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura and holy white aura and blue cosmic energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999, sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999, massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Suddenly, Lincoln's deep sapphire eyes turned neon glowing deep sapphire blue along with the visible veins on his upper and lower body, and then...!

Lincoln: (GROWLS) (WOLF ROAR)

RIPS!

The sudden surge of power caused Lincoln's white shorts and loincloth to tear to shreds leaving him in the nude, but it led to Arachneva Jorogumaira looking at Lincoln whose neon glowing deep sapphire eyes were now full of a smoldering desire and lust to have sex with her as it led to an intense smoldering lovemaking fest which ended many hours later with Lincoln letting out a loud roar and manly wolf howl of dominance, and Arachneva Jorogumaira was left feeling pleasured.

Arachneva Jorogumaira: (In Heaven) Oh God, you've become such a...primal...virile, and manly beast, Linky.

Lincoln's white and gold trimmed shorts reappeared and his orange loincloth reappeared around his waist and he beamed Arachneva Jorogumaira to his room and he flew deeper and deeper into the planet, and he found the core of Jorogumaira, the inner and outer core of the planet consisted primarily of iron and nickel and are extremely infernally hot with a temperature at more than 1,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Jorogumaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself along with Arachneva's throne-web, towering silk palaces, jeweled spider temples, and colossal webs into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and

the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9
massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH! (WOLF ROAR)

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Jorogumaira's massive glowing silk-moon and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9
sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix

feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9
massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more, and despite being asleep, Arachneva Jorogumaira felt it as she smiled in her sleep.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming) (GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks) (Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln, his harem, and his kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: I'm afraid this was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Jorogumaira, a planet of eternal twilight covered in towering silk palaces, jeweled spider temples, and colossal webs suspended in air like living cities, it was a twisted, glittering nightmare of beauty and dread, and protected by a race of powerful omnipotent Jorogumo angels known as the Jorogumairans, noble and powerful spider people who are the descendants of the Jorogumo of Japanese myth known for their immense strength and whose charm, intellect, and venom shaped a civilization of power, elegance, and unmatched fear, and have the powers of webbing, venom, illusion magic, and manipulation, as well as supreme mastery of shadow silk that could cut through the Gods, the males who'd spent their lives fighting proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters born for strength and war, but they also have vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of webbing, venom, illusion magic, and manipulation, as well as supreme mastery of shadow silk that could cut through the Gods, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

He finished and returned the book to Lincoln's room.

Me: Whoa! A planet based on The Spider-Women of Japanese Folklore?! That's awesome!

Nico: You said it. I heard many legends about Jorogumaira, and no Saiyan warrior would ever head there. The Jorogumairans are known for their immense strength and whose charm, intellect, and venom shaped and created a civilization of power, elegance, and unmatched fear.

Me: Wow.

Keito: I never knew there was a planet based on my kind, but the way you described it, it sounds like my kind of planet.

Then, we saw Arachneva Jorogumaira enter and she sat with Lincoln.

Me: Whoa, and who's the female Jorogumo?

Anna Anyanova: This is Arachneva Jorogumaira, Queen of the Jorogumairans of Planet Jorogumaira, she's Lincoln's Guardian Angel from Planet Jorogumaira, a twisted, glittering nightmare of beauty and dread located deep in the Forbidden Zone. This planet of eternal twilight is covered in towering silk palaces, jeweled spider temples, and colossal webs suspended in air like living cities. She's the Queen of the Jorogumairans, the spider-women whose charm, intellect, and venom shaped a civilization of power, elegance, and unmatched fear and descendants of the Jorogumo of Japanese myth. Arachneva was born as the most exquisite of her kind: with the upper body of a flawless noblewoman and the lower half of a majestic, eight-legged arachnid queen. Her silken hair shimmered with strands of moonlight, and her extra eyes glowed with hypnotic beauty. Arachneva possessed dominion over all forms of webbing, venom, illusion magic, and manipulation, as well as supreme mastery of shadow silk that could cut through gods. She was born with ethereal angel wings woven from divine silk and was also born with omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people multiplied infinitely. When the Infernairans attempted to invade Jorogumaira, their armies were caught in her psychic webs puppeted like marionettes before being consumed by the ravenous Widows of the Crystal Lattice. Yet, an ancient prophecy whispered of a time when she would leave her throne to find the only one whose soul could resist her webs and become the center of her world, that soul was Lincoln Loud. Upon reaching Earth and arriving in Royal Woods, she wove her way into Lincoln's life silently, then revealed her divine form under the moonlight. She swore to protect him from all harm, to spin for him the Web of Ascension, and to bind their fates together forever. Under her tutelage, Lincoln learned to manipulate spider-silk strong enough to bind deities, summon webbed illusions that trapped enemy minds, command arachnid legions, and secrete psychic venom that paralyzed even the strongest foes. She enhanced his godly gifts, evolving his immortality and invincibility with her unique webbed soul-bond. And she knew with every pulsing strand of fate that Lincoln's the True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid, so powerful and mesmerizing that she wove a wedding web in his honor. Arachneva kissed him with passion and grace, her silk wrapping around them as he embraced her in return. His tails wagged, his power surged, and their love deepened with each shared moment. She helped him forge his own silkblade, a crystalline, living weapon that shifted between sword and whip, and watched with pride as Lincoln absorbed the Googol of Vigintillions of her fellow male Jorogumairans, her throne-web, the planet's core, and Jorogumaira's glowing silk-moon. Their legacy lived on inside him, preserved through their sacred bond. She promised that when Lincoln came of age, she would be at his side as a wife, a queen, and his forever guardian. As for Lincoln's enemies…, she regards them as a worthless fly. She vowed to string them up in the Web of Eternal Disgrace and leave them dangling in humiliation for all eternity, trapped in a cocoon where every whisper mocks their failure.

WE GASPED!

Me: Oh man!

Nico: I heard about the legends of Arachneva Jorogumaira, and I had no idea she taught Lincoln all of that under her.

Lincoln: Yep, under Arachneva's tutelage, I learned to manipulate spider-silk strong enough to bind deities, summon webbed illusions that trapped enemy minds, command arachnid legions, and secrete psychic venom that paralyzed even the strongest foes, and I also gained dominion over all forms of webbing, venom, illusion magic, and manipulation, as well as supreme mastery of shadow silk that could cut through evil gods, and she enhanced my godly gifts evolving my immortality and invincibility with her unique webbed soul-bond.

Me: (WHISTLES) That is impressive!

Nico: Yikes, I think some of the villains are gonna be pretty scared if you were to use those powers on them.

Arachneva Jorogumaira: That's for sure, and all that hard training I'd put you through really sharpened you into the very warrior you've become and even going to my planet also helped greatly, Lincoln, and we also had known Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever, and last night, after he fed on my blood and marked me, he gained Jiangshiaira's Blessing of Dark Frozen Ice Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 10,000'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9
sets of large white angel wings underneath and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9
massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive

biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Arachne Jorogumaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well, not to mention you were quite the wild untamed beast last night.

Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell: Take it to your bedroom, you two!

Rhyhorn went into Pohatu's room and saw him meditating with huge boulders orbiting around him.

Pohatu woke up and got up and the boulders fell down with a thunderous crash!

MASSIVE CRASH!

Rhyhorn: Morning Pohatu.

Pohatu: Morning Rhyhorn.

Rhyhorn: Time for breakfast.

Pohatu: Be right down.

He went to the table.

Me: Morning Pohatu.

Pohatu: Morning guys.

We gave him pancakes and rock candy.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999, sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Evil Myotismon, the one that Nico destroyed in the past, and he's causing havoc.

Me: Was that Myotismon?! But...!

Nico: That is an evil version of Myotismon, but there's no doubt about it: he's the one I destroyed in the past. I knew this evil version of him would reappear, now we can get rid of him for good and close that dark chapter of my past for good.

Lincoln: And you're gonna be in for quite the surprise for this: he's on the planet of Phoenixvontaira.

J.D. 2: We'd heard the tales of Phoenixvontaira, a volcanic planet and a brilliant burning star-world, where everything is made of fire, light, and rebirth, and its residents, The Phoenixvontairans, are eternal beings of flame and spirit, reborn endlessly through fire and destined to blaze brighter with every resurrection. But, when The Infernairans betrayed the Phoenixvontairans and set their world ablaze not knowing it would only strengthen them, their queen unleashed the Eternal Blaze, a divine inferno so hot it cracked reality itself driving them out and vowed then to seek the chosen one, the one prophesied to become the Cosmic Phoenix Reborn, a warrior with the strength to carry the fire of all fallen worlds, and that chosen one… was Lincoln Loud.

WE GASPED!

Lily: Uh oh, but that means we'll be meeting her again.

Me and Nico: Who is...?

But, then, Wilford Wolf covered our mouths with his hands.

Wilford Wolf: I think it's best we'd find out for ourselves, right?

Lincoln: (Smirks) Right.

Then, Wilford Wolf uncovered our mouths, but we had embarrassed red blushes and nervous smiles on our faces.

Me: We almost wound up asking about her, but we hadn't arrived on the planet yet.

Nico: We did. That was embarrassing.

Lincoln: That's okay. Now, then, let's finish breakfast and head for Phoenixvontaira.

Nico: I've carried the dark memories of what I went through because of Myotismon along with his more powerful form as MaloMyotismon. But, that all ends today, this is where I destroy the very source of all that trauma here and now!

Me: We'll make sure of that, Nico. That monster's lived for too long, this is where we close that dark chapter of your past forever.

We were all determined to help Nico close that dark chapter of his past forever.

Nico: Thanks, guys.

We finished breakfast and we headed to Phoenixvontaira to help Takato and Kazu unlock their Rainbow Power and kill Evil

Myotismon to close that dark chapter of Nico's past forever.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14283.4: The U.S.S. Valorous Phoenix is en route to the planet Phoenixvontaira for a really awesome rescue and we're heading there to battle an evil version of Myotismon and it's going to be intense.

Me: I'm still going to kill Crackhouse Goofy.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a volcanic world.

Maria: We're here.

Me: So that's Phoenixvontaira. Wow!

We arrived on Phoenixvontaira, and it was everything Lincoln said and his rainbow energy aura exploded as he grew stronger, same with all of us.

Me: Wow, so this is Phoenixvontaira, it's so fiery and intense.

Nico: The planet of the Phoenixvontairans, descendants of the Phoenix, I remembered the legends of this place.

Lincoln: This place hasn't changed one bit, it's still as awesome as ever.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) I've heard of the stories of Phoenixvonaira, and The Infernairans made the mistake invading the plant.

Lincoln: And because of it, they were killed.

Me: Wow this place is infernal.

Nico: This is actually perfect for us

Me: It sure is.

?: I'll say.

We saw a Thresher Shark girl with yellow pants and brown shoes!

Serafina Rogers: Serafina Rogers A.K.A. Finley Volt, Energy Volt master of the Tidal Fangs.

Me: Whoa! You're half Thresher Shark.

Serafina Rogers: I sure am and I Thresh my enemies good! (LAUGHS)

WE LAIGHED!

Me: (LAUGHS) HEY that was good!

Luan: (LAUGHS) Good one!

Eddy: (LAUGHS) FUNNY!

Jillian Scott: Serafina has good jokes to go with her fighting style. She also has great jokes for every occasion.

Luan: I like her already!

Eddy: Me too!

Me: Yeah! What were you doing before you transformed?

Serafina Rogers: I was blasting the tanks of Paradigm.

MASSIVE FIERY EXPLOSIONS!

Serafina had albino yellow hair and fired energy blasts and blasted them brutally.

She then injected herself with Thresher Shark DNA and turned into FINLEY VOLT and blasted them all over.

FLASHBACK ENDS

Me: WOW Intense!

Xenia: Yeah!

Serafina Rogers: It sure is.

Horsea: Your hobbies?

LOUD FART!

Horsea: WHOA!

She sat on a whoopee cushion and it farted!

Serafina Rogers: I like pulling pranks. Also I like to entertain at parties.

Luan: You and me are going to get along great. Me and Eddy do parties too.

Serafina Rogers: Awesome!

Me: Would you like to revert back? You can transform at will?

Serafina Rogers: I would like that.

Me: Okay.

I put on my blind man glasses.

Nicole: EYES TO YOURSELVES PERVERTS!

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she reverted back and was a girl with albino yellow hair and blue eyes and had a lightning bolt on her Tidal Fangs symbol on her arm and had a Thresher Shark on her forehead.

We brought her over and her clothes all fell off.

Me: Whoa.

Camie: Her clothes are too big even for her.

Horsea: Boy that must've hurt.

Qin: Yeah.

Serafina Rogers: That really hurt. Also if I see Crackhouse Minnie I'll help you guys kill her.

Qin: We would like that.

She held out her hand and Qin shook it and then...

ZZZZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPP!

She got zapped with a Joy Buzzer!

WE LAUGHED!

Nico: Classic!

Patrick: I don't get it.

Me: Funny.

Rarity: Lets get you osme clothes darling.

The fashion brigade gave her new blue and yellow clothes and a yellow sword and blaster.

Serafina Rogers: I look awesome. (SCREAMS) WHOA! My back feels heavy.

Me: Your wings came in.

She saw Yellow and blue wings on her back.

Serafina Rogers: WOW! I have wings! Awesome!

Me: You sure do. Now we got to find Young Sora. She's all that's left to find.

Poromon: I'll fly to find her.

Me: Okay.

He went to do so.

He came back.

Poromon: Found her! North by 3 klicks.

Me: Okay.

We went to her.

?: (Strong Manly Voice) (Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking male who was really tall at 9,999'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a crimson red sun and moon on his chest, he has long crimson red hair with yellow streaks going down to his shoulders, crimson red eyes, enormous crimson red phoenix angel wings, he has on a crimson red loincloth, and no sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Valerian Phoenixvontaira, King of The Phoenixvontairans of Planet Phoenixvontaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Phoenix Phoenixvontaira, Queen of the Phoenixvontairans of Planet Phoenixvontaira, I've also been to Phoenixvontaira eight years ago as well.

Then, all of the other Googol of Vigintillions of male Phoenixvontairans came to Lincoln.

Valerian Phoenixvontaira: (Strong Manly Voice) That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're now taller than me, and you're also even more buffer and muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man they and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Valerian Phoenixvontaira chuckled.

?: (Female Voice) Oh wow, Linky, you're here!

Suddenly, we saw a girl who was tall at 1,000'11" in height, she has the body of a goddess and large breasts, tanned skin, long crimson red hair with yellow streaks flowing with eternal flame, a crimson flower in her hair, tattoo of the phoenix on her forehead, right arm, stomach, and right thigh, crimson red eyes that glowed like twin novas, she was dressed in a crimson red two-piece bikini, enormous crimson red angel wings with flames forged from solar storms reflecting in the enormous crimson red feathers, and she has The Solarheart Blade in her right hand.

Lincoln: (GASPS) Phoenix Phoenixvontaira, Queen of the Phoenixvontairans of Planet Phoenixvontaira.

Me: You know her, Lincoln?

Lincoln: Indeed I do, J.D.

Anna Anyanova: And so do we, this is Phoenix Phoenixvontaira, Queen of the Phoenixvontairans of Planet Phoenixvontaira, she's Lincoln's Guardian Angel from Planet Phoenixvontaira, a brilliant, burning star-world, where everything is made of fire, light, and rebirth. Her people, the Phoenixvontairans, are eternal beings of flame and spirit, reborn endlessly through fire and destined to blaze brighter with every resurrection. But none among them shone brighter than their Queen. Phoenix Phoenixvontaira was born in the heart of The Living Sun, her wings forged from solar storms, her eyes glowing like twin novas, and her hair flowing with eternal flame. She commands total mastery over fire, resurrection, celestial energy, combustion, stellar gravity, and the power of renewal itself. Like all her people, she is reborn stronger with each death, but as Queen of The Phoenixvontairans, she possesses an unbroken chain of infinite rebirths, making her power truly unstoppable. In addition to her overwhelming might over flame and rebirth, she was also born with radiant angel wings, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the power of her people multiplied by infinity. Her song can call stars to life or burn darkness itself. She is the flame that never dies. When the Infernairans betrayed the Phoenixvontairans and set their world ablaze not knowing it would only strengthen them, Phoenix Phoenixvontaira unleashed the Eternal Blaze, a divine inferno so hot it cracked reality itself. She vowed then to seek the chosen one, the one prophesied to become the Cosmic Phoenix Reborn, a warrior with the strength to carry the fire of all fallen worlds, and that chosen one… was Lincoln Loud. She arrived in Royal Woods in a burst of golden fire, cloaked in starlight, and immediately recognized Lincoln as the True Alpha Werewolf-Vampire-Cyborg Hybrid and the destined Flame of Hope. She swore to protect him, body and soul, and she began teaching him The Sacred Fire of The Phoenixvontairans: The Flame of Rebirth, The Fire of Glory, The Solar Wrath, and The Stellar Resurrection. Through her, Lincoln awakened the blazing force inside him, unlocking godly levels of cosmic heat, radiant light, solar power, the ability to rise endlessly no matter the odds, total mastery over all fire, flames, rebirth, resurrection, life nourishment, celestial energy, combustion, stellar gravity, the power of renewal itself, and all the powers of the Phoenixvontairans multiplied by infinity, and their bond deepened quickly. Phoenix Phoenixvontaira was drawn not only to Lincoln's strength, but to the fire and light of his spirit, a flame even her people revered, and more than once, they shared passionate kisses surrounded by burning stars, and his tails wagged uncontrollably in her presence. Her flames would glow even warmer whenever he smiled, and she could see the cosmic fire growing inside him. Lincoln forged for her The Solarheart Blade, a sword of fire and stardust, which burns only for her. In return, she gifted him The Phoenix Core, the crystallized soul of her world. He absorbed the Googol of Vigintillions of her fellow male Phoenixvontairans, the core of Planet Phoenixvontaira, its eternal flame, and its legendary Phoenix Sun, preserving their legacy in his immortal being. She kissed him once more beneath the Aurora Infernis, and vowed that when Lincoln comes of age, she would rise beside him as his bride, his eternal flame, and The Empress of all Rebirth and he would become her husband, her eternal flame, and The Emperor of all Rebirth and resurrection. As for Lincoln's enemies… she sees them as a flickering match in a storm of suns, and she swore to incinerate them in her Eternal Blaze, rebirth them as a worm, and snuff them out again forever.

Nico: I knew about the prophecy The Phoenixvontairans spoke about, so that means, Lincoln was destined to become The Cosmic Phoenix Reborn, a warrior with the strength to carry the fire of all fallen worlds. That also explains why every night he'd been absorbing the planets and worlds that have fallen victim to The Infernairans.

Lincoln: That's right. When I found out about the fallen worlds and planets that fell victim to those Infernairans, I also heard the screams and cries of the inhabitants, all of them being attacked and then thrown into into those Wells of Souls, I could never forgive Arpina's former people for what they've done!

Arpina Infernaira: That is true, what they did, it was truly unforgiveable.

Phoenix Phoenixvontaira: I saw what you did when you went to Infernaira and absorbed those Infernairans and absorbed their planet and core and their planet, not to preserve their legacy, but to punish them for their crimes, that was truly incredible.

Lincoln: Thanks, Phoenix. And, Valerian, there's something I need to tell you.

Valerian Phoenixvontaira: I know. You had the vision, it's time.

Lincoln: Yes, it is.

Suddenly, Valerian Phoenixvontaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Valerian Phoenixvontaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Valerian Phoenixvontaira and the other Googol of Vigintillions of male Phoenixvontairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of all fire, flames, rebirth, resurrection, life nourishment, celestial energy, combustion, stellar gravity, the power of renewal itself, and the immense omnipotent powers of the phoenix times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura and blue cosmic energy aura was raging like a really massive wildfire and he has a crimson red, yellow, and orange aura with flames and phoenixes surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed and volcanoes erupting on his massive biceps and the image of cannons firing and volcanoes erupting formed on his massive pecs.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Valerian Phoenixvontaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels.

Nico: That's for certain, and the girls in his harem wind up getting driven wild and wind up getting aroused even more from every single act of manliness Lincoln displays.

Me: And all that's left is for him to absorb your planet and its core along with its Sun into his body, and wait, you also included immense virility and fertility as well? That means...!

Phoenix Phoenixvontaira: We knew Lincoln's the infinite-times virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with the doctor, he did show us all of what you just told us.

Nico: Wow...!

Phoenix Phoenixvontaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last we saw you.

Suddenly, Lincoln pinned Phoenix Phoenixvontaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense smoldering passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from their right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Phoenix Phoenixvontaira with crimson red gems on the gold lightning bolts and crimson red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

He then helped her up and he kept her close to his body as she took the time to rub his massive muscles and massive hairy pecs.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura, immense rainbow protective aura with all the elements, immense holy white aura, and blue cosmic energy aura with starlight and constellations exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more.

Phoenix Phoenixvontaira: That's my special gift to him: Phoenixvontaira's Blessing of Divine Rebirth Phoenix Eternal Flame Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 10,000'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolfman with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and he brought her closer to his body even more and she really felt how much stronger he really is.

Phoenix Phoenixvontaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Phoenixvontairans both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

Lincoln: That'll be for much later. Okay, guys, we're in for one intense battle, we're here on the planet of Phoenixvontaira to help Takato and Kazu unlock their Rainbow Power and kill Evil Myotismon to close that dark chapter of Nico's past forever.

But, he's also gonna transform into MaloMyotismon.

Nico: I'm hoping for that. Because, I'm also going to transform just like how Lincoln and J.D. have.

Qin: After everything you went through because of him, I knew this has been a long time coming, but there's also the added problem of Lord Demonblood.

Eli: That's right.

Caleb Maxwell: (To Super Brother) After what you saw with him killing Lord Sewage Breath yesterday, there's no doubt he's got something dark in store for that overgrown bat.

Super Brother: You're right about that.

Wind Golfer: We've literally had our experiences with what he did to the untrustworthy evil undead Akumas, and he was absolutely cruel and nasty.

Rocker Mermaid: It was horrific, and the punishments were just as nasty.

Funny Clown: We hoped never to see that again, but we got rid of the other undead evil Akumas who were untrustworthy yesterday, and Lord B.O. met his end by our hand. But, we got cheated when Lord Sewage Breath was killed by Lord Demonblood.

Ultimate Athlete: This'll be the last time we ever have to deal with that undead Akuma Lord that was inside Caleb from our world.

Gothic Vampire: With the spell Lincoln of our world and this world's Lincoln have prepared, it will forever sever Caleb from our world from that monster.

We took off to get after Evil Myotismon to send him off to The Black Abyss for good and close the dark chapter on Nico's past forever.

We were flying in the air, and we found Evil Myotismon.

Lincoln: Alright, let's get this battle started.

Suddenly, Phoenixvontaira's legendary Phoenix Sun started glowing even brighter than ever, and its flames were raging even more, and Lincoln was surrounded by a crimson red, yellow, and orange aura with fire, flames, and phoenixes.

Lincoln: (Singing Divinely) Into the night

My long suffering friend

We'll be reborn again

Right here where everything ends

Face to the sky

A trail of smoke in the air

Pass into emptiness

New life's awaiting you there

Slave to some wretched old imagination of yesteryear

All that grows in the skulls of the living are flowers of fear

The morning red

A sun god calling you back

Down through a thousand years

White embers whistle and crack

Await the dawn with her kiss of redemption, my firebird!

You were the queen of the souls of men before there was the word

The morning new

The morning red

The fiery promise

Mad swirling smoke

Wheels round her head

Dedication to the queen of souls,

Her lost disciples

And when the fire's work is done

Our time to be reborn

By pagan streams

A wind whips the leaves from the trees

And it is revealed to us

That we are dreams within dreams

Born from some wretched old imagination of yesteryear

Now all that grows in the skulls of the living are flowers of fear

The morning new

The morning red

The fiery promise

Mad swirling smoke

Wheels round her head

Dedication to the queen of souls,

Her lost disciples

And when the fire's work is done

Our time to be reborn

The morning new

The morning red

The fiery promise

Mad swirling smoke

Wheels round her head

Dedication to the queen of souls,

Her lost disciples

And when the fire's work is done

The phoenix now reborn

Lincoln sang a divine heavenly song, and powerful barrages of phoenix fire and flames and fireballs and phoenixes were fired at Evil Myotismon, and they exploded with such incredible power, and he was burned severely!

Me: Awesome...!

Wilford Wolf went after Evil Myotismon, and he fired extremely powerful blasts of deep blue and light blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, moonlight, blue wolf fire, wolves, werewolves, phoenixes, and angels and they exploded with incredible power as they hit him. Then, he slashed at him with his massive greatsword, gold-armored wolf claws and wolf claws, and he really trashed him with his really excessive and immense godly superhuman strength.

Me: Still awesome as ever.

Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie

Maxwell approached Evil Myotismon.

Caleb Maxwell: If you think we're gonna let you run wild and do whatever the Hell you want on this planet, then you've got nothing but oatmeal for a brain!

Tyler Maxwell: We're taking you down and we're gonna make sure you get sent to Hell for good!

Alexander Maxwell: Your fellow buddies, DemiDevimon, Vademon, Vegiemon, ShogunGekomon, and Digitamamon, already paid the price for crossing us and pissing us off, so yeah, we killed them!

Allie Maxwell: And you're next, you putrid sack of lard! And we know you're also among the Digimon villains who's taking part of the resurrection of Caleb Maxwell from Super Brother's world and you're out to kill us before we could stop the resurrection!

Caleb Maxwell: And now, we're gonna make sure we get rid of you for good. (Grabs ShogunGekomon by the throat) And by coming here after us, you just sealed your fate. Now, you can either surrender quickly, or so help me, (Demonic Voice) I will pull your stupid hair through your eyes and use them as reigns to ride your digital butt back to the darkest pits of The Underworld from whence you came!

Evil Myotismon freaked out big time because of Caleb's demonic anger, but he was shocked when he found out we killed DemiDevimon, Vegiemon, Vademon, ShogunGekomon and Digitamamon, and that pissed him off. Then, in a desperate bid to get free before Caleb choked him to death, he elbowed Caleb hard in the face, and that caused his nostrils to spurt out blood, and that really pissed him off.

Tyler Maxwell: Caleb! THAT DOES IT, YOU FREAK!

Alexander Maxwell: NO ONE HURTS OUR ELDER BROTHER AND GETS AWAY WITH IT!

Allie Maxwell: Hurting my brother like that in the same way he'd gotten so many injuries from the shitheads of LaGuardia High

School back in the 1980s in our world and you think you can get away with it! We're gonna fuck you up!

Evil Myotismon: I will tear you four weaklings apart limb from limb, and then, I'm gonna kill every last member of your family and friends, and then, I'm gonna rip your hearts out and eat them and spit on your remains!

WE GASPED IN HORROR, AND THAT REALLY REALLY CALEB, TYLER, ALEXANDER, AND ALLIE MAXWELL OFF!

Me and Nico: OH GOD! NOW, YOU'VE DONE IT!

Lincoln: You seriously pissed those four off big time, and they have the worst kinds of tempers that are so destructive and so horrific, they wind up getting completely out of control and they lose their minds and go completely psycho.

But, you're gonna regret angering them.

Evil Myotismon: What?! What do you mean?! Answer me!

CALEB, TYLER, ALEXANDER, AND ALLIE MAXWELL TRIED TO KEEP THEIR RISING INSANITY DOWN WHILE THEY'RE JITTERING AND SEETHING WITH RAGE, BUT WE KNEW IT WAS TOO LATE!

Me: UH OH! NOT AGAIN! THEY'RE GONNA BLOW!

FINALLY...!

Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell: (LETS OUT A MASSIVE SCREAM OF PURE ANGER AND RAGE AND THEY FINALLY WENT INSANE)

THOSE FOUR LET OUT A MASSIVE SCREAM OF PURE ANGER AND RAGE AND THEY FINALLY WENT INSANE, AND THEY WENT AT EVIL MYOTISMON AND CALEB MAXWELL AND TYLER MAXWELL KICKED HIM REAL HARD IN THE LEGS AND THIGHS, AND ALEXANDER MAXWELL BIT HIM ON THE ARM AND TORE OFF SOME FLESH AND STARTED EATING IT! ALLIE MAXWELL GOT OUT HER GUNS AND SHE SHOT AT HIM! THEN, SHE KICKED HIM HARD IN THE GROIN!

KRACKOW! WRESTLING BELL DING!

THEY WERE SCREAMING AND SHREKING LIKE DEMONS WITH PURE RAGE AS THEY BEGAN TO SLASH AT HIM WITH THEIR GREATSWORDS, MASSIVE SPEAR, AND KNIVES AND THEY BASHED EVIL MYOTISMON ALL OVER THE PLACE AND WE LOOKED ON WITH PURE HORROR AND TERROR! THEN, THE SIBLINGS ROSE UP INTO THE AIR, AND THEY THEN SMASHED THE STONE COLUMNS DOWN ON EVIL MYOTISMON, AND IT DIDN'T END THERE, THEY CONTINUED FIRING BULLETS AND DARK ENERGY BLASTS DOWN ON EVIL MYOTISMON! WE EVEN DUCKED OUR HEADS DOWN WHEN WE SAW BLOOD FLYING OVER OUR HEADS!

Me: OH MY GOD! THIS IS GETTING REAL NASTY!

Lori: THIS IS LITERALLY EVEN WORSE THAN LOLA'S TEMPER

TANTRUMS!

Lynn: OR MY RAGE ATTACKS! THOSE GUYS ARE REAL ANIMALS WHEN THEY GET ANGRY!

Lola: If they keep this up, they're gonna kill him and take the fun out of it!

CALEB, TYLER, ALEXANDER, AND ALLIE MAXWELL CONTINUED SMASHING EVIL MYOTISMON ALL OVER THE PLACE IN A MASSIVE FIGHT CLOUD AND THEY WERE STILL SCREECHING AND SHRIEKING LIKE DEMONS FROM HELL!

Then, when it was all over, Evil Myotismon was an absolute mess: Caleb Maxwell slashed off his fingers, Tyler Maxwell and Alexander Maxwell broke his arms with bones protruding, and Allie Maxwell also gouged out his eyes and even ripped out his tongue!

WE WERE ABSOLUTELY SHOCKED AT THE SHEER CRUELTY AND BRUTALITY OF THOSE FOUR SIBLINGS!

Me: OH MY!

Connor Chan: HOLY HOT CHILI PEPPERS! NICO, TAKE A LOOK AT YOURSELF, YOU UNDERWENT AN ULTIMATE TRANSFORMATION JUST LIKE LINCOLN AND J.D.!

EVERYONE GASPED!

Lincoln formed a mirror, and when Nico saw it, he saw that Connor was right.

Nico: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship True Almighty Eternal Celestial Cosmic Elemental Almighty Eternal Godly Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Redemption Ultimate Harmony True Unbreakable Eternal Bonds True Immortal True God Hero Elemental Saiyan Pride Ultimate Harmony True Alpha Werewolfairan Vampirairan True Seraphim God Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship True Almighty Eternal Celestial Cosmic Elemental Almighty Eternal Godly Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Redemption Ultimate Harmony True Unbreakable Eternal Bonds True Immortal True God Hero Elemental Saiyan Pride Ultimate Harmony True Alpha Werewolfairan Vampirairan True Seraphim God Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Yeah, I have, Connor. I've transformed just like Lincoln and J.D., and now, I'm gonna kick

Myotismon's ass.

And when the girls in Nico's harem saw Nico, they had massive atomic red blushes on their faces, hearts in their eyes, their tongues had rolled out, their noses were gushing out blood, and they let out wolf whistles upon seeing him and just how much hotter and sexier their hulking wolf hunk of a future husband has become.

May: (STUNNED WITH AWE) HOLY...! (Thinking) Oh my God, Nico's not only transformed, but now, he's become an even more hotter, manlier, and sexier hulking wolfman hunk just like Lincoln and J.D.! Growing to 10,000'11" in height and those abnormally massive and powerful upper and lower body muscles covered in brown fur had grown much larger with visible veins bulging out even more and throbbing with raw power and white hot liquid fire coursing through his body, and he still has those twelve-pack abs covered in tan fur, along with dark beard stubble and dark hair covering those forearms of his?!

Nico heard her thoughts.

Nico: (Thinking)(Smirks) May, we'll have plenty of time for a smoldering makeout later and you be sure to tell the rest of my harem that as well after I take care of that overgrown bat who made me go through Hell.

That shocked and stunned May: he heard her thoughts.

Lincoln: Nico, you can have the first shot at Myotismon. But, don't end it quickly, make sure he suffers nice and slow. After what he did to you and everyone in the past, it's the least he deserves, right?

We knew Lincoln was damn right about that. So, Nico reassured him as he stared Lincoln straight in the eyes.

Lincoln: (Smirks) Glad to hear.

Nico then turned his attention to Evil Myotismon.

It was because of you that I killed Ken, his blood winding up on my hands which caused me to have a tattered soul and fractured mind and it's because of you, that I was haunted by nightmares of what I did. NICO RAISED HIS MASSIVE GREATSWORD INTO THE SKY AS

Suddenly, Lincoln was surrounded by an immense orange and yellow aura with flames surrounding her and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use the fire elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 夏の炎と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へと送り届けよ！ 祝福された者たちの魂よ、蘇り、強大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！ 我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へと送り届けよ！ (Translation: I call upon the flames of Summer and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send him to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and flames formed behind Lincoln and formed into red wolves with glowing yellow and orange markings on their paws that look like flames and they ran at Evil Myotismon and attacked him with fierce fury.

Then, I held out my left hand and fired 999 massive balls of fire at Evil Myotismon, and they collided and exploded as they hit him, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, I formed a massive blue fireball in my left hand and I threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

Alexander Maxwell and Tyler Maxwell: TIME TO DIE, ASSHOLE!

Alexander Maxwell and Tyler Maxwell charged at Evil Myotismon, and they fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels at him, and Tyler Maxwell also attacked him with swings of his massive spear and he even shot at him with his machine guns, while Alexander Maxwell slashed at him with his massive greatsword and shot at him with his guns.

Then, Evil Myotismon charged at Alexander Maxwell and Tyler Maxwell to beat him to a bloody pulp, but before he got close...!

Caleb Maxwell: DON'T YOU FUCKING DARE LAY YOUR DIRTY HANDS ON MY BROTHERS!

CALEB MAXWELL GOT IN FRONT OF HIS TWO BROTHERS AND SWATTED AWAY EVIL MYOTISMON LIKE A FLY, AND HE CHARGED AT HIM WITH HIS MASSIVE GREATSWORD IN HAND, AND...!

THEN, CALEB MAXWELL PROCEEDED TO ATTACK EVIL MYOTISMON BY SLASHING AT HIM WITH HIS MASSIVE GREATSWORD LEAVING BLEEDING AND NASTY SCARS ON HIS BODY, AND HE EVEN SHOT HIM ALL OVER THE PLACE, AND BLOOD WAS BEING SPILLED ALL OVER THE PLACE!

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

Lord Demonblood: (Demonic Voice) MaloMyotismon, you have interfered with the preparations of my long awaited final showdown with Team Loud Phoenix Storm, the Gods among men, for the last time. But, you, I shall give you one last chance to prove you're not as worthless as them.

Suddenly, a black demonic bat appeared and went into MaloMyotismon's body, and then, something appeared on the chest of MaloMyotismon: it was a Satanic inverted pentagram with a goat head in it, and a black and blood red demonic energy aura surrounded MaloMyotismon, and his power got a dramatic increase.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, DIE AND ROT IN HELL FOREVER, YOU ASSHOLE!

Lincoln, Nico, and I did one final powerful energy slash that hit MaloMyotismon hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and MaloMyotismon was on his last legs and he was really really mangled.

Suddenly, Nico raised his hands into the air.

Qin: The Spirit Bomb! Let's give him a hand!

And all of them are wanting one thing: to see that you pay for every last one of your crimes, and that is exactly what I intend to do to fulfill their desire! This is the end for you!

Digi-Destined and all of TLPS and The MOE: Nico...! DO IT!

Nico: HAAAAAAAAAH!

With a mighty roar, Nico threw the Earth Omega-sized Spirit Bomb at MaloMyotismon, and it crashed right into him!

MaloMyotismon: Damn you! You're gonna regret this!

MaloMyotismon tried to fight back and push The Spirit Bomb away, but he couldn't: The Spirit Bomb was made of pure energy and holy energy and it had a negative effect on evil beings, and that caused his hands and his entire body to burn as steam was coming off of him and he screamed in agonizing pain! Finally, he was overwhelmed as The Spirit Bomb went up into deep space, and...!

UNIVERSAL KRABOOM!

Then, the demonic bat that was in MaloMyotismon was hit by a blast of white energy and holy white fire fired by Super Brother, and it was destroyed. We cheered as we holstered our weapons and powered

down, and Nico's new body, clothes, jewelry, Third Eye, larger brown wolf ears, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9

Nico: This is the end for you, MaloMyotismon, and where the dark chapter of my life can finally be brought to a permanent end.

Me: You said it. How do you feel, Nico?

Nico: Like the last remnant of the darkness of my past has finally been lifted forever. That was so awesome!

Suddenly, May wrapped her arms around Nico's waist as her chest was pressed against Nico's and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Nico's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Nico leaned down to May's face, they kissed passionately as she moved her hands onto Nico's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Nico and May sucked in and absorbed the elemental forces as the display vanished.

May: I am so glad that part of your life is finally done for good.

Nico: You said it, May.

Then, we turned our attention to the red eyes of Lord Demonblood.

Nico: Looks like your last attempt to derail us has failed.

Rainbow Firestorm Dragon Saiyan Angel: And we should've known you'd use the demonic bats to try and power MaloMyotismon up, Caleb. But, after all this time, you should've known better that your old trick wasn't gonna work nor was it ever going to derail us.

Rainbow Firestorm Phoenix Angel: You better be ready to face the consequences of your vengeance on mankind, Caleb. The darkness you left in your path ever since your return from the dead long ago is about to be lifted here and now, and never again will you terrorize the streets of New York or the world!

Lord Demonblood: (Demonic Voice) Then, I shall be waiting.

The demonic red eyes of Lord Demonblood faded.

Nico: That is it for that evil version of Myotismon.

Lincoln: And we pretty much sent our warning to Lord Demonblood. Now, there's one last thing to do.

Lincoln flew into the molten core of Phoenixtaira and its Eternal Flame, and his rainbow, white, golden yellow, and blue energy aura, immense rainbow aura with all the elements, immense holy white aura, and blue cosmic energy aura flared up even more as he began absorbing the core, its Eternal Flame, and the planet itself along with the volcanoes into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Phoenixvontaira's massive legendary Phoenix Sun in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

We came back home to Gotham Royal York, and then, we went to the gym at Lynn's Table.

Lincoln: That was so incredible! (Flexes his massive arms and his massive biceps bulged even more with the visible veins bulging out even more and were throbbing with raw power and white hot liquid fire coursing through his body)(GROWLS) RRGH!

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps,

forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

We laughed!

Luna: I can't even keep count of the many times that's happened to Lincoln! He also came home with his nose gushing out blood like a fountain along with getting covered in kisses and his tails wagging.

Nico: That's happened before? That must've been some intense make-out sessions Lincoln's had.

May: Just like ours, and it always ends with him engaging in one intense session of lovemaking and sex!

WHOOSH! CLANG!

Lynn almost whacked her in the head with a baseball bat.

Lynn: I thought I warned you not to say that!

May: YIPE!

Nico: Maybe you shouldn't say that out loud especially in front of

Lynn who's the most physically aggressive of Lincoln's sisters.

Lincoln: Lynn, put the bat down, otherwise, you're gonna have problems with Caleb again.

Lynn did so.

Suddenly, we heard the wails of the souls of the damned, and we saw a massive pitch black tornado of darkness appear with vampire bats, fiends, and the wailing souls of the damned swirling around it, and it was enough to send chills down our spines! Then, when the tornado faded, what stood in its place is a girl who was tall at 360'11" in height, she has the body of a goddess, long midnight black hair, crimson red eyes, vampire fangs, she has Summoned Skull on her forehead, black frilly long-sleeved sweater, black skirt, black knee-high high-heeled boots with black butterfly buckles, and long black long-sleeved coat with darkness, stars, demons, fiends, vampires, dark magic, Black Magic, Satanic Magic, phoenixes, and angels on the coattails, and on the back is Summoned Skull, and she has a darkness greatsword in hand.

Lincoln: (GASPS) Melanie Nefaria, Avatar of Summoned Skull and Vampire Dark Queen of The Archfiends.

Melanie Nefaria: Good to see you, Lincoln. Hello, sisters, Nico, and Qin.

Nico: Oh man, the elder sister of The Nefaria Sisters is here?!

Qin: The Vampire Dark Queen of The Archfiends is here!

Me: Lincoln, you know her?! Same with you and Qin, Nico?!

Lincoln: Indeed I do, J.D.

Anna Anyanova: And so do we, this is Melanie Nefaria, Avatar of Summoned Skull and Vampire Dark Queen of The Archfiends, she's Lincoln's Guardian Angel from Transylvania and she's the elder sister of Renata Nefaria, Natalia Nefaria and the other Nefaria Sisters, she's a Goth Girl who was born into darkness, and she has all the powers of dark magic, darkness, occult magic, and she can even summon all the forces of the undead and horror and has all kinds of powers that can give people nightmares forever. Melanie Nefaria moved to Royal Woods where she met Lincoln, and she taught him The Darkness Archfiend Path, and Lincoln gained even more omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, the shadows, dark magic, black magic, Satanic magic, The Dark Arts, The Occult, immense omnipotent powers of darkness, the creatures of the night, the vampires, the archfiends, and deities of darkness multiplied by infinity, and he also gained the powers of Summoned Skull, and she knew Lincoln was already born with immortality and invincibility, but she also knew that Lincoln was also a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and a powerful master of darkness along with being born as a powerful master of light, and more than once, she'd kissed him on the lips and made out many times underneath the full moon and he came back home glowing with more power and energy and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. She's also great friends with Lucy and The Young Morticians' Club, and she despises Myotismon with a bloody passion, and she swore to not only destroy him, but also, to curse him to an eternity of being destroyed over and over again, never knowing the release of death, and never realizing his dreams of domination over The Digital World and The Human World, and she also called him a disgrace to vampires and archfiends!

WE SCREAMED IN TERROR!

Me: OH, SWEET UNHOLY JUMPING BUTT BURPS!

Nico: Yeah, Melanie is that terrifying especially when she gets pissed, and if you piss her off, it's not gonna end well for you at all.

Qin: I can't even count how many curses she's inflicted on the shitheads back in New Jersey!

Lincoln: Or Royal Woods.

Renata Nefaria: And she's known as The High Priestess of Dark Curses, a master and creator of the darkest kinds of curses.

Melanie Nefaria: Which are also fatal, but only to the most irredeemable(To Lincoln) And it's so good to see you again, Lincoln, it's been eight years since we last met, but you've really grown that much.

Suddenly, Melanie Nefaria had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When

Melanie Nefaria was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Melanie Nefaria: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Melanie Nefaria's waist and hugged her, and Melanie Nefaria was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on

his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Melanie Nefaria: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 10,000'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and
999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9
sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and
999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9
massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, dark beard stubble on your jawline, thick brown goatee, and dark chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider,

and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Suddenly, Lincoln pinned Melanie Nefaria to the floor with his massive muscular arms still wrapped around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Melanie Nefaria with crimson red gems on the gold lightning bolts and fiery red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

He then helped her up and he kept her close to his body as she took the time to rub his massive muscles and massive hairy pecs.

Suddenly, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: But, this means your appearance is going to mean we'll be meeting the rest of your sisters as well after Nico's rescues. (Sensed The Anothers) Ah, and the Anothers are coming.

Eli: (Sensed them) Lincoln's right, the Anothers are coming, and one of them is Another Pohatu.

Pohatu: Another Me? That means who I'm facing is none other than...!

Lincoln: Evolt.

Me: Anti-Monitor's Second-In-Command.

Nico: His former second-in-command. Teridax is now Anti-Monitor's second in command after we sent Cybertron Megatron, Mavro, Armin Zola, and Shao Khan to The Warp.

Back on one of Lincoln's rescues where we met Penny Proud and her family and friends in Chapter 202, we battled Lord Demonblood, the evil undead Akuma of Caleb Maxwell from Super Brother's world and the creator and the leader of the other undead evil Akumas and we defeated him by driving a Dagger of St. Michael into his chest, and he was restored to normal. But, he was suddenly overwhelmed by the painful bitter memories of the past abuse and torture that led to his death and his resurrection as Lord Demonblood and committed suicide by driving the dagger even further into his body and the blade pierced his heart as he died in a pool of his own blood and he was sent to Hell. But, yesterday, Lord Sewage Breath, the undead evil Akuma of Chandler from Super Brother's world and the other undead evil Akumas, resurrected Caleb Maxwell from Super Brother's world, and he transformed back into Lord Demonblood, The Undead Evil Akuma Lord of Darkness and the creator and leader of the Undead Evil Akumas, and in his rage over being resurrected by Lord Sewage Breath who was the most untrustworthy of the undead evil Akumas, he killed him and made his declaration as the stage was set for the final battle with him.

Now, we are heading back to Manhattan, New York, and there, Lord Demonblood along with the other undead evil Akumas will be waiting for us, and we're going to first take down the other undead evil Akumas, and then, we go after Lord Demonblood and forever separate and sever Caleb Maxwell from Super Brother's world from his demonic Undead Evil Akuma Lord of Darkness form. The final chapter in Team Loud Akuma Angel Storm's epic battles against Lord Demonblood and the Undead Evil Akumas is about to unfold as Team Loud Phoenix Storm and The Masters of Evil are about to fight the epic battle to save the world from a reign of eternal darkness, and together, we will make sure The Undead Evil Akuma Lord of Darkness never rises again to terrorize the world.

We had all of TLPS and The M.O.E. with us.

Lincoln: Ah, we're here in Manhattan, New York, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're in for the biggest and the most epic rescue and battle ever.

Super Brother: That's right, Back on one of your rescues where we met Penny Proud and her family and friends, Lincoln, we battled Lord Demonblood, the evil undead Akuma of Caleb Maxwell from my world and the creator and leader of the other undead evil

Akumas and we defeated him by driving a Dagger of St. Michael into his chest, and he was restored to normal. But, he was suddenly overwhelmed by the painful bitter memories of the past abuse and torture that led to his death and his resurrection as Lord Demonblood and committed suicide by driving the dagger even further into his body and the blade pierced his heart as he died in a pool of his own blood and he was sent to Hell. But, yesterday, Lord Sewage Breath, the undead evil Akuma of Chandler from my world and the other undead evil Akumas, resurrected Caleb Maxwell from my, and he transformed back into Lord Demonblood, The Undead Evil Akuma Lord of Darkness and the creator and the leader of the Undead Evil Akumas, and in his rage over being resurrected by Lord Sewage Breath who was the most untrustworthy of the undead evil Akumas, he killed him and made his declaration as the stage was set for the final battle with him.

Nico: Yep, so we're back in Manhattan, New York, and right here, Lord Demonblood along with the other undead evil Akumas are waiting for us.

Super Brother: Yep, we're going to first take down the other undead evil Akumas, and then, we go after Lord Demonblood and forever separate and sever Caleb Maxwell from my world from his demonic Undead Evil Akuma Lord of Darkness form. The final chapter in Team Loud Akuma Angel Storm's epic battles against Lord Demonblood and the Undead Evil Akumas is about to unfold as Team Loud Phoenix Storm and The Masters of Evil are about to fight the epic battle to save the world from a reign of eternal darkness, and together, we will make sure The Undead Evil Akuma Lord of Darkness never rises again to terrorize the world.

Pesky Dust: That's for sure. Let's get that Undead Evil Akuma Lord of Darkness!

We all gave out a war cry and charged out!

WARRIORS OROCHI 3 OST: THEME OF OROCHI - REBIRTH MIX PLAYS

Meanwhile, outside of Lord Demonblood's castle, were vast armies of the evil undead Akumas of the counterparts of the villains we'd faced off against in the past from Super Brother's world, and right in front was a dark figure who looked like Caleb Maxwell in appearance, and was dressed in a long long-sleeved black coat, black pants, black knee-high boots, and blood red short-sleeved shirt, but the sclera of his eyes are blood red and his pupils are crimson red.

It was Lord Demonblood, the undead evil Akuma of Caleb Maxwell from Super Brother's world, The Undead Evil Akuma Lord of Darkness, and at his side were Lord Hellbird, The Undead Evil Akuma of Sergio from Super Brother's world, Demon Witch, The Undead Evil Akuma of Morag from Super Brother's world, and Genocidal Madman, The Undead Evil Akuma of Dr. Akihito Kurata from Super Brother's world.

Lord Hellbird: (Demonic Voice)(SQUAWKS) Look, my lord, the party guests are here for your welcome home party! Team Loud Phoenix Storm, Team Loud Akuma Angel Storm, and The Masters of Evil, all the big names are here!

Demon Witch: (Demonic Voice)(Scottish Accent) Those fools of Team Loud Akuma Angel Storm destroyed my only chance for peace and quiet, I despise them!

Genocidal Madman: (Demonic Voice) And because of them, they ruined my plans to destroy The Digital World and The Human World! DAMN THEM! DAMN THEM ALL! Revenge will finally be ours!

But, Lord Demonblood had paid them no heed at all, as he walked forward and raised his right gun at us in the distance.

Lord Demonblood: (Demonic Voice) Come, Gods Among Men, come test your might against us if you dare! End me if you can, end this nightmare of yours!

Back to us, we heard Lord Demonblood's declaration and threat.

Super Brother: (Thinking) No, Caleb, it's not going to end with you dying at our hands nor by yours, the darkness you were damned with is about to be brought to an end.

Super Brother's Allie Maxwell: We got to be very careful, guys, Lord Demonblood's not the only one we need to destroy, there's Lord Hellbird, The Undead Evil Akuma of Sergio from our world, Demon Witch, The Undead Evil Akuma of Morag from our world, and Genocidal Madman, The Undead Evil Akuma of Dr. Akihito Kurata from our world, they're among the most wicked, unhinged, and really dangerous of our world.

Nico: Wait, what?!

Super Brother: Yeah, I know. That was a low blow from my world's Caleb Maxwell, bringing those three monsters from my past back from the dead. Well, we'll make sure they get sent back to the grave as well.

Suddenly, we saw Demon Witch, The Undead Evil Akuma of Morag from Super Brother's world and an army of other undead evil Akumas heading right for us.

Wind Golfer: Oh, great, look who's coming after us first!

Ultimate Athlete: Morag?! Ugh, that insane witch, what a loser!

Super Brother: I've absolutely had it up to hear with you, you big-butted insane old witch! This is where you die here and now!

Super Brother fired a massive barrage of Daggers of St. Michael which hit Demon Witch and the army of other undead evil Akumas in the chest and pierced their hearts and white lights burst out of their bodies and they exploded in white flames and they were sent to The Black Abyss.

Rocker Mermaid: Take that, you insane old hag!

Then, we saw Genocidal Madman, The Undead Evil Akuma of Dr. Akihito Kurata from Super Brother's world coming after us with another army of other undead evil Akumas.

Rainbow Firestorm Phoenix Angel: I should've known you would be next, Kurata! And I've had it up to hear with you for the last time! Now, disappear forever!

Rainbow Firestorm Phoenix Angel fired a massive barrage of Daggers of St. Michael which hit Genocidal Madman and the army of other undead evil Akumas in the chest and pierced their hearts and white lights burst out of their bodies and they exploded in white flames and they were sent to The Black Abyss.

Lincoln: Now, we got one last pest to take care of.

Finally, we saw Lord Hellbird, The Undead Evil Akuma of Sergio from Super Brother's world coming after us with the last army of other undead evil Akumas.

Super Brother: Sergio, the troublemaker of Great Lakes City. I was so glad to be rid of you after you'd turned traitor long ago, but Caleb made a huge mistake bringing you back from the dead! Now, I intend to finish you off once more, this time, stay dead, you stupid bird!

Super Brother fired a massive barrage of Daggers of St. Michael which hit Lord Hellbird and the last army of other undead evil Akumas in the chest and pierced their hearts and white lights burst out of their bodies and they exploded in white flames and they were sent to The Black Abyss.

Me: We got rid of all the undead evil Akumas, now all that's left is Lord Demonblood, the undead evil Akuma of Caleb Maxwell from Super Brother's world, The Undead Evil Akuma Lord of Darkness.

Electro: (to Lincoln) Nico's rescue yesterday was rescuing Young Mimi and battling ShogunGekomon on Sirentaira. And his rescye today was rescuing Young Sora and battling Evil Myotismon on Phoenixvontaira.

Lincoln: Yeah these were really intense rescues! We helped Young Mimi realize that being a princess is tough and more. Also we helped Young Sora. She was having lots of problems because of family ties. Her mother.

Electro: Oh man. What happened?

Lincoln: Mrs. Takunouchi was worried about her daughter getting hurt. After an incident that happened when Sora got her leg hurt after a soccer game, she was worried about Sora getting hurt worse and told Sora to stop playing soccer and work in the flower shop after School. But when Sora's team lost the game she blamed her mother for it and had a hard relationship with her.

Electro: Oh man. Poor kid. She really must've hated her mother for that big time.

Anna Anyanova: Yeah she broke down crying when she told us what happened.

Slab: The poor kid. Also the battle with Evil Myotismon was REALLY INTENSE!

Twilight Sparkle: Nico transformed into his most powerful form of all! Now J.D., Lincoln and Nico have unlocked their most powerful ultimate forms! They overwhelmed their opponents with them. And to raise the stakes, Evil Myotismon turned into MaloMyotismon and it was INTENSELY POWERFUL!

Comet Stardust: HOLY MACKEREL! It was like the ultimate clash of the titans!

Daylight Savings: It sure was! Not even a Super Ultimate Level Digimon was strong enough to face Nico!

Stellar Sparkle: No kidding! That was intense!

Harmony Sparkle: We all were amazed about it!

Twilight Sparkle (G5): Yeah no kidding! We were amazed that Nico's new form has so much power.

Cosmic Nebula Sparkle: It's really intense!

Starshine Sparkle: I'll say!

Spyro: No kidding there!

Electro: WOW! That is incredible! Good work to Nico and everyone! Lets do it!

---

Oculous was next.

Oculous: (to Tommy) The Anothers over the last 2 days were the gene-slammers of Vampire Orchis, Garuda the Wind Spirit, Hellpepper of the Confloragration and Flame-Finned Lionfish. Nico, Peppino's team, Lord Pizzazure's team, Pesky Dust's team, and Universe 666 Gwyllion's team did good battling them.

Tommy Himi: They sure did and it was really intense!

Kumamon: Yeah no kidding! Also the Dark Gale gene-slammers we met yesterday were the Calamity Sisters. They were the Forces of Nature - Tornadus, Thundurus, Landorus and Enamorus.

Oculous: WHOA! That is intense!

Kumamon: It sure is! And we met Galarian Articuno, Galarian Zapdos and Galarian Moltres today. They were intense and they were known as The Titans of The Force!

THEY GASPED!

Oculous: Oh man!

Luna Lovegood: (British Accent) Their names are Alveena Rexto, Veena Lexxtra and Mellora Creeta. They are known as The Titans of the Force. They are Jedi Grandmaster Girls that have been around since the dawn of the Light Side of the Force. Eli said he knew all sorts of legends of them and how they have killed the DARKEST SITH AND DARK JEDI OF ALL! They are from the ancient planets of Ossus, Ahch-Too and Tython and they have mastery over THOUSANDS of years of Force Techniques and all the techniques of the Lightsaber and more.

THEY GASPED AGAIN!

Oculous: OH WOW! That means they have been around for over 25,000 years!

Sunset Shimmer: That's exactly right.

Firestorm Shimmer: We were amazed ourselves and it was intense.

Even the Jedi on Coruscant were amazed to hear about this.

Sunset Shimmer (G5): These girls were so proud to hear about how we destroyed Palpatine and end the terror of the Sith and the Dark Side forever. Not only that, but these girls are said to be known as the Ultimate Bringers of Light because they are known the ones that Destroyed Näkhäsh, also known as The Father of Shadows. You thought Palpatine was bad, Näkhäsh is WORSE! He is the VERY EMBODIMENT AND CREATOR OF THE DARK SIDE OF THE FORCE. He is the Star Wars Universe equivalent of the Devil himself and has been Around since the beginning of time

THEY WERE SHOCKED!

Oculous: OH MY GOD! I've heard legends about Näkhäsh and how big time evil he is! He makes all the Power Rangers enemies look like a joke!

Pipsqueak: (British Accent) That's right and he is beyond pure evil! He was banished to the worst and darkest part to the Black Abyss forever.

Chalcanthite Aurora (British Accent) His name is too frightening to speak and strikes fear into the hearts of man because of how evil he is. The Sith were known as the Agents of Näkhäsh and their goal is to spread his shadows and destroy all life in the entire universe like a cancer.

Oculous: OH MAN! That is terrible! Good thing these girls destroyed him forever!

Sunburn: And rid the entire universe of the worst evil forever.

Oculous: No kidding! Lets do this!

DEN-O TIME TRAVEL RETRIBUTION

Takanuva's day to shine

WORK IN PROGRESS

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a massive and powerful red planet of fire whose landscapes are decorated with endless gyms, a massive temple, mountainous rock formations in the forms of barbells, and the echoing roars of raw power and strength through eternity, and protected by a race of bodybuilder warrior angels born for pure primal male and female physical upper and lower body strength, power, durability, and endurance, and the males who'd spent their lives fighting proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters born for strength and war, but they also have vast countless eons of combat experience, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, and immense omnipotent powers of fire, flames, exercise equipment, and free weights, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Strengthraira, a massive and powerful red planet of fire whose landscapes are decorated with endless gyms, a massive temple, mountainous rock formations in the forms of barbells, and the echoing roars of raw power and strength through eternity, and protected by a race of bodybuilder warrior angels born for pure primal male and female physical upper and lower body strength, power, durability, and endurance, and the males who'd spent their lives fighting proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters born for strength and war, but they also have vast countless eons of combat experience, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, and immense omnipotent powers of fire, flames, exercise equipment, and free weights, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

Lincoln: Oh man, I haven't been back to Strengthraira in eight years, and that place was really intense.

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Strengthraira.

Lincoln landed on Planet Strengthraira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: I'm back on Planet Jorogumaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as intense as ever.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw an extremely strong-looking male who's really tall at 9,999'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a crimson red sun and moon on his chest, long black hair going down to his shoulders, crimson red eyes, massive crimson red angel wings with fire reflecting in the crimson red feathers, and he has on a crimson red loincloth, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Samson Strengthraira, King of The Strengthrairans of Planet Strengthraira.

Lincoln: I do, he's the father of my Guardian Angel, Serena Strengthraira, Queen of The Strengthrairans of Planet Strengthraira, and I know she's right...here!

Suddenly, Lincoln turned around and saw a beautiful female bodybuilder who was tall at 1,000'11" in height, she has the body of a goddess and bodybuilder physique and large breasts, long black hair, crimson red eyes, she was dressed in a crimson red two-piece bikini, and enormous crimson red angel wings with fire reflecting in the feathers.

Lincoln: (Smirks) I knew that was you, Serena Strengthraira.

Serena Strengthraira: (Smirks) Well, I wonder what it was that gave me away. You're always so sharp and focused just like the rest of your body thanks to all that training and hard work you underwent under us.

Then, all of the other Googol of Vigintillions of male Strengthrairans came to Lincoln.

Samson Strengthraira: That's correct, and this was something Arachneva wanted to do. (Smiles) And just as we saw, you've indeed grown that much stronger and much taller, you're now taller than me, and you're also even more buffer and muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln: Yes, that's indeed correct, sir, and there's something I need to tell you.

Samson Strengthraira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Samson Strengthraira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Samson Strengthraira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Samson Strengthraira and the other Googol of Vigintillions of male Strengthrairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, and immense omnipotent powers of fire, flames, exercise equipment, and free weights, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,
sets of large white angel wings underneath his enormous white

angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999, massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH! (WOLF ROAR)

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura and blue cosmic energy aura was raging like a really massive wildfire and he has a crimson red aura with flames surrounding him and overflowing with such infinite primal power and ferocity as he pounded his chest like a gorilla.

Lincoln: Whoa...! (GROWLS) This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Samson Strengthraira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Serena Strengthraira: But, before he absorbs our planet, The Temple of Bodybuilding Might, the planet's many gyms, the planet's fiery core, and Strengthraira's burning Sun of Muscle Power into his body, it's been two years since we last had an...intimate moment.

Suddenly, Serena Strengthraira went up to Lincoln and she placed her hands on his massive hairy pecs and they kissed with a smoldering intensity and he wrapped his arms around her waist and he deepened the kiss even more as she wrapped her arms around his neck: they were engaging in a smoldering intense make-out session as they kissed deeply and passionately, and Serena Strengthraira also kissed and bit Lincoln on the right trapezius, neck, twelve-pack abs, and massive pecs, and when she slowly removed her lips and licked the love marks, they glowed with smoldering heat and fire and Lincoln was also glowing as his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails were wagging.

Lincoln: (GROWLS)(Smirks) It's been a while since you last left your lipstick marks and bite marks on me. Now, it's my turn.

Suddenly, Lincoln wrapped his massive muscular arms around Serena Strengthraira's waist and pinned her to the ground with her legs around his waist and he leaned his head down to her face and kissed her again on the lips with intense passion which she returned as she still had her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Serena Strengthraira with crimson red gems on the gold lightning bolts and crimson red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

They stayed in that position with Lincoln on top of her as she then took the time to rub his massive muscles and massive hairy pecs.

Suddenly, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura and holy white aura and blue cosmic energy aura exploded even more with power,

and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,

massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Suddenly, Lincoln's deep sapphire eyes turned neon glowing deep sapphire blue along with the visible veins on his upper and lower body, and then...!

Lincoln: (GROWLS)(WOLF ROAR)

RIPS!

The sudden surge of power caused Lincoln's white shorts and loincloth to tear to shreds leaving him in the nude, but it led to Serena Strengthraira looking at Lincoln whose neon glowing deep sapphire eyes were now full of a smoldering desire and lust to have sex with her as it led to an intense smoldering lovemaking fest which ended many hours later with Lincoln letting out a loud roar and manly wolf howl of dominance, and Arachneva Jorogumaira was left feeling pleasured.

Serena Strengthraira: (In Heaven) Oh God, you've become such a...primal...virile, and manly beast, Linky.

Lincoln's white and gold trimmed shorts reappeared and his orange loincloth reappeared around his waist and he beamed Serena Strengthraira to his room and he flew deeper and deeper into the planet, and he found the fiery core of Strengthraira, the inner and outer core of the planet consisted primarily of iron and nickel and are extremely infernally hot with a temperature at more than 1,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Strengthraira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself along with The Temple of Bodybuilding Might and the planet's many gyms into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH! (WOLF ROAR)

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Strengthraira's massive burning Sun of Muscle Power and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9
sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9
massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more, and despite being asleep, Arachneva Jorogumaira felt it as she smiled in her sleep.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming) (GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks) (Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last

muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln, his harem, and his kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: I'm afraid this was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Strengthraira, a massive and powerful red planet of fire whose landscapes are decorated with endless gyms, a massive temple, mountainous rock formations in the forms of barbells, and the echoing roars of raw power and strength through eternity, and protected by a race of bodybuilder warrior angels born for pure primal male and female physical upper and lower body strength, power, durability, and endurance, and the males who'd spent their lives fighting proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters born for strength and war, but they also have vast countless eons of combat experience, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, and immense omnipotent powers of fire, flames, exercise equipment, and free weights, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

He finished and returned the book to Lincoln's room.

Me: Whoa!

Nico: You said it. I heard many legends about Strengthraira, and The Strengthrairans are really strong physically, no one would ever fight them, even The Infernairans didn't stand a chance! No matter how strong they were despite their rage, The Strengthrairans beat them every single time, but that alone made The Infernairans even angrier than ever.

Then, we saw Serena Strengthraira enter and she sat with Lincoln.

Me: Whoa, and who's the female bodybuilder angel?

Anna Anyanova: This is Serena Strengthraira, Queen of The Strengthrairans of Planet Strengthraira, she's Lincoln's Guardian Angel from Planet Strengthraira, a massive and powerful red planet of fire whose landscapes are decorated with endless gyms, a massive temple, mountainous rock formations in the forms of barbells, and the echoing roars of raw power and strength through eternity. Serena Strengthraira ruled as the mighty Queen of the Strengthrairans, a race of bodybuilder warrior angels born for pure primal male and female physical upper and lower body strength, power, durability, and endurance. But, Selena Strengthraira herself is far beyond them, a primal bodybuilder Titaness of battle, living juggernaut, and the embodiment of physical strength and power times infinity. In addition to being a powerful and strong hand-to-hand combatant, powerful skills in wrestling, fighting, martial arts, and weightlifting and bodybuilding, she has immense omnipotent power over everything related to upper and lower body strength, godly universe crushing superhuman strength, power, godly superhuman durability, godly superhuman endurance, godly superhuman adrenaline, and the power to summon bodybuilder spirits to crush her enemies, and with every challenge, her power only grew stronger. Serena Strengthraira was born with enormous and really superhumanly strong muscular angel wings with fire reflecting in the enormous crimson red feathers, the strong godly bodybuilder physique of all the female bodybuilders, and she carried the heart of a bodybuilder goddess within her wielding the raw might of her people times infinity, as well as omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, and immense omnipotent powers of fire, flames, exercise equipment, and free weights. When the Infernairans showed up to destroy The Temple of Bodybuilding Might, she smashed a group of them into the ground and left their bodies broken and the remaining Infernairans fled, and she swore to destroy the Infernairans and break every last bone in their body, and after what had happened, Serena Strengthraira set out to find the one that her people have talked about in an ancient prophecy: a young man with a powerful spirit and determination that matches that of The Strengthrairans and the many races who'd fallen victim to The Infernairans, and that young man...was Lincoln

Loud. Serena Strengthraira descended unto Earth and Royal Woods with a powerful seismic quake where she met Lincoln, and he saw her and she swore to protect him with her unbreakable will and strong heart. She trained Lincoln in The Path of The Bodybuilding God: training him in powerful hand-to-hand combat, close-quarters grappling, wrestling, martial arts, weightlifting, battle roars, raw adrenaline, and the power of weightlifting, raw might, raw strength, and raw power, and under her guidance, Lincoln gained even more omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, excessive tons of incredible godly excessive libido, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass immense omnipotent powers of fire, flames, exercise equipment, and free weights, powerful hand-to-hand combat, close-quarters grappling, wrestling, martial arts, weightlifting, battle roars, raw adrenaline, and the omnipotent immense power of weightlifting, raw might, raw strength, and raw power, and she also enhanced and made his immortality and invincibility even more powerful, and his already immortal and invincible body was enhanced beyond comprehension, and she knew deep down that Lincoln's a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid, an extremely powerful, godly, gigantic, massive, handsome, sexy, and extremely super strong manly wolfman and God with rugged good looks and endowed with abnormally massive and powerful upper and lower body muscles and twelve-pack abs and numerous massive and long brown wolf tails that are just as strong as his body which also grows even more stronger than ever along with enormous white angel wings and numerous sets of large white angel wings underneath his enormous white angel wings, and he becomes even more ripped than ever due to continuing on with bodybuilding and working out even more, and because of it along with the diet plan his Guardian Angels gave him, along with his hyperpuberty and genes, Lincoln gained the excessively godly powerful, massive, and excessively godly muscular body: every last massive muscle in his upper and lower body was shredded with incredible definition and bulging even more with visible veins bulging out even more and throbbing with raw power and white hot liquid fire coursing through his body and bursting with raw power, long wild and flowing hair, chiseled jawline with dark stubble on the jawline, dark hair covering his muscular forearms, and dark chest hair covering his massive pecs, and that drew out her primal instincts like no one else ever had, and more than once, she kissed him deeply and full of smoldering passion, covering him in love bites causing him to come home glowing, breathless, and wagging his numerous tails like crazy, and her love for him had only intensified. She helped him build even more godly muscle, honed his instincts, and sharpened his inner beast with sacred training from her people's priests. Serena also gave him the ability and power to grow even more stronger with every hit he took, and she gifted him The Divine Will of The Alpha Wolf God that her people worshipped, a powerful force of virility and strength that made Lincoln the embodiment of Strengthraira's future. He absorbed the Googol of Vigintillions of her people, The Strengthrairans, The Temple of Bodybuilding Might, the planet's many gyms, the planet's fiery core, and Strengthraira's burning Sun of Muscle Power to preserve their legacy. One day, she received a colossal greatsword crafted by Lincoln himself, engraved with celestial runes and forged from Strengthraira's last sacred ore, and to thank him, she kissed Lincoln with overwhelming smoldering passion and their hearts pounded like drums, and Lincoln returned the kiss with equal smoldering passion, and promised that when he comes of age, he will marry her and the rest of his celestial cosmic harem, and she hates Lincoln's enemies with a fury as hot as Strengthraira's fiery core, and swore to break every bone in their bodies, repair the damage, and break them again for all eternity!

Me: WHOA!

Kiara Kessler: Serena really trained him real hard, and the results were really immense!

Nico: I can see it for myself. She trained him that much and he's become that ripped and that strong and powerful.

Serena Strengthraira: That's for sure, and all that hard training I'd put you through really sharpened you into the very warrior you've become and even going to my planet also helped greatly, Lincoln, and we also had known Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely excessive virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever, and last night, after he fed on my blood and marked me, he gained Strenghtraira's Blessing of Blazing Fire Muscle Power Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 10,000'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and
999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,
sets of large white angel wings underneath and
999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,
massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Serena Strengthraira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well, not to mention you were quite the wild untamed beast last night.

Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell: Take it to your bedroom, you two!

Corsola went into Takanuva's room and saw him meditating in a ball of light.

Takanuva: Ooooommmm.

His powers of light were getting stronger.

Takanuva came out of the light.

Corsola: Morning Takanuva.

Takanuva: Morning Corsola.

Corsola: Time for breakfast.

Takanuva: Be right down.

He went to the table.

Me: Morning Takanuva.

Takanuva: Morning guys.

I gave him pancakes and fruit.

Eli: (SENSES SOMETHING) WHOA! May your egg is hatching!

Nico: What Egg?

May: I'll show you!

We went to her and Nico's room and we saw an orange egg

glowing.

Me: WHOA!

Nico: What kind of egg is it?

Eli: Watch.

It glowed with intense rainbow fire and light and then out came a HO-OH!

WE GASPED!

All of us: WOW!

Nico: WOW! A Ho-Oh!

May: WOW!

Rainbow Dash: AWESOME!

Ho-Oh saw May and realized she hatched him.

May hugged him and Manaphy.

Manaphy: YAY! I have an awesome legendary brother Pokemon!

Nico: You sure do!

May had an awesome Rebirth Ball for him.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Nastina, and that jellyfish-hating monster is at the town of Port a Vista, and she's at it again!

Me: What the Hell?! That nasty jellyfish-hating old hag's at it again?!

Nico: Seriously?! She just doesn't learn, does she?!

May: Seriously, didn't we just take down Nastina months ago and sent her butt to Vypra?! How did she even escape from Vypra's watchful eye?!

Lincoln: No idea, but it's clear that since Nastina refuses to learn her lesson, I think it's time to make sure she learns her lesson through yet another thrashing. I hate to do this, but I think we should let Caleb Maxwell beat her into a bloody pulp yet again.

WE GASPED IN HORROR!

Luna: Dude, are you even sure of that?! Don't you know what happened last time he went head to head with that old hag?!

Lincoln: I know, but Nastina never learns her lesson, and the only thing that'll make her learn is through sheer bloody violence, and Caleb is the only master of that kind of violence.

Nico: You're right about that, Lincoln.

Me: I'm also starting to think someone must've allowed Nastina to escape from Vypra's eye, and that it's someone from my past who wants revenge on me.

Varie: You think it's Yoshinobu Sago and his group, The Gokoku Sotenkai?!

Me: I can't think of anyone else, he and his group were the only ones sent to Hell eleven years ago, and I'm willing to bet they escaped from Hell to get revenge on me and not only kill me, but all of TLPS, and the MOE. That guy was always a cold-hearted monster and a worthless maggot!

Ed Cowart: That monster! He doesn't deserve to live after everything he's done!

Lincoln: We'll worry about Sago and his goons later. Right now, let's finish breakfast and head to Porta Vista to deal with Nastina.

Nico: Right.

We finished breakfast, and we headed to Porta Vista to help Marinette unlock her Rainbow Power and take down Nastina.

And we were there for a fun rescue.

Me: Porta Vista. Been a while since we were here.

Xenia: Yeah.

Laney: I know.

Lola: It sure is awesome.

Camie: It sure is.

Nico: Astrodactyl, I want to thank you, Ice Dactyl, and your teams for coming.

Astrodactyl: No problem Nico. This is gonna be fun.

Qin: It sure will.

Aerodactyl: I will be ready for this.

Nico: Aerodactyl, who's your trainer?

Petrie: Me am his trainer.

Me: Fitting.

Nico: I agree.

Aerodactyl: Yes it sure is.

Qin: We think it's cool.

Nico: Because you're both pterodactyls, right?

Petrie: That right.

Aerodactyl: It sure is.

Me: Awesome.

Nadia Nastina: Guys remember what I said about me wanting to put my mother in her place?

Me: We sure do Nadia.

Nadia Nastina: I meant every single word of it. I'm going to make sure she respects Jellyfish Pokemon no matter what. Now that I'm a Mega Tentacruel Gene-slammer she is going to feel my wrath.

Tentacool: I'll help you. She attacked MY kind!

Nadia Nastina: Thank you for that.

Me: Yeah!

Nico: That is for sure.

Manaphy: YEAH!

Nico: And Manaphy you now have an awesome brother.

Manaphy: I sure do! A Ho Oh!

Me: That is so cool!

Rainbow Dash: I found that Ho Oh Egg and gave it to May. Figured she could hatch it like she did Manaphy.

Poromon: Now to give him beer!

May: NO!

Nico: Poromon, May told us earlier she will never let him touch beer.

Poromon: Aw man.

Manaphy: Besides, one beer drinking mascot from mamas side is plenty.

Poromon: Okay then.

Poliwag grinned and got a beer bottle close to Ho Oh

I grabbed it.

Me: Nice try.

Nico: Poliwag!

Poliwag: Sorry.

Me: Anyway yesterday was so fun!

Sento: Holy cow! That was intense!

Me: Yep. And we destroyed Evolt. But not that it matters because Anti-Monitor has Teridax now.

Nico: But that's still another Kamen Rider villain dead

Me: Good fucking riddance.

Varie: Soichi is now fully 100% recovered.

Me: Thank goodness.

Lola: Yay!

Nico: Good.

Me: But because of all the damage and destruction he caused to Japan even though it was against his will, he can never go back to Japan. He sent himself into exile at the estate.

Sento: I don't blame him. Poor guy.

Nico: We also fought some of the Akumas we fought the first time

Adrien: Guess Lila's replacing them with different ones in her own army

Me: Well we'll be ready for them.

Qin: That's for sure.

Camie: It's going to be awesome.

Me: Yep.

Pohatu: Lets not forget my Akuma. Man I was a savage!

Nico: And looked like Lythos

Me: He sure did.

Qin: Yeah!

Nico: We should start preparing who fight each of Lila's army

Me: Good idea.

Qin: Yeah.

Lola: Yep.

Nico: And we ate ice cream from the Glaciator clone

Me: We sure did.

Nico: Yep. By the way J.D., we heard screaming coming from the city. What was that about?

Me: I put illusions all over the city of everyone calling Crackhouse Goofy names and calling him a bitch. He hates being called that. He went on a rampage and the curse kicked in and pulverized him mercilessly ten fold. I told him I did it and he's going to come after me later on. I want him to feel the full force of the curse's wrath when we kill him later on.

Nico: You're not going to send him to the Black Abyss are you?

Me: OH HELL NO! I'm going to keep him as comic relief and make us laugh. I'm going to send him to hell and make him endure thousands of years of torture.

Nico: Good. Because he's not that threatening

Me: Nope.

Apple Bloom: Oh guys, I just found the right dated where me and the crusaders and Marinette and friends can deal with Lila.

Me: Really Apple Bloom?

Apple Bloom: We picked September 18th, 2024 for that.

Me: Why that one?

Sweetie Belle: Because of this.

She showed me a book on the Miraculous and there was a prophecy showing a Lunar Eclipse over Paris and 7 figures and the Miraculous Users and the Sword of Joan of Arc stabbing into a demon.

Me: (Reading) "The Shadow of the Red Moon will Weaken the Moth of Darkness

The Angels of Justice from the Light of God will bring her great boon

From the Blade of the Miraculous bring the Avenging Light

And End the Terror of the Lies of Doom."

Nico: What does it mean?

Me: Hmm.

I looked at the star charts and saw something interesting!

Me: WHOA! This is gonna be interesting. On September 18th, 2024 On the night of a Total Lunar Eclipse over Paris, France, Marinette and friends and the Cutie Mark Crusaders will use the Red Moon Shadow to their advantage and bring the end of Lila Rossi and destroy her. When the Moon is blocked out by the Shadow of Earth Omega, the Lunar Eclipse will strip her of her powers and render her completely vulnerable.

Qin: WOW! So a Lunar Eclipse will be her end.

Me: And it's going to be at peak totality at 2:41 AM.

Nico: WHOA! A Predawn Hours mission. This is gonna be intense.

Xenia: Wow.

Nico: So I guess she gets to live a little while longer

Me: Yep. And on the day before the Anniversary of the Great Friday the 13th War with the Anti-Fairies.

Qin: Wow!

Eddy: Hey, there's still the other baddies

Me: Yep. But they will be dealt with soon.

Nico: And we showed Evolt that we don't die easily unlike when he killed the High Mage

Me: Yep. We are impossible to kill.

Nico: Yes we are. Oh J.D. what happened to Crackhouse Minnie?

Me: Oh I had a bunch of curses put on her that hit her with everything but the kitchen sink, and the Telephone of Despair times 1000. Also I put a curse on her that Makes her get beaten up by a million musclebound jerks times 100,000,000.

Nico: OUCH!

Me: She fucking asked for it for treating Mickey like a slave.

Lola: What a bitch!

Qin: Yeah!

Me: Yep. She's going to hell for 100 days later on. That's over 20,000,000,000 years of torture coming to her.

Qin: BRUTAL!

Nico: GEEZ!

Me: She fucking deserves it.

Qin: Big time karma.

Lola: Yep.

Me: Also she fucking beats the living shit out of Mickey for no fucking reason just to see him suffer. That's spousal abuse.

Nico: What a monster! She belongs in hell.

We were walking.

Poromon: It's a nice day out

Me: Yes it is.

But then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

There was a massive fiery explosion!

Me: WHOA! What caused that!?

Then a MASSIVE BAG FULL OF CASH landed in my hands!

Me: WHOA! How lucky can a guy get!? But where did that explosion come from?

?: I caused it to a bunch of Nastina's men.

We saw a girl that was half Shortfin Shark and she had green pants and shoes.

Sarah J. Orca: Sarah J. Orca A.K.A. Aqua-Jinx, Luck Manipulator of the Tidal Fangs.

Me: WHOA! Pleasure to meet you. You did that? How?

Sarah J. Orca: I have the power to inflict bad luck on my enemies and give good luck to my friends.

Me: That is cool!

Ed: Do it again! HAHAHAHA!

Sarah J. Orca: Okay.

She saw numerous men of Nastina and with a flick of her wrists...

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Their tanks exploded and thousands of gold bars landed by us and we also got their lunches.

Lola: Oh boy! Let eat!

Poromon: That is lucky!

Me: NICE! Wow! That is really cool!

Poromon: What kind of lunch did we get?

They saw really big sub sandwiches and beer.

Poromon: YAY BEER! AWOOOOO!

They got to eating.

WE LAUGHED!

Me: But that was cool!

Sarah J. Orca: Yep. It used to be just misses and slips from my enemies. But my powers have evolved and can cause all kids of terrible unfortunate accidents to happen to our enemies and good luck to our friends.

Me: WOW! What were you doing when you transformed?

Sarah J. Orca: Well I was battling Paradigm's men that were Krill men.

She was a girl with red hair and green eyes and snapped her fingers and caused them to fall on banana peels that appeared and they exploded!

Sarah J. Orca: NICE!

She took a vial and injected herself and turned into HALF SHORTFIN SHARK!

She went and kicked more butt!

FLASHBACK ENDS

Me: WHOA! Think you can cause enough bad luck to happen to Crackhouse Minnie and Goofy?

Sarah J. Orca: Deal.

Me: And those two can kiss my fucking ass!

Qin: NICE!

Me: Those motherfuckers can go back to the gutter where they belong and drink sewer water like the pigs they are.

Nico: HARSH!

Crackhouse Minnie: (OFFSCREEN) WHAAAAAAAAAAATTTT!?

Crackhouse Goofy: (OFFSCREEN) WHAT THE HELL!?

She snapped her fingers and then...

MASSIVE NUMEROUS CRASHES AND SCREAMING OF AGONY! NUMEROUS EXPLOSIONS AND AGONIZING PAINFUL SCREAMS!

THEY WERE BEING SMASHED AND PULVERIZED BRUTALLY BY HER BAD LUCK SPELL!

Me: BRUTAL AND AWESOME!

Horsea: Your hobbies?

Sarah J. Orca: I do Irish Dancing and cooking at festivals and I also like Irish Dancing as my hobby.

Nico: COOL!

Laney: Awesome!

Me: Would you like to revert back? You can transform at will.

Sarah J. Orca: I would like that.

Me: Cool.

I put on my blind man glasses.

Lincoln: EYES TO YOURSELVES PERVERTS!

Nicole: Aw Lincoln I was gonna say that!

Lincoln: Sorry Nicole! (LAUGHS)

Me: Here we go! (SNAPS FINGERS)

She doubled over in pain and reverted back and was a girl with red hair and green eyes and a Shortfin Shark on her forehead and had a 4 leaf clover on her Tidal Fangs cutie mark.

We wrapped her in a blanket and brought her over and her clothes fell off.

We put her on a bench.

Me: There.

Camie: Her clothes are too big for her.

She felt her face

Sarah J. Orca: Hey wow!

I showed a mirror and she was normal!

Sarah J. Orca: I'm normal again!

Jillian Scott: Yep you sure are. Also guys we have all the Tidal Fangs back. We're all present and accounted for.

Maria: Damn straight!

Me: Yep.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new green clothes and an amazing red Scottish Kilt and a sash and a Scottish Claymore.

Sarah J. Orca: I look great! Just like the ways of my ancestors. I am of Irish and Scottish origin.

Me: Cool!

Lincoln: Okay, guys, we're in for one intense battle, we're here in Porta Vista to help Marinette unlock her Rainbow Power and take down Nastina.

We saw a Slowpoke.

It barked like a seal!

SEAL BARKS!

Me: I know Slowpoke is the Dopey Pokemon but this one is even dumber than Billy.

Loni: Hey there!

SEAL BARKS!

WE LAUGHED!

Loni: Here.

She gave it apples and it ate them.

Loni: There you go. Want to come with me?

SEAL BARKS!

Me: That is a yes.

Qin: Cool!

We then heard a bleet noise and we saw a Mareep.

Me: Hey a Mareep.

Misty: Cutie!

Me: Sure is.

She went over to Pikachu and cuddled it.

Pikachu: HEY! Get off me! PIKA CHUUUUUU!

It absorbed the electricity and puffed up like a cotton candy cloud!

Me: Whoa so that's how Mareep get more fluffy.

Me: Yep. Lets focus on the Mareep.

We looked at her.

Me: You sure are a fluffy one.

Nico poked it and it was fluffy.

Nico: Sure is fluffy.

James: You know every piece of clothing I had growing up was made of Mareep Wool, socks, shorts, sweaters, unmentionables, it was all made of Mareep Wool. It was like heaven. Everyone beat me up for it out of jealousy.

Me: Whoa man.

Qin: Wow.

Me: This Mareep must be one of Dark Gale's Work.

Sheena: This Mareep is a girl named Catarina Phillips. She's from Switzerland.

Me: Fitting for her because Mareep look like Sheep. Lots of Shepherds and sheepherders there.

Nico: Yep.

Rolf: Rolf will help in this one.

Me: Okay.

We went to her.

Me: It's okay there.

Rolf: Rolf is here to help Sheep Girl.

She went over to Horsea and cuddled with her

Horsea: Aww you're a friendly one.

Qin: She sure is.

Maria: Yeah.

Lola: Aww.

Me: Lets get her back to normal.

I snapped my fingers and she reverted back and had blonde hair and blue eyes and blue angel wings and had Mareep on her forehead and had the Matterhorn with a sheep and chocolate bar on her arm as a cutie mark.

We wrapped her in a blanket and put her on a bench.

She woke up to see Horsea cuddling with her.

Catarina Phillips: (Groans) What hit me?

Horsea: You cuddled me and it was awesome

Catarina Phillips: Well hello there. (STOMACH GROWLS)

Rolf: Let Rolf partake you with a sandwich.

He gave her a sandwich consisting of lunchmeat, tentacles, and lettuce.

Catarina Phillips: Oh thank you.

She ate it.

Catarina Phillips: (EATING AND BURPING)

Me: She is hungry. Also Catarina you were turned into a Mareep by Dark Gale.

Catarina Phillips: (GULPS) Oh man. I was tending to the sheep on my family's farm in Switzerland. Also I'm a chocolate maker.

Me: Nice!

Ed: I forgot to wear underwear guys.

Nastina: OH, SCREW YOU, YOU UNDEAD PATHETIC LOSER!

THAT PISSED HIM OFF BIG TIME!

Caleb Maxwell: (DEMONIC VOICE) WHAT THE HELL DID YOU JUST CALL ME?! YOU CALLED ME AN UNDEAD PATHETIC LOSER?! WELL, AT LEAST, IT'S BETTER THAN BEING A NASTY OLD HAG AND A SAGGY SACK OF ROTTEN BONES!

Nastina: WHAT DID YOU JUST SAY?!

UH OH!

Me: OH GOD! IT'S GONNA BE AN ALL-OUT SCREAMING MATCH!

Nico: Seriously?! Ugh, if he starts opening that toxic foul mouth of his, I'm gonna put a muzzle on him to shut him up!

THEN, NASTINA AND CALEB MAXWELL GOT INTO A SCREAMING MATCH AS THEY SCREAMED AT EACH OTHER'S EARS: IT WAS WORSE THAN TRUFFLES OPENING HER BIG FAT MOUTH! BUT, IT GOT WORSE WHEN CALEB MAXWELL UNLEASHED A NASTY STORM OF SWEAR WORDS AND CURSES, AND IT WAS SO NASTY AND FOUL, EVERYONE SCREAMED IN ABSOLUTE HORROR AND STARTED BARFING LIKE CRAZY!

Ash: Oh man, not again!

Serena: Seriously?! He just had to open that toxic big fat mouth of his!

Brock: This is just absolutely horrifying!

The rest of Ash's friends agreed!

May: Ugh! Someone, please put a massive bar of soap down his throat already!

Nastina: YOU PSYCHOPATHIC UNHINGED DEMON!

Caleb Maxwell: YOU NASTY OLD HAG! (DEMONIC ROAR AND SPITS DARK FIRE AT NASTINA)

NASTINA GOT BURNED BADLY!

Qin: OH! P.U.! WHO'S BURNING SHOE LEATHER?!

Nastina: I WILL KILL YOU AND EVERYONE YOU LOVE! DROP DEAD!

Caleb Maxwell: I already died a long time ago, and I can never die again! But, if anyone's going to die here today, IT'S YOU! I'M THROWING YOU INSIDE A COFFIN AND BURYING YOU SIX FEET UNDER UNTIL YOU DIE FROM LACK OF OXYGEN! (CRAZED PSYCHOTIC SMIRK) OR BETTER YET!

FINALLY, CALEB MAXWELL WENT CRAZY AND HE SHOT AT NASTINA ALL OVER THE PLACE AND SLASHED AT HER LIKE CRAZY WITH HIS MASSIVE GREATSWORD AS HE WAS CACKLING INSANELY!

THEN, HE POUNCED ON HER AND STARTED BEATING THE SHIT OUT OF HER IN A MASSIVE FIGHT CLOUD!

BAP POW WHOMP BIFF SMASH WHAM CRASH ZONK BASH KATOW THWACK ZOWIE ZING CRACK KRACKOW! WRESTLING BELL DING! CAR HORN! LION ROAR! PIG SQUEAL! ELEPHANT TRUMPET! SEAL BARK! CAT YOWL! HORSE WINNIE! COW MOO! DOG BARKS! WOLF BARK! BEAR ROAR! SHEEP BLEET! GOAT BLEET!

SPINE CRACK! BONES CRACKING!

Nico: OH! OH, I THINK HE JUST BROKE HER SPINE!

Me: AND HER BONES AS WELL!

Cage Blunt: I almost forgot how nasty Caleb can get when he gets super angry!

Allie Maxwell: This is worse than when he went berserk many times because of Panther and Carla Claw sticking their tongues out at him in our world's New York! He let out the worst kind of curse words and swears that made everyone in New York run to a nearby dumpster and hurled out their guts!

Everyone: EW! GROSS!

When Caleb Maxwell was done, Nastina was absolutely a mangled-up mess with broken bones, missing teeth, ripped out pieces of hair, and her dress was shredded!

Nastina: (Weakly) Ouch...! MEDIC!

Nico: Caleb Maxwell, that was the most brutal, horrific, and outright monstrous display of violence I have ever seen in my entire life! (Smirks) Nice work!

They high-fived! AND OUR JAWS DROPPED TO THE FLOOR!

CLANG!

LINCOLN CLOSED OUR JAWS WITH HIS TELEKINETIC POWERS!

Allie Maxwell: You actually cheered for that display of monstrous violence that my elder brother displayed?! You do realize what kind of unhinged monster and lunatic my brother becomes when pissed off?!

Nico: I know, but Nastina's a plain outright nasty old hag who never learns her lesson, so it makes sense that Caleb Maxwell being outright nastier than Nastina would put her in her place! And we need to find out how that old hag escaped under Vypra's nose! If we find out who did this, sparks are gonna fly!

Suddenly, Nastina lost it, and she went charging right at us!

Minerva Mink: I think you need to learn another painful lesson.

Wilford Wolf went after Nastina, and he fired extremely powerful blasts of deep blue and light blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, moonlight, blue wolf fire, wolves, werewolves, phoenixes, and angels and they exploded with incredible power as they hit her. Then, he slashed at her with his massive greatsword, gold-armored wolf claws and wolf claws, and he really trashed her with his really excessive and immense godly superhuman strength.

Me: Still as awesome as ever.

Nastina: HOW DARE YOU DO THIS TO ME?! YOU THINK YOU CAN HUMILIATE ME YET AGAIN FOR A THIRD TIME?! I'M GONNA END EVERY LAST ONE OF YOU ALONG WITH THAT DEMON SLUT WHO PUT ME IN CHAINS!

WE GASPED IN HORROR, AND THAT REALLY REALLY CALEB, TYLER, ALEXANDER, AND ALLIE MAXWELL OFF!

Me and Nico: OH GOD! NOW, YOU'VE DONE IT!

Lincoln: You seriously pissed those four off big time, and they have the worst kinds of tempers that are so destructive and so horrific, they wind up getting completely out of control and they lose their minds and go completely psycho.

But, you're gonna regret angering them.

Nastina saw it, and she knew she was screwed!

Nastina: Oh, poop...!

CALEB, TYLER, ALEXANDER, AND ALLIE MAXWELL TRIED TO KEEP THEIR RISING INSANITY DOWN WHILE THEY'RE JITTERING AND SEETHING WITH RAGE, BUT WE KNEW IT WAS TOO LATE!

Me: UH OH! NOT AGAIN! THEY'RE GONNA BLOW!

FINALLY...!

Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell: (LETS OUT A MASSIVE SCREAM OF PURE ANGER AND RAGE AND THEY FINALLY WENT INSANE)

THOSE FOUR LET OUT A MASSIVE SCREAM OF PURE ANGER AND RAGE AND THEY FINALLY WENT INSANE, AND THEY WENT AT NASTINA AND CALEB MAXWELL AND TYLER MAXWELL KICKED HER REAL HARD IN THE LEGS AND THIGHS, AND ALEXANDER MAXWELL BIT HER ON THE ARM AND TORE OFF SOME FLESH AND STARTED EATING IT! ALLIE MAXWELL GOT OUT HER GUNS AND SHE SHOT AT HER! THEN, SHE KICKED HER HARD IN THE GROIN!

KRACKOW! WRESTLING BELL DING!

THEY WERE SCREAMING AND SHREKING LIKE DEMONS WITH PURE RAGE AS THEY BEGAN TO SLASH AT HER WITH THEIR GREATSWORDS, MASSIVE SPEAR, AND KNIVES AND THEY BASHED NASTINA ALL OVER THE PLACE AND WE LOOKED ON WITH PURE HORROR AND TERROR! THEN, THE SIBLINGS ROSE UP INTO THE AIR, AND THEY THEN SMASHED MALLETS DOWN ON NASTINA, AND IT DIDN'T END THERE, THEY CONTINUED FIRING BULLETS AND DARK ENERGY BLASTS DOWN ON NASTINA! WE EVEN DUCKED OUR HEADS DOWN

WHEN WE SAW BLOOD FLYING OVER OUR HEADS!

Me: OH MY GOD! THIS IS GETTING REAL NASTY!

Lori: THIS IS LITERALLY EVEN WORSE THAN LOLA'S TEMPER TANTRUMS!

Lynn: OR MY RAGE ATTACKS! THOSE GUYS ARE REAL ANIMALS WHEN THEY GET ANGRY!

Lola: If they keep this up, they're gonna kill her and take the fun out of it!

CALEB, TYLER, ALEXANDER, AND ALLIE MAXWELL CONTINUED SMASHING NASTINA ALL OVER THE PLACE IN A MASSIVE FIGHT CLOUD AND THEY WERE STILL SCREECHING AND SHRIEKING LIKE DEMONS FROM HELL!

Then, when it was all over, Nastina was an absolute mess: Caleb Maxwell slashed off her fingers, Tyler Maxwell and Alexander Maxwell broke her arms with bones protruding, and Allie Maxwell also gouged out her eyes and even ripped out her tongue!

WE WERE ABSOLUTELY SHOCKED AT THE SHEER CRUELTY AND BRUTALITY OF THOSE FOUR SIBLINGS!

Eli: He's about to use the fire elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 夏の炎と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へと送り届けよ！ 祝福された者たちの魂よ、蘇り、強大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！ 我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へと送り届けよ！ (Translation: I call upon the flames of Summer and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send him to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and flames formed behind Lincoln and formed into red wolves with glowing yellow and orange markings on their paws that look like flames and they ran at Nastina and attacked her with fierce fury.

Then, I held out my left hand and fired 999 massive balls of fire at Nastina, and they collided and exploded as they hit her, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

So let your magic run wild

sets of large golden yellow angel wings underneath his enormous golden yellow angel wings spread out and four halos of rainbow energy formed with intricate designs behind him and a halo of gold energy with intricate designs formed above his head with intricate designs, and they formed into a purifying field that hits Nastina, and we found ourselves not only in Heaven, but also, in space.

Do you live in a cave?!

BLANG!

NICO FLATTENED HER LIKE A TORTILLA AND NASTINA WAS KNOCKED OUT!

Lincoln then tied her up and threw her in a portal that led back to The M.O.E. HQ in Montana with a warning sign: KEEP AN EXTREMELY CLOSE EYE ON HER! We cheered as we holstered our weapons and powered down.

Nico: Phew, that should do it.

Me: Vypra's gonna need to keep an extremely close eye on that hag from now on.

Lincoln: After what just happened this morning, they're not gonna take anymore chances with Nastina.

Eli: I think she's gonna need to be put on a tight leash and put in a cage if she gets nasty again!

Maria: Maybe, we can add in a shock collar if she gets testy!

Me: Nico already got her with The Hat of Discipline, she'll...! Oh wait, she'll rebel again.

Nico: Yep, but those are good suggestions. We'll get a shock collar on her and put her in a cage. I know we're taught to respect our elders, but Nastina, forget it! She fits the same category as Scoots!

Lincoln's Guardian Angels: WHAT?! SHE FITS THE SAME CATEGORY AS THAT SCOOTER RIDING OLD FART! THAT'S IT! WE'RE GONNA KILL HER!

Nico: What the?!

Lincoln: You just put Nastina in the same category as Scoots, and to my Guardian Angels, that's the trigger word that sets them off and now they want nothing more than to kill her!

Nico: Tartar sauce...!

Just then, Bandit Heeler got a call on his phone as he ducked out with the rest of the family following.

Bandit Heeler: Yeah. (Gasps) Really, you're on your way, and you're bringing the rest of Bluey and Bingo's friends for the BBQ at the park? Aw, thanks, mate. Once we get everything set up, we'll be sure to introduce Bluey and Bingo's friends to the team first, and then, you come in. Alright, see you then.

Bandit hung up.

Bluey Heeler: Dad, was that?

Bandit Heeler: Yep, he's on the way along with the rest of your friends and Bingo's friends. Now, we got to keep this a secret, this is also someone J.D. hadn't seen since high school from the looks of it.

Chilli Heeler: That's true.

Bingo Heeler: I still feel bad he hadn't seen his friend in years.

Stripe Heeler: I know, and after what happened two years ago, J.D.'s gonna find out the truth.

Radley Heeler: Same with his parents.

Bandit Heeler: Right. So, you can't say a word about this to Lincoln, Bluey, same with Clyde, Bingo.

Bluey and Bingo Heeler: Okay, Dad.

The Heeler Family came back.

Nico: Who was that, Bandit?

Bandit Heeler: We got a call from Bluey and Bingo's friends to meet at the park for a BBQ.

Me: Whoa!

Lincoln: A barbecue for my rescue, that's for the first part, and we'll get a chance to meet Bluey and Bingo's friends.

Bluey Heeler: We made sure to tell them of you and Clyde, Lincoln, or rather, they know about you and Clyde already because of the news.

Me: Word traveled pretty fast.

Radley Heeler: You've no idea, you guys have really made quite the reputation. Even my old friends at the oil rig were talking.

Frisky Heeler: Along with some old friends of mine and Chilli's. Plus, you'll be needing even more help especially against Anti-Monitor.

Nico: We're always ready to accept all the help we can get.

Radley Heeler: Glad to hear.

Suddenly, we heard the wails of the souls of the damned, and we saw a massive pitch black tornado of darkness appear with vampire bats, fiends, and the wailing souls of the damned swirling around it, and it was enough to send chills down our spines! Then, when the tornado faded, what stood in its place is a girl who was tall at 360'11" in height, she has the body of a goddess, long dark blue hair, crimson red eyes, vampire fangs, she has Darkbishop Archfiend on her forehead, black short-sleeved blouse, black frilly short-sleeved shirt, black skirt, black knee-high high-heeled boots with black butterfly buckles, and long black long-sleeved coat with darkness, stars, demons, fiends, vampires, dark magic, Black Magic, Satanic Magic, phoenixes, and angels on the coattails, and on the back is Darkbishop Archfiend, and she has a darkness greatsword in hand.

Lincoln: (GASPS) Jackie Nefaria, Avatar of Darkbishop Archfiend and Vampire Dark Queen of The Archfiends.

Jackie Nefaria: Good to see you, Lincoln. Hello, sisters, Nico, and Qin.

Nico: Oh man, the younger sister of The Nefaria Sisters is here?!

Qin: Another Vampire Dark Queen of The Archfiends is here!

Me: Lincoln, you know her?! Same with you and Qin, Nico?!

Lincoln: Indeed I do, J.D.

Anna Anyanova: And so do we, this is Jackie Nefaria, Avatar of Darkbishop Archfiend and Vampire Dark Queen of The Archfiends, she's Lincoln's Guardian Angel from Transylvania and she's the younger sister of Renata Nefaria, Natalia Nefaria and the Nefaria Sisters, she's a Goth Girl who was born into darkness, and she has all the powers of dark magic, darkness, occult magic, and she can even summon all the forces of the undead and horror and have all kinds of powers that can give people nightmares forever. Jackie Nefaria was born with midnight black angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, the shadows, dark magic, black magic, Satanic magic, The Dark Arts, The Occult, immense omnipotent powers of darkness, the creatures of the night, the vampires, the archfiends, and deities of darkness multiplied by infinity, and she also has all the powers of Darkbishop Archfiend. She's the member of The Dark Archfiend Vampire Coalition, a group formed by Melanie Nefaria and her many sisters who are also Avatars of the other Archfiend Duel Monsters to defend Lincoln and use the powers of darkness to punish his enemies and protect the world from the dark forces of the dark witches, wizards, and warlocks who used their dark powers and gifts to inflict pain and misery on humanity, and she's one of the eight members of The Dark Archfiend Vampire Chess Masters, eight powerful elite warriors of darkness who happen to be The Avatars of Darkbishop Archfiend, Desrook Archfiend, Imprisoned Queen Archfiend, Infernalqueen Archfiend, Shadowknight Archfiend, Terrorking Archfiend, Masterking Archfiend, and Vilepawn Archfiend, are also among the most powerful of The Dark Archfiend Vampire Coalition who ride out into the darkness of the night to terrorize Lincoln's enemies by summoning demons and archfiends to haunt their dreams and turn them into neverending nightmares that'll last for eternity. Jackie Nefaria moved to Royal Woods where she met Lincoln, and she taught him The Darkness Archfiend Path, and Lincoln gained even more omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, the shadows, dark magic, black magic, Satanic magic, The Dark Arts, The Occult, immense omnipotent powers of darkness, the creatures of the night, the vampires, the archfiends, and deities of darkness multiplied by infinity, and he also gained the powers of Darkbishop Archfiend, and she knew Lincoln was already born with immortality and invincibility, but she also knew that Lincoln was also a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and a powerful master of darkness along with being born as a powerful master of light, and more than once, she'd kissed him on the lips and made out many times underneath the full moon and he came back home glowing with more power and energy and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. She's also great friends with Lucy and The Young Morticians' Club, and she despises Flip with a bloody passion, and she swore to not only destroy him, but also, to curse him and his family to an eternity of being killed and mutilated over and over again, never knowing the release of death, and having every last bit of his ill-gotten wealth snatched away from him!

WE SCREAMED IN TERROR!

Me: OH, SWEET UNHOLY JUMPING BUTT BURPS!

Nico: Yeah, Jackie is that terrifying especially when she gets pissed, and if you piss her off, it's not gonna end well for you at all.

Qin: I can't even count how many curses she's inflicted on the shitheads back in New Jersey!

Lincoln: Or Royal Woods.

Renata Nefaria: And she's known as The High Priestess of Dark Curses, a master and creator of the darkest kinds of curses.

Jackie Nefaria: Which are also fatal, but only to the most irredeemable. (To Lincoln) And it's so good to see you again, Lincoln, it's been eight years since we last met, but you've really grown that much.

Suddenly, Jackie Nefaria had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When

Jackie Nefaria was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Jackie Nefaria: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Jackie Nefaria's waist and hugged her, and Jackie Nefaria was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on

his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Jackie Nefaria: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 10,000'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and
999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9
sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and
999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9
massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, dark beard stubble on your jawline, thick brown goatee, and dark chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider,

and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Suddenly, Lincoln pinned Jackie Nefaria to the floor with his massive muscular arms still wrapped around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Melanie Nefaria with crimson red gems on the gold lightning bolts and fiery red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

He then helped her up and he kept her close to his body as she took the time to rub his massive muscles and massive hairy pecs.

Suddenly, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: But, this means your appearance is going to mean we'll be meeting the rest of your sisters as well after Nico's rescues. (Sensed The Anothers) Ah, and the Anothers are coming.

Eli: (Sensed them) Lincoln's right, the Anothers are coming, and one of them is Another Takanuva.

Pohatu: Another Me? That means who I'm facing is none other than...!

Lincoln: Kai of Kamen Rider Den-O.

Eli: (Sensed seven massive energy signals) WHOA! And I just sensed seven massive energy signals, and The Force is strong in them!

Lincoln: Seven massive energy signals?! It's them! The Princesses of The Planets!

Nico: Who?

Anna Anyanova: The Princesses of The Planets, a group of Lincoln's Guardian Angels who are the princesses of many of the planets of the universe like Coruscant, Kamino, and beyond, and they have the same powers as ALL THE GUARDIAN ANGELS OF LINCOLN LOUD like always and beyond. But they are stronger than the Sith and the Jedi and more, and they have fought against many dangerous threats to the universe, and that also included The Sith and the notorious Sith Lord, Palpatine! They knew of what happened long ago when The Xiaolin Monks defeated Chase Young back in 2015 and banished him to the distant volcano planet, Dhakgun, and where he set up his base on Mount Horrorflame where he continued to wreak havoc all over the universe and where he was responsible for starting the events that led to Andross becoming power mad and many more that led to so many other lives being destroyed before we permanently ended him and fulfilled The Prophecy of Amaterasu.

Me: WHOA!

Eli: I've heard about them from the legends on many of the planets The Jedi have gone too, and many of them despise The Sith and

Palpatine.

Lincoln: Along with Näkhäsh, Father of Shadows and Creator of the Dark Side of the Force.

---

Anti-Wanda was first.

Anti Wanda: (to Loni) Nico's rescue was in Porta Vista. He put Nastina in her place

Loni: He sure did and it was totes fun and amazing! Varie, Tentacool and Nadia Nastina really meant business! Nadia Nastina Electrocuted Nastina and her servants with the fury of Thunderstar Terror times 500 and it was INTENSELY SHOCKING!

Derpy Hooves: It was really therapeutic for her!

Pepperdance: (Cajun Accent) OOOWEE! That was intensely electrifying juice there!

Twilight Sparkle: That was the most intensely electrifying ever. It was as strong as 10,000 Big Lenny's

Anti-Wanda: GEEZ Y'ALL! I can tell Nadia really wanted to make sure her mother paid for it big time!

Comet Stardust: That was really electrifying!

Daylight Savings: No kidding there! It was unbelievably electrifying.

Stellar Sparkle: And even Tentacool and Varie meant business! Same with Ash and friends.

Harmony Sparkle: I agree there on that.

Twilight Sparkle (G5): Nastina ruined the Tentacool and Tentacruel's home 3 times and never learned her lesson.

Cosmic Nebula Sparkle: People like her never learn at all.

Starshine Sparkle: Yeah that was intense.

Spyro: It sure was.

Anti-Wanda: Well she is going to be closely watched by Vypra from now on. Lets do this!

Loni used his Keyblade called The Photo of Fashion! They fired waves of magic and gravity and smashed them down!

Brittney, Carly Atlas, Amber, Ren & Stimpy, Powdered Toast Man, Kylie Griffin, Siren, Sunset Shimmer, Firestorm Shimmer, Sunset Shimmer (G5), Pipsqueak, Chalcanthite Aurora, Fire Skylanders, Gabriel and Nathalie VS Rex Goodwin, Blackbird, Greasers, Illuso, Barbed Wire Org, Wiggy Jiggy Jed, Condortron and Ookondoru - The Anothers were the gene-slammers of Food Kingdom Dessert Fairy and Oceanic Opera Singing Spellslinger

---

Rex Goodwin was next.

Rex Goodwin: (to Brittney) The Anothers were the gene-slammers of Food Kingdom Dessert Fairy and Oceanic Opera Singing Spellslinger. Nico, Astrodactyl's team, Icy Pterosaur's team, and the others did good battling them.

Brittney: They sure did and it was so awesome!

Carly Atlas: It sure was and we met the last member of the Tidal Fangs. Her name is Sarah J. Orca and she is the luck manipulator of the team. She has the power to bring extreme misfortune to her enemies and bring good luck to her friends. We saw her demonstrate her powers on Nastina by snapping her fingers. Nastina stepped on a thumbtack and threw a bomb meant for the Tentacool and it went into her mansion and blew it to smithereens and all her money and gold rained down and the people got it. Including us.

Rex Goodwin: HOLY COW! That is intense bad luck for her!

Carly Atlas: It was! Bad Luck for her but good luck for us!

Amber: Yeah that was awesome! Also we met a Mareep gene-slammer. Her name is Catarina Phillips. She is from Switzerland and she is a Chocolate Maker and Shepherd.

You see Lightning Dust, Darlene Cross was my ex girlfriend. We dated for a while. But then she showed me her evil self. She killed and murdered children and raped girls. I broke up with her and when I heard she got sent to death row, I was happy. But when I heard she escaped I was shocked. But it's good you kept her alive. I want to say some things to her before Kris and J.D. kill her.

Lightning Dust: It will be done. Love may be blind, but that is why you need to run a VERY THOROUGH background check on people to make sure they are right for you. But Vincent, I'm sorry it didn't work out with you two.

WORK IN PROGRESS

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a massive planet of fire and lust whose landscapes are decorated with endless temples and a massive palace, mountainous rock formations, and the echoing roars of raw power, strength, lust, passion, sex, and seduction that rages through eternity, and the air is a powerful aphrodisiac air that fills the lungs of those who dare to come here full of lust and sexual hunger: the males will feel like they're in permanent heat and want to mate and have sex with the female inhabitants and the females will feel like they're in permanent heat and want to mate and have sex with the male inhabitants, and protected by a race of omnipotent powerful warrior angels born for pure primal lust, passion, sex, and seduction: the females are born with the voluptuous bodies of all the Goddesses of Lust, Passion, Sex, and Seduction, massive busts, and curvy hips that'd make men hoot and howl like jackals, and the males who'd spent their lives fighting and proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies with abnormally massive and powerful upper and lower body muscles and twelve-pack abs to prove it and they were not only natural born fighters born for strength, war, and sex, but they also have vast countless eons of combat experience, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman elephant level testosterone, excessive tons of incredible godly excessive superhuman libido, excessive tons of incredible godly excessive superhuman elephant level virility, excessive tons of incredible godly excessive superhuman endurance, and immense omnipotent powers of fire, flames, lust, passion, sex, and seduction, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

Lincoln woke up, but he had a nosebleed when he saw the females.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Lustaira, a massive planet of fire and lust whose landscapes are decorated with endless temples and a massive palace, mountainous rock formations, and the echoing roars of raw power, strength, lust, passion, sex, and seduction that rages through eternity, and the air of Lustaira is a powerful aphrodisiac air that fills the lungs of those who dare to come here full of lust and sexual hunger: the males will feel like they're in permanent heat and want to mate and have sex with the females and the females will feel like they're in permanent heat and want to mate and have sex with the males, and protected by The Lustairans, a race of omnipotent powerful warrior angels born for pure primal lust, passion, sex, and seduction: the females are born with the voluptuous bodies of all the Goddesses of Lust, Passion, Sex, and Seduction, massive busts, and curvy hips that'd make men hoot and howl like jackals, and the males who'd spent their lives fighting and proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies with abnormally massive and powerful upper and lower body muscles and twelve-pack abs to prove it and they were not only natural born fighters born for strength, war, and sex, but they also have vast countless eons of combat experience, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman elephant level testosterone, excessive tons of incredible godly excessive superhuman libido, excessive tons of incredible godly excessive superhuman elephant level virility, excessive tons of incredible godly excessive superhuman endurance, and immense omnipotent powers of fire, flames, lust, passion, sex, and seduction, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

Lincoln: Oh boy...! I've been to Lustaira eight years ago, I was able to endure being on Lustaira with ease because I'm not only a gentleman, but I also has control over his primal urges when I turned 13 and puberty and my hyperpuberty hit me like a freight train, and I didn't get any nosebleed rocket attacks, and that place was really intense.

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Lustaira.

Lincoln landed on Planet Lustaira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: I'm back on Planet Lustaira.

Suddenly, Lincoln let out a primal growl as his body started feeling even hotter than ever!

Lincoln: (GROWLS) Lustaira's aphrodisiac air, my body's growing hotter, and I'm starting to feel the sudden urge to have sex with my harem yet again.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as intense as ever.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw an extremely strong-looking male who's really tall at 9,999'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a purple sun and moon on his chest, long purple hair going down to his shoulders, purple eyes, massive purple angel wings, and he has on a purple loincloth, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Asmodeus Lustaira, King of The Lustairans of Planet Lustaira.

Lincoln: I do, he's the father of my Guardian Angel, Laura Lustaira, Queen of The Lustairans of Planet Lustaira, and I know she's right...here!

Suddenly, Lincoln turned around and saw a beautiful female bodybuilder who was tall at 1,000'11" in height, she has the voluptuous body of all the female Goddesses of Lust, Passion, Sex, and Seduction times infinity and massive bust clocking in at 600 cm, curvy hips, smooth legs, and bottom that would make many men hoot and howl like jackals, long purple hair, pink eyes, she was dressed in a purple two-piece bikini, and enormous purple angel wings with fire reflecting in the feathers.

Lincoln: (Smirks) I knew that was you, Laura Lustaira.

Laura Lustaira: (Smirks) Well, I wonder what it was that gave me away. You're always so sharp and focused just like the rest of your body thanks to all that training and hard work you underwent under us.

Then, all of the other Googol of Vigintillions of male Lustairans came to Lincoln.

Asmodeus Lustaira: That's correct, and this was something Laura wanted to do. (Smiles) And just as we saw, you've indeed grown that much stronger and much taller, you're now taller than me, and you're also even more buffer and muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln: Yes, that's indeed correct, sir, and there's something I need to tell you.

Asmodeus Lustaira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Asmodeus Lustaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Asmodeus Lustaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Asmodeus Lustaira and the other Googol of Vigintillions of male Lustairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman elephant level testosterone, excessive tons of incredible godly excessive superhuman libido, excessive tons of incredible godly excessive superhuman elephant level virility, excessive tons of incredible godly excessive superhuman endurance, and immense omnipotent powers of fire, flames, lust, passion, sex, and seduction, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath his enormous white

angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9
massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH! (WOLF ROAR)

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura and blue cosmic energy aura was raging like a really massive wildfire and he has a purple aura with flames of lust surrounding him and overflowing with such infinite primal power and ferocity as he pounded his chest like a gorilla.

Lincoln: Whoa...! (GROWLS) This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Asmodeus Lustaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the

Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Laura Lustaira: But, first, follow me inside, I have a little something for you, my Alpha Male King of Lustful Passion.

Lincoln followed Laura Lustaira to The Temple of Lustful Passion and down into their underground dungeons, and there, he saw Googol of Vigintillions of 999,999'11" massive hulking musclebound brutes with dark hair on their forearms, dark stubbles of chest hair on their massive pecs and dark stubble on their jawline, their muscles had grown excessively which caused their shirts and pants to rip completely off revealing their abnormally massive and powerful upper and lower body muscles which bulged out even more as the visible veins bulged even more and were throbbing with raw power and white hot liquid fire coursing through their bodies and twelve-pack abs, and given excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass, but their minds are full of lust and they are kept in their cells and they're bound by their wrists and ankles to be absorbed by the chosen one of their prophecy.

Lincoln: Whoa! Are those the prisoners you and your men captured for trying to rape the female Lustairans?

Laura Lustaira: Yes, when an army of male Infernairans showed up to destroy The Temple of Lustful Passion, my men captured them and brought them to their temple and down into their underground dungeons where they along with many male prisoners who were caught trying to rape the female Lustairans are then put into this machine with tubes attached to their bodies, and as they activate it, a blood red liquid is then pumped into their bodies, but here's the thing: the liquid in the glass jar in the machine is a blood red serum that's a massive cocktail of excessive tons of Universe 666 Nico's stolen and perfected Untamed Mega Savage Serum along with excessive tons of Regina Fessterox's Savage Serum, Perfect Gene-Slammer serum and Perfect God serum, muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions.

Lincoln: Oh man.

Laura Lustaira: Because of us pumping that cocktail into their bodies, they turned into 999,999'11" massive hulking musclebound brutes with dark hair on their forearms, dark stubbles of chest hair on their massive pecs and dark stubble on their jawline, their muscles had grown excessively which caused their shirts and pants to rip completely off revealing their abnormally massive and powerful upper and lower body muscles which bulged out even more as the visible veins bulged even more and were throbbing with raw power and white hot liquid fire coursing through their bodies and twelve-pack abs, and given excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass, but their minds are full of lust and they are kept in their cells and they're bound by their wrists and ankles to be absorbed by the chosen one of the prophecy.

Lincoln: Me. Alright then.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails into Cell's stingers and stabbed them into the chests of the Googol of Vigintillions of 999,999'11" massive hulking musclebound brutes, and he began absorbing them and he assimilated their excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails and rainbow sun and moon on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

And he also flexed his muscles even more which really aroused Laura Lustaira even more, and at the same time, the Googol of Vigintillions of male hulking musclebound prisoners suddenly began growing extremely weaker and they were also shrinking in height as all their excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass were being sucked out of them one at a time and was pumped into Lincoln.

Prisoner: (Groans In Pain) Me can't take much more of this..., puny God sucking us dry!

Then, when Lincoln was done and the stingers changed back, nothing was left of the prisoners, and Lincoln sucked their souls dry of every last bit of energy and lust they were flooded with, and he had them sent to The Black Abyss.

Suddenly, Lincoln was too caught up with the excessive surges of excessive power rushing through his veins and body because of him absorbing all of the Googol of Vigintillions of male hulking musclebound prisoners and assimilated of their excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass: he felt like his body was even more on fire and really bursting with power and strength and his deep sapphire blue eyes were still glowing, and then...!

MASSIVE SOUL-CRUSHING EARTH SHATTERING ROAR OF DOMINANCE!

Lincoln let out a massive soul-crushing earth shattering dominant roar as his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythical beasts and animals exploded out, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999, sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999, massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed even more, and he pounded his chest like an Alpha Male gorilla and flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive

muscles!

Laura Lustaira felt the heat of Lincoln's raw display of raw manliness and male dominance.

Laura Lustaira: Ah, yes, the roar of male dominance, the display of raw manly power! It's been a very long time hearing it. But, before you absorb our planet, Temple of Lustful Passion, the planet's many temples, the planet's crimson red core of lust, and Lustaira's burning Sun of Lustful Passion into your body, it's been two years since we last had an...intimate moment.

Suddenly, Laura Lustaira went up to Lincoln and she placed her hands on his massive hairy pecs and they kissed with a smoldering intensity and he wrapped his arms around her waist and he deepened the kiss even more as she wrapped her arms around his neck: they were engaging in a smoldering intense make-out session as they kissed deeply and passionately, and Laura Lustaira also kissed and bit Lincoln on the right trapezius, neck, twelve-pack abs, and massive pecs, and when she slowly removed her lips and licked the love marks, they glowed with smoldering heat and fire and Lincoln was also glowing as his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails were wagging.

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high and infinite sex drive, infinite hyperpuberty, and genes he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from glowing deep sapphire blue to glowing deep blood red with slit pupils.

Lincoln: (GROWLS)(Smirks) It's been a while since you last left your lipstick marks and bite marks on me. Now, it's my turn.

Suddenly, Lincoln wrapped his massive muscular arms around Laura Lustaira's waist and pinned her to the ground with her legs around his waist, her stomach pressed against his twelve-pack abs, and her massive bust pressed against Lincoln's massive pecs and he leaned his head down to her face and kissed her again on the lips with intense passion which she returned as she still had her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Laura Lustaira with purple gems on the gold lightning bolts and purple crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow

Thunderbird wedding ring on her left pinkie.

They stayed in that position with Lincoln on top of her as she then took the time to rub his massive muscles and massive hairy pecs.

Suddenly, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura and holy white aura and blue cosmic energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,

massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Suddenly, Lincoln's deep blood red eyes turned neon glowing deep blood red along with the visible veins on his upper and lower body, and then...!

Lincoln: (GROWLS)(WOLF ROAR)

RIPS!

The sudden surge of power caused Lincoln's white shorts and loincloth to tear to shreds leaving him in the nude, but it led to Laura Lustaira looking at Lincoln whose neon glowing deep sapphire eyes were now full of a smoldering desire and lust to have sex with her as it led to an intense smoldering lovemaking fest which ended many hours later with Lincoln letting out a loud roar and manly wolf howl of dominance, and a nude Laura Lustaira left feeling pleasured.

Laura Lustaira: (In Heaven) Oh God, you've become such a...primal...virile, and manly beast, Linky.

Lincoln's white and gold trimmed shorts reappeared and his orange loincloth reappeared around his waist and he beamed Laura Lustaira to his room and he flew deeper and deeper into the planet, and he found Lustaira's crimson red core of lust, the inner and outer core of the planet consisted primarily of iron and nickel and are extremely infernally hot with a temperature at more than 1,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,00 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Lustaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself along with The Temple of Lustful Passion and the planet's many temples into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy

Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH! (WOLF ROAR)

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Lustaira's burning Sun of Lustful Passion and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and

massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more, and despite being asleep, Arachneva Jorogumaira felt it as she smiled in her sleep.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming) (GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks) (Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own

infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln, his harem, and his kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: I'm afraid this was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Lustaira, a massive planet of fire and lust whose landscapes are decorated with endless temples and a massive palace, mountainous rock formations, and the echoing roars of raw power, strength, lust, passion, sex, and seduction that rages through eternity, and the air of Lustaira is a powerful aphrodisiac air that fills the lungs of those who dare to come here full of lust and sexual hunger: the males will feel like they're in permanent heat and want to mate and have sex with the females and the females will feel like they're in permanent heat and want to mate and have sex with the males, and protected by The Lustairans, a race of omnipotent powerful warrior angels born for pure primal lust, passion, sex, and seduction: the females are born with the voluptuous bodies of all the Goddesses of Lust, Passion, Sex, and Seduction, massive busts, and curvy hips that'd make men hoot and howl like jackals, and the males who'd spent their lives fighting and proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies with abnormally massive and powerful upper and lower body muscles and twelve-pack abs to prove it and they were not only natural born fighters born for strength, war, and sex, but they also have vast countless eons of combat experience, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman elephant level testosterone, excessive tons of incredible godly excessive superhuman libido, excessive tons of incredible godly excessive superhuman elephant level virility, excessive tons of incredible godly excessive superhuman endurance, and immense omnipotent powers of fire, flames, lust, passion, sex, and seduction, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

He finished and returned the book to Lincoln's room.

Me: (GASPS) THE PLANET OF LUST!? OH MAN!

Helen Hellraira: Oh God, I remember Lustaira, if you thought Hellraira was scary, my father told me there are nine planets that are based on the Nine Circles of Hell.

Nico: And I remember Lustaira from the legends, and no Saiyan warrior would ever set foot on that planet! The air of Lustaira is a powerful aphrodisiac air that fills the lungs of those who dare to come here full of lust and sexual hunger: the males will feel like they're in permanent heat and want to mate and have sex with the females and the females will feel like they're in permanent heat and want to mate and have sex with the males, and the female Lustairans were born with the voluptuous bodies of all the Goddesses of Lust, Passion, Sex, and Seduction, massive busts, and curvy hips that'd make men hoot and howl like jackals, along with vast countless eons of combat experience, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability.

Lincoln: I think it's best not to show them what they look like though.

May: And how were you able to survive going to a planet like that?!

Lucy Loud: Lincoln's able to endure that planet with ease because he's not only a gentleman, but he also has control over his primal urges especially when puberty and his hyperpuberty kicked in and it hit him like a freight train, and that made it evident when he went to Lustaira eight years ago, and he proved himself to be the perfect gentleman and he didn't get any nosebleed rocket attacks.

Maria: Lucky...!

Then, we saw Laura Lustaira enter and she sat with Lincoln.

Me: Whoa, and who's the voluptuous angel who looks like she wants to get intimate with you?

Anna Anyanova: Oh God, this is Laura Lustaira, Queen of The Lustairans of Planet Lustaira and Goddess of Absolute Lust, Passion, Sex, and Seduction, she's Lincoln's Guardian Angel from Planet Lustaira, a massive red planet of fire and lust whose landscapes are decorated with endless temples and a massive palace, mountainous rock formations, and the echoing roars of raw power, strength, lust, passion, sex, and seduction that rages through eternity, and the air of Lustaira is a powerful aphrodisiac air that fills the lungs of those who dare to come here full of lust and sexual hunger: the males will feel like they're in permanent heat and want to mate and have sex with the female Lustairans and the females will feel like they're in permanent heat and want to mate and have sex with the male Lustairans. But, Laura Lustaira herself is far beyond them, a Goddess of Absolute Lust, Passion, Sex, and Seduction and The Lustairan's powerful and skilled warrior and commander. In addition to being a powerful and strong hand-to-hand combatant, powerful skills in wrestling, fighting, and martial arts, she has immense omnipotent power over everything related to lust, sex, passion, and seduction, godly superhuman strength, power, godly superhuman durability, godly superhuman endurance, godly superhuman adrenaline, and the power to summon the spirits of lust to control her enemies, and with every challenge, her power only grew stronger. Laura Lustaira was born with enormous angel wings with fire reflecting in the enormous crimson red feathers, the voluptuous body of all the female Goddesses of Lust, Passion, Sex, and Seduction times infinity and massive bust clocking in at 600 cm, curvy hips, smooth legs, and bottom that would make many men hoot and howl like jackals, and she carried the heart of a sex goddess within her wielding the raw might of her people times infinity, as well as omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, and immense omnipotent powers of fire, flames, lust, sex, passion, and seduction. When an army of male Infernairans showed up to destroy The Temple of Lustful Passion, she and her men captured them and brought them to their temple and down into their underground dungeons where they along with many male prisoners who were caught trying to rape the female Lustairans are then put into this machine with tubes attached to their bodies, and as they activate it, a blood red liquid is then pumped into their bodies, but here's the thing: the liquid in the glass jar in the machine is a blood red serum that's a massive cocktail of excessive tons of Universe 666 Nico's stolen and perfected Untamed Mega Savage Serum along with excessive tons of Regina Fessterox's Savage Serum, Perfect Gene-Slammer serum and Perfect God serum, muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions, and they are turned into 999,999'11" massive hulking musclebound brutes with dark hair on their forearms, dark stubbles of chest hair on their massive pecs and dark stubble on their jawline, their muscles had grown excessively which caused their shirts and pants to rip completely off revealing their abnormally massive and powerful upper and lower body muscles which bulged out even more as the visible veins bulged even more and were throbbing with raw power and white hot liquid fire coursing through their bodies and twelve-pack abs, and given excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass, but their minds are full of lust and they are kept in their cells and they're bound by their wrists and ankles to be absorbed by the chosen one of their prophecy. After what happened, Laura Lustaira set out to find the one that her people have talked about in an ancient prophecy: a young man with a powerful spirit and determination that would carry on the legacies of the many races who'd fallen victim to The Infernairans, and that young man...was Lincoln Loud. Laura Lustaira descended unto Earth and Royal Woods in a crimson red fireball where she met Lincoln, and he saw her and she swore to protect him with her lust-filled heart. She trained Lincoln in The Path of The True Alpha Male Lust God: training him in powerful hand-to-hand combat, close-quarters grappling, wrestling, martial arts, roars of dominance and lust, raw adrenaline, raw might, raw strength, raw power, male dominance, male aggression, and the powers of lust, sex, seduction, and passion, and under her lustful gaze and guidance, Lincoln gained even more omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, excessive tons of incredible godly excessive elephant level libido, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass immense omnipotent powers of fire, flames, lust, sex, passion, seduction, powerful hand-to-hand combat, close-quarters grappling, wrestling, martial arts, roars of dominance and lust, raw adrenaline, raw might, raw strength, raw power, male dominance, and male aggression, and she also enhanced and made his immortality and invincibility even more powerful than ever, and his already immortal and invincible body was enhanced beyond comprehension, and she knew deep down that Lincoln's a True Alpha Male Werewolfairan-Vampirairan-Cyborg Hybrid, an extremely powerful, godly, gigantic, massive, handsome, sexy, and extremely super strong manly wolfman and God with rugged good looks and endowed with abnormally massive and powerful upper and lower body muscles and twelve-pack abs and numerous massive and long brown wolf tails that are just as strong as his body which also grows even more stronger than ever along with enormous white angel wings and numerous sets of large white angel wings underneath his enormous white angel wings, and he becomes even more ripped than ever due to continuing on with bodybuilding and working out even more, and because of it along with the diet plan his Guardian Angels gave him, along with his hyperpuberty and genes, Lincoln gained the excessively godly powerful, massive, and excessively godly muscular body: every last massive muscle in his upper and lower body was shredded with incredible definition and bulging even more with visible veins bulging out even more and throbbing with raw power and white hot liquid fire coursing through his body and bursting with raw power, long wild and flowing hair, chiseled jawline with dark stubble on the jawline, dark hair covering his muscular forearms, and dark chest hair covering his massive pecs, and that drew out her primal lustful instincts like no one else ever had and she saw he was the one her people described in the prophecy. More than once, she kissed him deeply and full of smoldering passion, covering him in love bites causing him to come home glowing, breathless, and wagging his numerous tails like crazy, and her love for him had only intensified, and they also engaged in a smoldering lovemaking session that lasted for so many hours, and she was left glowing with energy and lust. She helped Lincoln build even more godly muscle, honed his instincts, and sharpened his inner and outer beast with sacred training from her people's priests. Laura Lustaira also gave him the ability and power to grow even more stronger with every hit he took, and she gifted him The Divine Will of The Alpha Male Lust God that her people worshipped, a powerful force of virility and strength that made Lincoln the embodiment of Lustaira's future, and with every time he has sex with his harem, he grows even stronger than ever. Lincoln absorbed the Googol of Vigintillions of her fellow male Lustairans along with using his Cell stingers on his numerous tails to absorb the Googol of Vigintillions of male prisoners and assimilated their excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass, and he absorbed Lustaira itself along with The Temple of Lustful Passion, the planet's many temples, the planet's crimson red core of lust, and Lustaira's burning Sun of Lustful Passion into his body to preserve their legacy. One day, she received a fiery greatsword crafted by Lincoln himself, engraved with runes and forged from Lustaira's sacred ore, and to thank him, she kissed Lincoln with overwhelming smoldering passion and their hearts pounded like drums, and Lincoln returned the kiss with equal smoldering passion, and promised that when he comes of age, he will marry her and the rest of his celestial cosmic harem, and she hates the perverts with an extremely bloody passion and won't hesitate to castrate them, and she hates all of Lincoln's enemies with a fury as hot as Lustaira's fiery core, and swore to use the flames of her people to burn them all to ashes.

WE GASPED!

Nico: Oh my God, I remembered hearing the legends about her!

Nicole: That explains the deep red barrier in Lincoln's room going up last night.

Laura Lustaira: Yes, and everything Lincoln told you last night was true, and all that hard training I'd put you through really sharpened you into the very warrior you've become and even going to my planet also helped greatly, Lincoln, and we also had known Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely excessive virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever, and last night, after he fed on my blood and marked me, he gained Lustaira's Blessing of Blazing Lust Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 10,000'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Laura Lustaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well, not to mention you were quite the wild untamed beast last night.

Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell: Take it to your bedroom, you two!

Zick woke up to see Spiritomb staring at him

Spiritomb: Morning Zick!

Zick: Oh morning Spiritomb.

Spiritomb: Time for breakfast!

Zick: Oh boy!

He went and got ready and went to the table.

Me: Morning Zick.

Zick: Morning guys.

I gave him stuffed french toast and pancakes.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999, sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was his 3rd Hypothetical Akuma, Lincoln Gluttonslob, and he's on the planet of Gluttonyairaia.

Me: What the?! Is that your?!

Lincoln: My 3rd Hypothetical Akuma, and bad news: he's on the planet of Gluttonyairaia.

Nico: Number 2 of the 8 Forbidden Planets of the Sins! Oh God!

J.D. 2: Planet Gluttonyairaia, one of the Nine Planets of Hell spoken about by Helen Hellraira and the Hellrairans, a massive dark planet of filth whose landscapes are decorated with endless temples and a massive palace, mountainous rock formations, and the echoing cries of the gluttonous doomed to suffer for all eternity, and the air of Gluttonyairaia is foul with the putrid smell of the dead and unspeakable horrors that can never be named.

WE GASPED!

Caleb Maxwell: Oh God...! (Thinking) If there's also planets based on The Circle of Anger and The Circle of Violence, I'm gonna wind up suffering a major attack from the memories of years of Drake's violence and madness along with memories of his anger, along with my own moments of anger and violence back in the 1980s and from the times I killed Drake's thugs back then in 1985 during the final days of my life along with killing his assassins back in 1993 to 1995 when I went with Mr. Blunt to West Virginia and when I returned to New York in 1996 to get revenge. This is not good, I don't want the rest of the team to find out, or they're gonna freak out!

But, we heard his thoughts.

Lincoln: We're gonna investigate about my 3rd Hypothetical Akuma, he's not a bad person, but I can sense whoever caused this is gonna be in for one nasty dose of karma.

Me: You said it.

Lincoln: Alright, now let's finish breakfast and head for Gluttonyairaia.

Nico: (GULPS) Going on a journey to The Forbidden Planets of The Sins?! This is gonna be worse than going to Hell!

We finished breakfast and we headed to Gluttonyairaia to help Nunnally unlock her Rainbow Power and solve the mystery of Lincoln's 3rd Hypothetical Akuma, Lincoln Gluttonslob, and punish the one responsible for his creation.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14285.9: The U.S.S. Valorous Phoenix is en route to the planet Gluttonyairaia and this is gonna be a really unpleasant planet as we solve the mystery of Lincoln's 3rd Akuma and punish theone responsible for his creation

Staraptor: My trainer is Fu. She is an amazing friend.

Fu: It's true and we do a great job together.

Me: Awesome.

Nico: Nice choice.

Staraptor: Thank you.

Me: Awesome. Oh guys, I did a scan of the planet and saw that Dark Gale's gene-slammers are all done and we cleaned up its mess.

We cheered!

Qin: Thank goodness!

Me: Took 6 months but it was worth it.

Nico: I'm glad. Because a new type just replaced them

Me: The Children of the M.O.E.

Qin: Yeah.

Xenia: We're ready for that one.

Kendra: We already met Shendu's daughter

Xenia: Really?

Kendra: During my bonding time.

Kendra, Charlie Brown and Articuno were practicing in the training yards!

Kendra fired a fireball and it hit a dummy that looked like Valmont and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

Charlie Brown: Nice shot!

Articuno fired an Ice beam and froze a statue of Evil Tso Lan.

Kendra fired waves of fireballs and blasted statues of the Demon Sorcerers and blew them apart!

Kendra: YEAH!

Articuno: That was fun!

Kendra: It sure was.

Charlie Brown: No kidding

Articuno: Thanks for agreeing to spend time with me, Kendra

Kendra: Anytime Articuno.

Charlie Brown: Yeah this will be fun.

Kendra: Awesome!

Articuno: Remember when we first met?

Kendra: I sure do.

Charlie Brown: That is awesome.

Kendra: Yep.

Their stomachs growled.

Kendra: Getting hungry. Lets go to a chili all you can eat buffet.

Articuno: Do you regret being mutated?

Kendra: Not at all. Its a gift.

Articuno: Awesome.

Kendra: Lets go tell Nico where we're going.

They nodded.

They came in and told us

Nico: You guys going anywhere?

Kendra: We're going to a chili buffet.

Me: Cool! Can I come?

Kendra: Sure!

Nico: Have fun

Me: We will.

We were off

Articuno: Do we have to go far?

Me: Not at all. It's right up here.

We turned and saw it.

We were at the Volcano Chili Oasis Buffet.

Me: There it is.

Articuno: Nice place

We went in and got seats.

Me: This place has chili of so many kinds ranging from mild to ultra nuclear super armageddon hot.

Kendra: Wow!

Articuno: What should I pick?

Me: any flavor you want.

We went and got food.

I got a big bowl of super ultra spicy armageddon hot.

Kendra got curry chili.

Articuno got Curry cinnamon

Charlie Brown got chicken and curry flavor.

We got to eating.

Me: (Eating) Mmm!

But then...

WHOOSH!

My fire aura exploded out big time!

Me: Wow!

Articuno: Whoa!

Me: Good stuff.

They got to eating.

Kendra: (Eating) Mmm! Yummy!

Articuno: I'm surprised this isn't melting me!

Me: Me too.

We had a second bowl.

Kendra had the spiciest one and took a bite and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOMMMMMM!

FIRE EXPLODED OUT OF HER MOUTH!

Kendra: (Wheezing) Spicy!

We finished bowl after bowl after bowl.

We were stuffed after eating 20 bowls.

Me: Ahh! (BURPS) Oh pardon

Articuno: I even helped you against the Satanic Pumpkin

Me: You sure did.

Kendra: That was fun.

Charlie: It sure was.

Articuno burped

Me: Excuse you

Articuno: Nico and the others are missing out!

Me: I know. But this is great food.

Kendra: It sure is.

Kendra burped

Charlie Brown burped

Charlie Brown: Oh excuse me

Articuno: What now?

Me: Lets go walk it off.

Kendra: Good idea.

They went outside

Kendra: Nice day isn't it?

Me: Yep.

?: For your death!

We saw a figure we haven't seen in a while! DAOLON WONG!

Me: Daolon Wong!

FLASHBACK PAUSES

Qin: I remember us facing Daolon Wong when I joined the team.

Nico: I remember that

Jackie Chan: It has been a while since we faced him.

Qin: Yeah.

Nico: What happened next?

Me: Well we had a fun battle.

FLASHBACK RESUMES

Daolon Wong: Shame Chan isn't here. Oh well. I'll just mail him your corpses!

Me: The only corpse here is going to be you!

Kendra: That's right!

I fired a blast of energy and it blasted his right arm completely off!

HE SCREAMED IN AGONY AND PAIN!

Daolon Wong: WHAT HOW!? You've gotten stronger!? HOW!?

Me: None of your business!

Kendra got sweaty as her stomach growled

Kendra: Enter the dragon!

She snapped her fingers and donned her green jumpsuit. Then turned into ARMORSIGHT!

Her clothes ripped off as her hair fell out

Armorsight roared in fury!

Finally, she flexed her muscles as they increased

Armorsight: I am ready for action

She cracked her knuckles

CRUNCH!

Daolon Wong: You all don't scare me!

Me: You should be scared. We've gotten stronger and more powerful ever since 2019. Remember?

Articuno: You're in for cold day in Hell!

He fired ice beams and froze him.

Armorsight bashed him.

Charlie Brown and me blasted him with fire.

?: Looks like the fun started!

Shendu came.

Me: Right on time Shendu.

Daolon Wong tried to slap Charlie Brown

But Shendu grabbed his arm.

Shendu: Slapping a little kid? Don't you have any manners!?

He fired a blast of fire and blasted him down.

Daolon Wong: Look who's talking, traitor!

Shendu: You are the traitor! Just like my worthless useless son Draco!

Armorsight punched him

Me: Take that!

Then a Dragonair came!

Me: WHOA! Dragonair! Cool!

Shendu: It's not one of the Dark Gale gene-slammers is it?

Articuno: It should know better then to attack me!

Me: Wait I sense that it's not Dark Gale. Someone else.

Dragonair: (In a girls voice) I am the daughter of Shendu.

Shendu: (GASP) Huǒniǎo Shendu?!

She reverted back and was a girl with orange hair, red eyes, fire angel wings, orange and red clothes, had Dragonair on her forehead and had a fire sword and had the Trigram of Fire with Shendu on her arm as a cutie mark and had Dragonair's tail.

Huǒniǎo Shendu: Hello father. Great to see you again after 900 years.

Daolon Wong: Another filthy spawn of yours, Shendu?!

Shendu: My daughter! She is half fire demon. I married a princess long ago. I'm just glad she is back with me.

Me: The other Demon Sorcerers may have kids too. We'll find out later.

I fired waves of energy and blasted Daolon Wong.

Daolon Wong tried to slap her

But she blocked his strike and blasted him with intense fire and blasted him with laser vision!

Me: WHOA! Awesome!

Shendu: Now it's personal!

Me: Big time!

Me, Shendu, Huǒniǎo Shendu, Kendra, Charlie Brown and Articuno: ELEMENTAL STARDUST DEATHRAY!

We fired a massive blast of energy and elements and it enveloped Daolon Wong and obliterated him into nothing and completely destroyed him and banished him to the Black Abyss!

Armorsight: Some get me a towel

I pulled out a dark green one.

Me: Here you go.

Armorsight: Thank you

She roared in pain as she began shrinking

Me: Here we go.

I put on my blind man glasses.

Huǒniǎo Shendu: I know the feeling myself. Had to get used to it.

Her muscles shrank as her roars became human screams

She then turned back into Kendra.

Her hair and eyes turned back.

She put on the towel.

Me: There.

Articuno: Are you ok?

Kendra: I'll be fine.

Shendu: Good.

Me: At least that's one of Jackie Chan's major enemies dead,

Kendra: Yep.

Huǒniǎo Shendu: If I ever see my brother Draco, he is dead.

Me: Draco will get what's coming. But Huǒniǎo we had no idea Shendu was your dad too. We thought it was just Draco.

Huǒniǎo Shendu: It's a really long story. One that dates back to over 900 years ago

Articuno: What's your favorite memory of your dad?

Huǒniǎo Shendu: Where my father battled the ruthless Genghis Khan and destroyed all his men.

Me: That was back in the 13th Century.

Huǒniǎo Shendu: That's right.

Shendu: Good times.

Huǒniǎo Shendu: I wonder how Aunts Po Kong and Bai Tza and my uncles are all doing?

Me: Tso Lan is on the team, Bai Tza is on the team and the rest are all in the M.O.E.

Kendra: It's true

Huǒniǎo Shendu: I see.

I looked at my watch.

Me: 8:41 PM. WHOA! Time sure flew.

We went back home.

FLASHBACK ENDS

Qin: WOW!

Camie: That is incredible!

Lola: Yeah!

Eli: She wasn't the only one.

Trini Drakkon: They met me during Eli's bonding session.

Qin: That was cool!

Lola: That was when Barriss Offee appeared.

Eli: Yep.

Tangrowth: We kicked butt there.

Xenia: Wow!

Me: But it was awesome meeting Trini.

Nico: We don't know where they're coming from. But we just wanted to give you guys the heads up

Xenia: We appreciate that.

Lola: Yeah.

Me: This will be interesting and cool.

Varie: Yeah

Takanuva: Yep. Yesterday was awesome.

Nico: I didn't expect Kai to have his own Rider form

Me: Well since Negataros was destroyed he had to have some form of transformation to fit it.

Nico: Too true.

Me: But it was really cool!

Qin: It sure was.

Lola: Yep.

Nico: And no timelines were damaged

Poromon: For better or for worse.

Me: Yeah.

Eli: And the neat part is we have Dinosaurs again. Like I said, I have a soft spot for that.

Me: No worries. But that is EVERYONE's dream to see dinosaurs returned to the world.

Camie: Too true.

Lola: Yep.

Nico: Do dinosaurs count as animals?

Me: Yes they do. Dinosaurs are the ancestors of many animals and lizards that are around today.

Nico: True.

Lily: Yeah.

Eli: It's cool though.

Qin: But also Takanuva's was a powerful Celestial Being!

Takanuva: Fitting for me because my power is equal to that in a way.

Deadpool: Celestial Beings come from many worlds

Me: Yep that's right Wade. Like the Eternals, The Celestials or the Celestialsapiens or anything like that.

Xenia: Yep.

Lola: That was still fun.

Camie: It sure was.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a brown stormy planet.

Maria: We're here.

Me: So that's Gluttonyairaia.

We arrived on Gluttonyairaia, and it's everything Lincoln said and his rainbow energy aura exploded as he grew stronger, same with all of us.

The stench of death was all over and it was in every way like the 3rd Circle of Hell, Gluttony.

Qin: So disgusting!

Me: (GULPS) So, this is Gluttonyairaia. Man, it's worse than The Circle of Hell, Gluttony.

Lincoln: Yep.

Nico: It sure is even more terrifying, and the smell of death is in the air.

Lincoln: This place hasn't changed one bit, it's still as awesome as ever.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) I've heard of the stories of Gluttonyairaia, and The Infernairans made the mistake invading the planet.

Lincoln: And because of it, they were killed.

Qin: Yeah.

?: (Strong Manly Voice) (Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw an extremely strong-looking male who's really tall at 9,999'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a purple sun and moon on his chest, long black hair going down to his shoulders, purple eyes, massive purple angel wings, and he has on a purple loincloth, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Beelzebub Gluttonyairaia, King of The Gluttonyairaians of Planet Gluttonyairaia.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Jiadha Gluttonyairaia, Queen of The Gluttonyairaians of Planet Gluttonyairaia, I've also been to Gluttonyairaia eight years ago as well. And I know you're here

Suddenly, Lincoln turned around and saw a beautiful female who was tall at 1,000'11" in height, she has the voluptuous body of all the female Goddesses times infinity and massive bust clocking in at 600 cm, curvy hips, smooth legs, and bottom that would make many men hoot and howl like jackals, long purple hair, pink eyes, she was dressed in a purple two-piece bikini, and enormous purple angel wings with stars reflecting in the feathers.

Lincoln: (Smirks) I knew that was you, Jiadha Gluttonyairaia, Queen of The Gluttonyairaians of Planet Gluttonyairaia.

Jiadha Gluttonyairaia: (Smirks) Well, I wonder what it was that gave me away. You're always so sharp and focused just like the rest of your body thanks to all that training and hard work you underwent under us.

Me: Lincoln, you know her?

Lincoln: Indeed I do, J.D.

Nicholette Torrington: And so do we, this is Jiadha Gluttonyairaia, Queen of The Gluttonyairaians of Planet Gluttonyairaia, she's

Lincoln's Guardian Angel from Planet Gluttonyairaia, one of the Nine Planets that were spoken about by Helen Hellraira and her people, a massive dark planet of endless feasts, rotting abundance, and gluttonous monstrosities where hunger is never satisfied and indulgence reigns supreme, and the air of Gluttonyairaia is foul with the putrid smell of the dead and unspeakable horrors that can never be named. Jiadha Gluttonyairaia is the Queen of the Gluttonyairaians, a race of omnipotent powerful warrior angels of bottomless appetite, grotesque power, and monstrous transformation who have used the powers of Gluttony to inflict unimaginable pain and suffering on the guilty, and the male Gluttonyairaians who'd spent their lives fighting and proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies with abnormally massive and powerful upper and lower body muscles and twelve-pack abs to prove it and they were not only natural born fighters born for strength and war, but they also have vast countless eons of combat experience, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman elephant level testosterone, excessive tons of incredible godly excessive superhuman libido, excessive tons of incredible godly excessive superhuman elephant level virility, excessive tons of incredible godly excessive superhuman endurance, and immense omnipotent powers of hellfire, darkness, and the powers of Gluttony times infinity, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility. But, Jiadha Gluttonyairaia herself is far beyond them, a voluptuous, towering figure of grotesque beauty and infernal majesty, with skin like molten chocolate and eyes glowing with cursed amber flame with The Powers of Gluttony at her disposal and her people's most powerful and skilled warrior and commander, and her mouth when opened fully reveals a black hole of consumption that devours anything, even souls and dimensions. Her power is absolute gluttony: to consume, to absorb, to digest all things and convert them into power. She can eat energy, time, sound, memories, emotions, even deities. She is the living Abyss of Hunger. In addition to being a powerful and strong hand-to-hand combatant, powerful skills in wrestling, fighting, and martial arts, she has immense omnipotent power over everything related to Gluttony, godly superhuman strength, power, godly superhuman durability, godly superhuman endurance, godly superhuman adrenaline, and the power to summon the spirits of Gluttony to control her enemies, and with every challenge, her power only grew stronger. Jiadha Gluttonyairaia was born with enormous black angel wings, the body of a goddess and large breasts and no matter how much she ate, she never ever gains weight, and she carried the heart of The Goddess of Gluttony within her wielding the raw might of her people times infinity and her power transcends that of her people: immense control over hunger, consumption, matter manipulation, biomass growth, corruption, demonic gluttony, omnipotent digestion, and the ability to grow stronger with each devoured thing, as well as omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, and immense omnipotent powers of hellfire, darkness, mud, filth, and the powers of Gluttony. When an army of male Infernairans showed up to destroy The Temple of Gluttony, she and her men captured them and brought them to their temple and down into their underground dungeons where they along with many male prisoners who were caught trying to rape the female Gluttonyairaians are then put into this machine with tubes attached to their bodies, and as they activate it, a blood red liquid is then pumped into their bodies, but here's the thing: the liquid in the glass jar in the machine is a blood red serum that's a massive cocktail of excessive tons of Universe 666 Nico's stolen and perfected Untamed Mega Savage Serum along with excessive tons of Regina Fessterox's Savage Serum, Perfect Gene-Slammer serum and Perfect God serum, muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions, and they are turned into 999,999'11" massive hulking musclebound brutes with dark hair on their forearms, dark stubbles of chest hair on their massive pecs and dark stubble on their jawline, their muscles had grown excessively which caused their shirts and pants to rip completely off revealing their abnormally massive and powerful upper and lower body muscles which bulged out even more as the visible veins bulged even more and were throbbing with raw power and white hot liquid fire coursing through their bodies and twelve-pack abs, and given excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass, and their minds are corrupted wanting more of the serum pumped into their bodies, and they are kept in their cells and they're bound by their wrists and ankles to be absorbed by the chosen one of their prophecy. After what happened, Jiadha Gluttonyairaia set out to find the one that her people have talked about in an ancient prophecy: a young man with a powerful spirit and determination that would carry on the legacies of the many races who'd fallen victim to The Infernairans and who'd out-glut her own people with purpose and strength, and that young man...was Lincoln Loud. Jiadha Gluttonyairaia descended unto Earth and Royal Woods in a column of darkness where she met Lincoln, and he saw her and she swore to protect him with her heart. She trained Lincoln in The Path of The Glutton God: training him in powerful hand-to-hand combat, close-quarters grappling, wrestling, martial arts, roars of dominance, raw adrenaline, raw might, raw strength, raw power, male dominance, male aggression, and the powers of the darkness of Hell, hellfire, mud, and the powers of Gluttony, and how to harness Gluttony as a weapon, not just of consumption, but of conversion. Through her, he learned to devour attacks, absorb energies, consume sins, and transmute the matter into unbreakable power, and over time, Lincoln gained the ability to digest entire armies, absorb dimensions, and feed on forgotten gods all while retaining his honor and humanity, and under her gaze and guidance, Lincoln gained even more omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, excessive tons of incredible godly excessive elephant level libido, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass immense omnipotent powers of the darkness of Hell, hellfire, mud, and the omnipotent powers of Gluttony times infinity, powerful hand-to-hand combat, close-quarters grappling, wrestling, martial arts, roars of dominance, raw adrenaline, raw might, raw strength, raw power, male dominance, and male aggression, and she also enhanced and made his immortality and invincibility even more powerful than ever, and his already immortal and invincible body was enhanced beyond comprehension, and she knew deep down that Lincoln's a True Alpha Male Werewolfairan-Vampirairan-Cyborg Hybrid, an extremely powerful, godly, gigantic, massive, handsome, sexy, and extremely super strong manly wolfman and God with rugged good looks and endowed with abnormally massive and powerful upper and lower body muscles and twelve-pack abs and numerous massive and long brown wolf tails that are just as strong as his body which also grows even more stronger than ever along with enormous white angel wings and numerous sets of large white angel wings underneath his enormous white angel wings, and he becomes even more ripped than ever due to continuing on with bodybuilding and working out even more, and because of it along with the diet plan his Guardian Angels gave him, along with his hyperpuberty and genes, Lincoln gained the excessively godly powerful, massive, and excessively godly muscular body: every last massive muscle in his upper and lower body was shredded with incredible definition and bulging even more with visible veins bulging out even more and throbbing with raw power and white hot liquid fire coursing through his body and bursting with raw power, long wild and flowing hair, chiseled jawline with dark stubble on the jawline, dark hair covering his muscular forearms, and dark chest hair covering his massive pecs, and that drew out her primal instincts like no one else ever had and she saw he was the one her people described in the prophecy. More than once, she kissed him deeply and full of smoldering passion, covering him in love bites causing him to come home glowing, breathless, and wagging his numerous tails like crazy, and her love for him had only intensified, and they also engaged in a smoldering lovemaking session that lasted for so many hours, and she was left glowing with energy. She helped Lincoln build even more godly muscle, honed his instincts, and sharpened his inner and outer beast with sacred training from her people's priests, and his True Alpha Werewolfairan-Vampirairan-Cyborg nature grew even more potent with each bite. Jiadha also gave him the ability and power to grow even more stronger with every hit he took, and she gifted him The Divine Will of The Alpha Male Glutton God that her people worshipped, a powerful force of virility and strength that made Lincoln the embodiment of Gluttonyairaia's future, and with every time he eats, he grows even stronger than ever, and combined with his enormous appetite that rivals The Saiyans and our resident gluttons, he still never gains weight, only muscle and energy. Lincoln absorbed the Googol of Vigintillions of her fellow male Gluttonyairaians along with using his Cell stingers on his numerous tails to absorb the Googol of Vigintillions of male prisoners and assimilated their excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass, and he absorbed Gluttonyairaia itself along with The Temple of Gluttony, the planet's many temples, the planet's cursed core, and its' burning Sun of Gluttony into his body to preserve their legacy.

One day, Lincoln forged for her the Fork of Famine, a trident-bladed halberd made of obsidian and starbone, able to pierce even divine bellies, and Jiadha gifted him her Stomach Stone, the metaphysical core of her world's Gluttonous Will, and he also devoured the cursed essence of Gluttonyairaia, its sinful skies, its planetary stomach, and the Glutton-Sun, sealing their legacy inside himself forever, and to thank him, she kissed Lincoln with overwhelming smoldering passion and their hearts pounded like drums, and Lincoln returned the kiss with equal smoldering passion, and promised that when he comes of age, he will marry her and the rest of his celestial cosmic harem, and she hates the perverts with an extremely bloody passion and won't hesitate to castrate them, and she hates all of Lincoln's enemies with a fury as hot as Gluttonyairaia's fiery core, she sees them as a dry, tasteless crumb on a greasy plate. She swore to roast them, glaze them, serve them on a silver platter and devour their souls until only shame remains, and even swore to use the dark powers of her people to force them to eat until they become fat slobs, and when they overeat, they'll become so bloated, they'll explode in a mess of gore.

Me: Oh man...! So, thanks to her, you learned how to devour attacks, absorb energies, consume sins, and transmute the matter into unbreakable power, and over time, you gained the ability to digest entire armies, absorb dimensions, and feed on forgotten gods all while retaining his honor and humanity.

Lincoln: Yep.

Nico: Incredible!

Then, all of the other Googol of Vigintillions of male Gluttonyairaians came to Lincoln.

Beelzebub Gluttonyairaia: That's correct, and this was something Jiadha wanted to do. (Smiles) And just as we saw, you've indeed grown that much stronger and much taller, you're now taller than me, and you're also even more buffer and muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln: Yes, that's indeed correct, sir, and there's something I need to tell you.

Beelzebub Gluttonyairaia: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Beelzebub Gluttonyairaia chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Beelzebub Gluttonyairaia: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Beelzebub Gluttonyairaia and the other Googol of Vigintillions of male Gluttonyairaians embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman elephant level testosterone, excessive tons of incredible godly excessive superhuman libido, excessive tons of incredible godly excessive superhuman elephant level virility, excessive tons of incredible godly excessive superhuman endurance, and immense omnipotent powers of darkness, hellfire, and the omnipotent powers of Gluttony times infinity, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and

sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH! (WOLF ROAR)

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura and blue cosmic energy aura was raging like a really massive wildfire and he has a dark purple aura with dark flames of death surrounding him and overflowing with such infinite primal power and ferocity as he pounded his chest like a gorilla.

Lincoln: Whoa...! (GROWLS) This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Beelzebub Gluttonyairaia: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Jiadha Gluttonyairaia: But, first, follow me inside, I have a little something for you, my Alpha Male King of Gluttony.

Lincoln and all of us followed Jiadha Gluttonyairaia to The Temple of Gluttony and down into their underground dungeons, and there, he saw Googol of Vigintillions of 999,999'11" massive hulking musclebound brutes with dark hair on their forearms, dark stubbles of chest hair on their massive pecs and dark stubble on their jawline, their muscles had grown excessively which caused their shirts and pants to rip completely off revealing their abnormally massive and powerful upper and lower body muscles which bulged out even more as the visible veins bulged even more and were throbbing with raw power and white hot liquid fire coursing through their bodies and twelve-pack abs, and given excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass, but their minds are full of lust and they are kept in their cells and they're bound by their wrists and ankles to be absorbed by the chosen one of their prophecy.

Lincoln: Whoa! Are those the prisoners you and your men captured for trying to rape the female Gluttonyairaians?

Jiadha Gluttonyairaia: Yes, when an army of male Infernairans showed up to destroy The Temple of Lustful Passion, my men captured them and brought them to their temple and down into their underground dungeons where they along with many male prisoners who were caught trying to rape the female Gluttonyairaians are then put into this machine with tubes attached to their bodies, and as they activate it, a blood red liquid is then pumped into their bodies, but here's the thing: the liquid in the glass jar in the machine is a blood red serum that's a massive cocktail of excessive tons of Universe 666 Nico's stolen and perfected Untamed Mega Savage Serum along with excessive tons of Regina Fessterox's Savage Serum, Perfect Gene-Slammer serum and Perfect God serum, muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions.

Lincoln: Oh man.

Jiadha Gluttonyairaia: Because of us pumping that cocktail into their bodies, they turned into 999,999'11" massive hulking musclebound brutes with dark hair on their forearms, dark stubbles of chest hair on their massive pecs and dark stubble on their jawline, their muscles had grown excessively which caused their shirts and pants to rip completely off revealing their abnormally massive and powerful upper and lower body muscles which bulged out even more as the visible veins bulged even more and were throbbing with raw power and white hot liquid fire coursing through their bodies and twelve-pack abs, and given excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass, but their minds are full of hunger and wanted more of that serum and they are kept in their cells and they're bound by their wrists and ankles to be absorbed by the chosen one of the prophecy.

Lincoln: Me. Alright then.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails into Cell's stingers and stabbed them into the chests of the Googol of Vigintillions of 999,999'11" massive hulking musclebound brutes, and he began absorbing them and he assimilated their excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails and rainbow sun and moon on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

And he also flexed his muscles even more which really aroused Laura Lustaira even more, and at the same time, the Googol of Vigintillions of male hulking musclebound prisoners suddenly began growing extremely weaker and they were also shrinking in height as all their excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass were being sucked out of them one at a time and was pumped into Lincoln.

Suddenly, Lincoln's deep sapphire eyes were glowing even more as he felt all of the excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass of the Googol of Vigintillions of male hulking musclebound prisoners really flood his body with power and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999, sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999, massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed even more.

Prisoner: (Groans In Pain) Me can't take much more of this..., puny God sucking us dry!

Then, when Lincoln was done and the stingers changed back, nothing was left of the prisoners, and Lincoln sucked their souls dry of every last bit of energy and lust they were flooded with, and he had them sent to The Black Abyss.

Suddenly, Lincoln was too caught up with the excessive surges of excessive power rushing through his veins and body because of him absorbing all of the Googol of Vigintillions of male hulking musclebound prisoners and assimilated of their excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass: he felt like his body was even more on fire and really bursting with power and strength and his deep sapphire blue eyes were still glowing, and then...!

MASSIVE SOUL-CRUSHING EARTH SHATTERING ROAR OF DOMINANCE!

Lincoln let out a massive soul-crushing earth shattering dominant roar as his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythical beasts and animals exploded out, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9

massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed even more, and he pounded his chest like

an Alpha Male gorilla and flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

Jiadha Gluttonyairaia felt the heat of Lincoln's raw display of raw manliness and male dominance.

Jiadha Gluttonyairaia: Ah, yes, the roar of male dominance, the display of raw manly power! It's been a very long time hearing it. But, before you absorb our planet, the cursed essence of Gluttonyairaia, its sinful skies, its planetary stomach, and the Glutton-Sun, into your body, it's been two years since we last had an...intimate moment.

Suddenly, Jiadha Gluttonyairaia went up to Lincoln and she placed her hands on his massive hairy pecs and they kissed with a smoldering intensity and he wrapped his arms around her waist and he deepened the kiss even more as she wrapped her arms around his neck: they were engaging in a smoldering intense make-out session as they kissed deeply and passionately, and Jiadha Gluttonyairaia also kissed and bit Lincoln on the right trapezius, neck, twelve-pack abs, and massive pecs, and when she slowly removed her lips and licked the love marks, they glowed with smoldering heat and fire and Lincoln was also glowing as his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails were wagging.

Lincoln: (GROWLS)(Smirks) It's been a while since you last left your lipstick marks and bite marks on me. Now, it's my turn.

Suddenly, Lincoln wrapped his massive muscular arms around Jiadha Gluttonyairaia's waist and pinned her to the ground with her legs around his waist, her stomach pressed against his twelve-pack abs, and her massive bust pressed against Lincoln's massive pecs and he leaned his head down to her face and kissed her again on the lips with intense passion which she returned as she still had her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Jiadha Gluttonyairaia with purple gems on the gold lightning bolts and purple crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

They stayed in that position with Lincoln on top of her as she then took the time to rub his massive muscles and massive hairy pecs.

Suddenly, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura and holy white

aura and blue cosmic energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9
sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9
massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more.

Jiadha Gluttonyairaia: That's my special gift to him: Gluttonyairaia's Blessing of Divine Darkness Glutton Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 10,000'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolfman with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and he brought her closer to his body even more and she really felt how much stronger he really is.

Jiadha Gluttonyairaia: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Gluttonyairaians both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

Lincoln: That'll be for much later.

Horsea was scared.

Maria held her.

Lincoln: Okay, guys, we're in for one intense battle, we're here on the planet of Gluttonyairaia to help Nunnally unlock her Rainbow Power and solve the mystery of my 3rd Hypothetical Akuma, Lincoln Gluttonslob, and punish the one responsible for his creation, and I can tell you about him. Lincoln Gluttonslob, the 3rd Hypothetical Akuma of Lincoln Loud and he is a SLOB AND GLUTTONOUS PIG! He eats and eats and eats and eats and eats and sits in that chair all day getting fatter and fatter. His goal is to eat and eat until he explodes! He has all the powers of Lincoln but they are weaker because of his fat body! He was made because of Chandler making fun of him and calling him a worthless pig and decided to eat like one! He vowed to eat until he explodes and kills himself.

Lincoln got out his sketchbook, and we saw him! He looked like a fat version of Lincoln drowning himself in food and watching TV all day.

WE GASPED!

Nico: GEEZ!

Me: He really let himself go.

Qin: No shit!

Me: Chandler, you goddamn pig!

Nico: So, that's how he was created. That dumb piece of shit, he's dead!
